**Purpose: Form CT-W4** provides your employer with the necessary information to withhold the correct amount of Connecticut income tax from your wages to ensure that you will not be underwithheld or overwithheld. In order for your employer to withhold Connecticut income tax from your wages, you must complete **Form CT-W4**, and provide it to your employer(s). You are expected to pay Connecticut income tax as income is earned or received during the year. You should complete a new **Form CT-W4** at least once a year or if your tax situation changes.

# **EMPLOYEE INSTRUCTIONS**

**Gross Income:** For **Form CT-W4** purposes, **gross income** means all income received in the form of money, goods, property, and services that is not exempt from federal income tax, and any additions to income from *Schedule 1* of **Form CT-1040** or **Form CT-1040NR/PY**.

**Filing Status:** Generally, the filing status you expect to report on your Connecticut income tax return is the same as the filing status you expect to report on your federal income tax return. However, special rules apply to married individuals who file a joint federal return, but have a different residency status. Nonresidents and part year residents should see the instructions to **Form CT-1040NR/PY**.

**General Instructions:** Complete the certificate on Page 1, Lines 1 through 11, sign it, and return it to your employer. Keep a copy for your records.

**Check Your Withholding:** You could be underwithheld if any of the following apply:

- You have more than one job;
- You qualify under the *Special Rules for Certain Married Individuals* and do not use the *Supplemental Table* on Pages 3 and 4; **or**
- You have substantial nonwage income.

If during the taxable year your circumstances change, such as, you receive a bonus or your filing status changes, you must furnish your employer with a new **Form CT-W4** within 10 days of the change to avoid underwithholding. If you could be underwithheld, you should consider adjusting your withholding or making estimated payments on **Form CT-1040ES**, *Estimated Connecticut Income Tax Payment Coupon for Individuals*. You may also wish to select *Withholding Code* "D" to elect the highest level of withholding. If you owe more than \$500 in Connecticut income tax over and above what has been withheld from your income for the prior taxable year, you may be subject to interest on the underpayment at the rate of 1% per month or fraction of a month. **Informational Publication 2003(19)**, *Is My Connecticut Withholding.* 

# Nonresident Employees Working Partly Within and Partly Outside of Connecticut

If you work partly within and partly outside of Connecticut for the same employer, you should also complete **Form CT-W4NA**, *Employee's Withholding or Exemption Certificate - Nonresident Apportionment*, and provide it to your employer. The information on **Form CT-W4NA** together with the information on **Form CT-W4** will help your employer determine how much to withhold from your wages for services performed within Connecticut. **Form CT-W4NA** is available from your employer or from the Department of Revenue Services (DRS) at **www.drs.state.ct.us** 

## **Special Rules for Certain Married Individuals**

If you are a married individual filing jointly and you and your spouse both select *Withholding Code* "A", you may have too much or too little Connecticut income tax withheld from your pay. This is because the phaseout of the personal exemption and credit is based on your combined incomes. The withholding tables cannot reflect your exact withholding requirement without considering your spouse's income.

To minimize this problem, use the *Supplemental Table* on Pages 3 and 4 to adjust your withholding. You are not required to use this table.

**Note: Do not** use the supplemental table to adjust your withholding if you use the worksheet in **Informational Publication 2003**(19).

# Special Instructions for Armed Forces Personnel and Veterans

If you are a Connecticut resident, your Armed Forces pay is subject to Connecticut income tax withholding unless you qualify as a nonresident for Connecticut income tax purposes. See **Informational Publication 2002(22**), *Connecticut Income Tax Information for Armed Forces Personnel and Veterans* for that criteria. If you do not meet the criteria, complete **Form CT-W4** following the instructions on Page 1. If you meet the nonresident criteria, you may request that no Connecticut income tax be withheld from your Armed Forces pay by entering Withholding Code "E" on **Form CT-W4**, Line 1 and filing the form with you Armed Forces finance officer.

### **EMPLOYER INSTRUCTIONS**

For any employee who does not complete **Form CT-W4**, you are required to withhold at the highest rate.

You are required to keep a **Form CT-W4** in your files for each employee. See **Informational Publication 2000(11)**, *Connecticut Circular CT*, *Employer's Tax Guide*, for complete instructions.

You must also file copies of **Form CT-W4** with DRS and the Department of Labor (DOL) for certain employees as listed below:

# Report Certain Employees Claiming Exemption From Withholding to DRS

Employers are required to file copies of **Form CT-W4** with DRS for certain employees claiming "E" (no withholding is necessary). See **Informational Publication 2000(11)**, for further information. Mail copies of **Forms CT-W4** meeting the conditions listed on Page 11 of **Informational Publication 2000(11)**, with **Form CT-941**, *Connecticut Quarterly Reconciliation of Withholding*, to DRS.

#### **Report New and Rehired Employees to DOL**

New employees are defined as workers not previously employed by your business, as well as workers who are hired after having been separated from your business for a period of more than six months.

Conn. Gen. Stat. §31-254(b) requires employers with offices in Connecticut or transacting business in Connecticut to report names, addresses, and Social Security Numbers of new employees to DOL within 20 days from the date of hire to assist in the enforcement of child support obligations. Mail copies of **Form CT-W4** for those employees only to DOL at the address listed below or FAX to the number listed below.

DOL may use information reported on this form in a manner consistent with its governmental powers and duties. For more information on DOL requirements or for alternate reporting options, call DOL at 860-263-6310 or visit the DOL Web site at www.ctdol.state.ct.us
