**Massachusetts General Law Chapter 90D, Section 24 (MGL c.90D, §24) requires that:** Upon the satisfaction of a security interest in a vehicle for which the certificate of title is in the possession of the lienholder, the lienholder shall, within three days after demand and, in any event, within ten days, execute a release of his security interest, in the space provided therefore on the certificate or as the Registrar shall prescribe, and mail or deliver the certificate and release to the next lienholder named therein, or, if none, to the owner or any person who delivers to the lienholder an authorization from the owner to receive the certificate.

**When Payment Deemed Cleared:** Under the law as amended by Chapter 243 of the Acts of 2004, payment in satisfaction of the security interest is deemed cleared immediately upon receipt by a lienholder if the amount owed is tendered in cash, certified check, cashier's check, teller's check, intra-bank or inter-bank transfer of funds, or by an electronic transfer of funds.

**Assessment of Civil Administration Penalty for Lienholder's Failure to Comply:** New sections of the law (§24A and §32(c)) created by Chapter 243 allow the Registrar to assess a civil administrative penalty for noncompliance. The minimum civil administrative penalty authorized by law is \$500 for a first offense, but late payment can result in a tripling of that amount. Administrative costs, attorney's fees and collection costs may substantially increase the amount owed.
