

“I Speak...” American Sign Language

“I communicate in American Sign Language (ASL). I cannot communicate well in spoken English. Please provide me with a qualified interpreter.” By law, the institutions that receive federal funds (i.e., Medicaid, Medicare, Food Stamps) must provide the services of a qualified interpreter to patients/clients who are not fluent in English. This law is meant to provide all people with equal access to public services (i.e., at hospitals and doctors’ offices, schools, and government entities). The interpreter’s services must be provided at no cost to the patient/client. We recommend that you note this person’s spoken language in his/her file.
