PUBLIC INFORMATION MEETING

State Project No. 0174-0481

**Traffic Control Signal Replacements in Northwestern Connecticut
(Ansonia, Burlington, East Granby, Granby, Suffield, Torrington, Watertown, and Winchester)**

Monday, January 12, 2026, at 6:00 p.m.

Learn More & Register: portal.ct.gov/DOTNorthwestCT0174-0481

The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of this project is to replace aging traffic control signal infrastructure with modern equipment to current standards in order to maintain reliable operation at project intersections throughout Northwestern Connecticut.

Right-of-way impacts are expected to be minimal around new signal equipment and newly installed sidewalks at some project intersections.

Construction is expected to start in spring 2028. The estimated cost is \$12 million with 100% state funds.

The public can submit comments and questions during the two-week public comment period following the meeting. Please direct comments and questions by Monday, January 26, 2026, to DOTSignalReplacements@ct.gov or (860) 594-2189.

ACCESSIBILITY

Non-English language closed captioning will be available on Zoom. The recording will also be posted following the meeting in CTDOT's public meeting playlist at portal.ct.gov/ctdotVPIMArchive.

For limited internet access, call (877) 853-5257 with Meeting ID 890 1077 2120. Project information can be mailed within one week by contacting Kaethe Podgorski at DOTSignalReplacements@ct.gov or (860) 594-2189.

For hearing/speech disabilities, dial 711 for Telecommunications Relay Services (TRS). Request language assistance from CTDOT's Language Assistance at (860) 594-2109 at least five business days before meeting.
