Instructions

IFTA MISC, *Decal Equipment Tracking*: Use this schedule to account for all IFTA Decals issued to company by serial number. All unused decals must be accounted for and should be kept with schedule information to help keep accurate tracking of where decals have gone. **File and maintain a completed IFTA MISC schedule for four years**.

Carrier Information: Enter the IFTA license number, name, address, city, state, and ZIP Code for the carrier.

IFTA Decal Information:

IFTA Decal Year is the year on the IFTA decal.

IFTA Serial No. is the serial number assigned to the IFTA decal.

Unit No. is the unit number of vehicle decal attached.
