Source: Connecticut Department of Public Health, HIV Case Registry System as of December 2023

Source of population data: CDC Bridged-Race Population Estimates for 2000-2020 available at  
<http://wonder.cdc.gov/wonder/help/bridged-race.html>  
Population Estimates for 2021-2022 available at Connecticut Department of Public Health  
<https://portal.ct.gov/dph/health-information-systems--reporting/population/annual-state-county-population-estimates> was used  
for rate calculation.

\*Rates = per 100,000 population. Rates based on counts <20 may be unstable and should be interpreted with caution.  
\*\*In keeping with confidentiality regulations, numbers are not disclosed for <5 cases. Additional counts may be censored in  
order to preserve the confidentiality of adjacent cells
