410 Capitol Avenue, MS#11FDS P.O. Box 340308 Hartford, CT 06134-0308

**Instructions for Submitting the PD-23:** The Commissioner of the Department of Public Health (DPH) is required to declare an annual list of Reportable Diseases, Emergency Illnesses and Health Conditions, which has two parts: (A) reportable diseases and (B) reportable emergency illnesses and conditions as required under Sections 19a-36-A3 and 19a-36-A4 (see back of form) of the Public Health Code and Sections 19a-2a and 19a-215 of the Connecticut General Statutes.

The PD-23 is the general disease reporting form and should be used if other specialized forms are not available. PD-23 forms may either be faxed to 860-920-3131 or submitted by hospital IPs directly into CTEDSS (where applicable). Copies must also be sent to the Director of Health of the city or town where the patient lives and kept in the patient's medical record. A fillable PDF of the PD-23 and contact information for the Directors of Health of all cities and towns in CT are available on the DPH website. For questions about entering PD-23s directly info CTEDSS, e-mail dph.ctedss@ct.gov.

# Health Insurance Portability and Accountability Act (HIPAA) Guidelines

Pursuant to Connecticut General Statutes (CGS) § 19a-2a and § 19a-215 and to the Regulations of Connecticut State Agencies Section 19a-36-A3 and Section 19a-36-A4, the requested information is required to be provided to the Department of Public Health (DPH)

Please note that CGS § 52-146o(b)(1) authorizes the release of these records to the Department without the patient's consent. Additionally, the federal Privacy Regulations of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) also authorize you, as a provider, to release this information without an authorization, consent, release, opportunity to object by the patient, as information (i) required by law to be disclosed [HIPAA Privacy regulation, 45 CFR § 164.512(a)] and (ii) as part of the Department's public health activities (HIPAA Privacy regulation, 45 CFR § 165.512(b)(1)(i)]. The requested information is what is minimally necessary to achieve the purpose of the disclosure, and you may rely upon this representation in releasing the requested information, pursuant to 45 CFR § 164.514(d)(3)(iii)(A) of the HIPAA Privacy regulations.

# PHC Section 19a-36-A4 - Content of report and reporting of reportable diseases and laboratory findings.

Each report should include: 1) name, address and phone number of the person reporting and of the physician attending; 2) name, address, date of birth, age, sex, race/ethnicity, and occupation of person affected; and 3) the diagnosed or suspected disease, and date of onset. Reports must be submitted to DPH electronically through CTEDSS or faxed within 12 hours of recognition or strong suspicion and also faxed to the Local Director of Health of the town in which the patient lives. A copy of all reporting forms should also be kept in the patient's medical record.

## PHC Section 19a-36-A3 - Persons required to report reportable diseases and laboratory findings.

- Every health care provider who treats or examines any person who has or is suspected to have a reportable
  disease shall report the case to the local director of health or other health authority within whose jurisdiction the
  patient resides and to the DPH.
- 2. If the case or suspected case of reportable disease is in a health care facility, the person in charge of such facility shall ensure that reports are made to the local director of health and DPH. The person in charge shall designate appropriate infection control or record keeping personnel for this purpose.
- 3. If the case or suspected case of reportable disease is not in a health care facility, and if a health care provider is not in attendance or is not known to have made a report within the appropriate time, such report of reportable diseases shall be made to the local director of health or other health authority within whose jurisdiction the patient lives and DPH by:
  - a. the administrator serving a public or private school or day care center attended by any person affected or apparently affected with such disease.
  - b. the person in charge of any camp;
  - c. the master or any other person in charge of any vessel lying within the jurisdiction of the state;
  - d. the master or any other person in charge of any aircraft landing within the jurisdiction of the state;
  - e. the owner or person in charge of any establishment producing, handling, or processing dairy products, other food, or non-alcoholic beverages for sale or distribution;
  - f. morticians and funeral directors.
