

Connecticut Medical Home Initiative for Children & Youth with Special Health Care Needs

Who is eligible?

Children & youth age 0 to 21 who have, or are at increased risk for, a chronic physical, developmental, behavioral or emotional condition and who also require health and related services of a type or amount beyond that required by children generally.

Services available?

All families of eligible children and youth with special health care needs (CYSHCN), regardless of income, will receive a respectful working partnership with you and your child's medical home; care coordination services and family support referrals.

Uninsured or underinsured families, who fall within income guidelines, can also benefit from payment for limited services (i.e. durable medical equipment, prescriptions, and special nutritional formulas).
