

Members of the public are invited to

**CONNECTICUT DEPARTMENT OF TRANSPORTATION
VIRTUAL PUBLIC INFORMATION MEETING
State Project No. 0172-0535
Traffic Control Signal Replacements in Eastern Connecticut
(Chaplin, Griswold, Ledyard, New London,
Norwich, Old Saybrook, and Plainfield)**

Tuesday, July 15, 2025, at 6:00 p.m.

Learn More & Register: <https://portal.ct.gov/DOTEasternCT0172-0535>

The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of this project is to upgrade or revise existing traffic control signal equipment to current standards. Existing equipment will be replaced with updated infrastructure at existing signalized intersections on state roadways.

Right-of-way impacts are expected to be minimal around new signal equipment and newly installed sidewalks at some project intersections.

Construction is expected to begin spring 2027. The estimated cost is \$10 million, with 100% state funds.

The public can submit comments and questions during the two-week public comment period following the meeting. Please direct comments and questions by Tuesday, July 29 to DOTSignalReplacements@ct.gov or (860) 594-2189.

ACCESSIBILITY

Non-English translation options will be available on Zoom and YouTube. The recording will also be posted following the meeting in the list of CTDOT virtual public meetings at portal.ct.gov/ctdotVPIMarchive.

For limited internet access, call (877) 853-5257 with Meeting ID 821 3590 1168. Project information can be mailed within one week by contacting Kaethe Podgorski at DOTSignalReplacements@ct.gov or (860) 594-2189.

For hearing/speech disabilities, dial 711 for Telecommunications Relay Services (TRS). Request language assistance from CTDOT's Language Assistance at (860) 594-2109 at least five business days before meeting.
