450 COLUMBUS BOULEVARD, SUITE 1 • HARTFORD, CT 06103-1837

FORM TPG-138 is now obsolete.

The TSC (Taxpayer Service Center) is no longer processing returns and or payments for bulk filers.

You will now need to use **myconneCT** for the electronic filing and payment of your tax obligations for you and your customers.

Getting started using **myconneCT** is as easy as creating a username and password. To upload a file of returns or payment, you will need to select the access type of "Third **Party Bulk Filer (TPBF)**"

After you have created your Username, you will be able to log into your account to file/pay for you and your clients. For a list of forms and layouts supported, visit the myconneCT TPBF page.

To file on behalf of your clients, you can add your clients accounts to your Username by adding access to another business. Check out the **myconneCT** tutorials as found on the DRS web site.

Where can you find more information for bulk filing?

Visit the DRS website at <https://portal.ct.gov/DRS/myconneCT/tpbf>

Sincerely,
Connecticut Department of Revenue Services
