Subject: CVFA 2026 Re-Enrollment Now Open – Complete by November 21, 2025

October 14, 2025

This communication is being sent to all key contacts at provider organizations enrolled in the Connecticut Vaccines for Adult (CVFA) Program – please read this message in its entirety. Please feel free to share it with others in your organization who may benefit from the update. Note that all our communications are archived on our web site [here](#).

2026 CVFA Re-Enrollment

This communication is to notify you that the 2026 Connecticut Vaccine for Adults (CVFA) program re-enrollment is now open. Each provider site is required to submit a provider agreement annually to re-enroll. The re-enrollment process allows us to verify and update provider shipping information as well as to estimate the amount of vaccine that will need to be supplied for the upcoming calendar year.

Please complete your re-enrollment electronically in Connecticut's Immunization Information System (CT WiZ) as paper forms will not be accepted.

- The Primary and Backup CVFA Coordinator and the Medical Director (or equivalent) signing the agreement will each need to have an individual CT WiZ username and password. For information on requesting usernames or help logging into CT WiZ, visit our [username webpage](#).
- For assistance with completing the re-enrollment page, visit our [re-enrollment webpage](#) for step-by-step instructions. The Department of Public Health (DPH) recommends clinics review the [Re-Enrollment Checklist](#) complete the prerequisite steps before getting started.

- Reminder: As required by [state law](#), all vaccinating providers in Connecticut must provide to patients or post in their office the [notice to patients regarding reporting to CT WiZ](#).

Providers must complete re-enrollment in CT WiZ **by November 21, 2025**.

- Meeting this due date will allow you to continue receiving state supplied vaccine without any interruptions. Failure to complete the profile and agreement forms by November 21, 2025 will result in a delay of future vaccine orders.
- For additional support, please submit a [help desk ticket](#) and select: Immunizations (CT WiZ) - Clinic Administration - Enroll/Re-enroll in CVP.

Holiday Shipping Schedule

Please find the attached holiday shipping schedule for state supplied vaccines. If you are expecting vaccine orders before the holidays, please plan ahead. Routine shipments from McKesson may take up to 4 business days to process before they are shipped. Providers with limited delivery hours (e.g., clinics not open Monday through Friday, 8 AM–5 PM) may experience additional delays in processing and delivery.

Providers are strongly encouraged to order early during the winter holidays. Providers are also encouraged to maintain a minimum of 4 weeks of inventory to prevent vaccine shortages if orders are delayed due to weather and/or carrier interruptions.

As always, thank you for your ongoing efforts and support of vaccination.
