The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project. A Q&A session will immediately follow the presentation.

The purpose of this project involves systemically installing centerline rumble strips (CLRS) to reduce the number of roadway departures and head-on crashes.

Right-of-way impacts with the proposed project are not anticipated.

Construction is expected to start in 2026, depending on funding, right-of-way acquisition, and permits. The estimated cost is \$13,000, with 100% state funds.

The public can submit comments and questions during the two-week public comment period following the meeting. Direct comments and questions by Tuesday, August 26, 2025, to DOT2025CLRS-NewCanaan@ct.gov or (860) 594-2020.
