We did not receive any feedback on the Action Plan for Priority A

Priority A: Access to Health Care

Goal A: Ensure all CT residents have knowledge of, and equitable access to, affordable, comprehensive, appropriate, quality health care.

Objectives

- A1:** Increase the number of traditional and alternative (community- and technology-based) places people can access health care by 2025.
- A2:** Increase adoption of accepted best practices and standards of care among clinical health care providers by 2025.
- A3:** Increase adoption of accepted best practices and standards of care among community health preventive care providers by 2025.
- A4:** Develop a comprehensive, across-the-lifespan, statewide health education framework by 2025.
- A5:** Increase the availability and diversity of primary care providers, community partners, and care management services by 2025, while respecting patients' rights to privacy and choice.
- A6:** Decrease the number of CT residents who are at risk of spending more than 10% of their net income on health care services and coverage by 2025.

A total of 8 strategies were identified for 2022 implementation for Priority A

Next Steps

- **Final Action Plans**

- The Advisory Council will review all four action plans in late February/early March.

- **Implementation**

- CT DPH will send out a Doodle Poll with potential dates for a February Action Team Meeting.
- The poll will be followed by a brief survey to determine best dates/timing for monthly Action Team meetings throughout 2022.
 - The survey results will be shared and discussed at the February AT Meeting.

Thank You!
