Form OP-216 - Instructions

General Instructions

Complete the return in blue or black ink only.

Taxpayers must file a return for each calendar month by the twenty-fifth day of the following month. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. A return must be filed even if no tax is due.

Rounding gallons: On your return, you must round off fractions of a gallon to the nearest whole gallon. Round down to the next lowest whole gallon all fractions of a gallon less than a half gallon. Round up to the next highest whole gallon all fractions of a half gallon or more.

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Pay Electronically: Visit www.ct.gov/TSC to use the **Taxpayer Service Center (TSC)** to make a direct tax payment. After logging onto the **TSC**, select the *Make Payment Only* option and choose a tax type from the drop down box. Using this option authorizes the Department of Revenue Services (DRS) to electronically withdraw from your bank account (checking or savings) a payment on a date you select up to the due date. As a reminder, even if you pay electronically you must still file your return by the due date. Tax not paid on or before the due date will be subject to penalty and interest.

Pay by Mail: Make check payable to **Commissioner of Revenue Services**. To ensure payment is applied to your account, write "Form OP-216" and your Connecticut Tax Registration Number, optional, on the front of your check. Be sure to sign your check and paper clip it to the front of your return. Do not send cash. DRS may submit your check to your bank electronically.

Mail this return and schedules with a check to:
