The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The project involves systemically installing centerline rumble strips (CLRS) to reduce the number of roadway departures and head-on crashes.

Construction is expected to start in 2025. The estimated cost is \$7,000, using 100% state funds. Right-of-way impacts are not anticipated with this project.

The public can submit comments and questions during two-week public comment period following meeting. Direct comments and questions by Thursday, January 30, 2025, to DOT2025CLRS-EastHampton@ct.gov or (860) 594-2020.
