This public information meeting is being held to discuss the existing conditions, discuss feasibility of solutions, and receive public feedback prior to project initiation. The proposed project is in the early stages of concept development. No funding has been identified, and no schedule has been determined. A question and answer (Q&A) session will immediately follow the presentation.

This meeting is an opportunity for the project team to share conceptual plans and engage with the community before an official project is initiated. The purpose of this project is to improve safety around traffic operations and multimode connections on the Litchfield Green.

Minor right-of-way impacts are anticipated for the realignment of sections of existing sidewalk. No impacts to the Litchfield Green are anticipated.

The proposed project is in the early stages of development. No funding has been identified, and no schedule has been determined. This public information meeting is being held to discuss the existing conditions, discuss feasibility of solutions, and receive public feedback.

The public can submit comments and questions during a two-week public comment period following the meeting. Direct comments and questions by Tuesday, April 14, 2026, to DOTProjectPP073-0018@ct.gov or (860) 594-2020. Please reference Project No. PP73-18 in the email or voicemail.
