The purpose of this meeting is to provide the community with an opportunity to learn about the proposed projects and allow an open discussion of any views and comments concerning the proposed improvements.

The purpose of these projects is to improve safety and reduce congestion on Route 9 and the downtown Middletown roadway network.

Expected right-of-way impacts involve minor acquisitions and easements.

Construction is expected to start spring 2027, depending on funding, right-of-way acquisition, and permits. The estimated total construction cost is \$143 million with 80% federal funds and 20% state funds.

The public can submit comments and questions following meeting. Direct comments and questions to bit.ly/82-318Route9, DOT.Rte9Middletown@ct.gov, 860-594-2020, or Stephen Hall at Stephen.Hall@ct.gov.
