## Payment Frequency and Due Dates

Each calendar year DRS classifies payers for Connecticut income tax withholding purposes as a weekly, monthly, or quarterly remitter. Most new payers will be classified as monthly remitters.

The payment frequency is based on the payer's reported withholding tax liability for the look-back calendar year. The look-back calendar year for calendar year 2017 is calendar year 2015. See **IP 2016(8)**.

**Weekly remitters** must pay over Connecticut income tax withholding by electronic funds transfer on or before the Wednesday following the weekly period during which the nonpayroll amounts were paid.

**Monthly remitters** must pay over Connecticut income tax withholding by electronic funds transfer on or before the fifteenth day of the month following the month during which the nonpayroll amounts were paid.

**Quarterly remitters** must pay over Connecticut income tax withholding by electronic funds transfer on or before the last day of the month following the quarterly period during which the nonpayroll amounts were paid.

If the due date falls on a Saturday, Sunday, or legal holiday, the return will be considered timely if filed by the next business day.

## Nonpayroll Amounts Subject to Connecticut Income Tax Withholding

The following are Connecticut nonpayroll amounts subject to Connecticut income tax withholding:

See **Informational Publication 2011(27)**, *Connecticut Income Tax Treatment of Gambling Winnings Other Than State Lottery Winnings*;
- **Pension and annuity distributions** if the recipient is a Connecticut resident and has requested Connecticut income tax withholding;
