STATE OF CONNECTICUT DEPARTMENT OF REVENUE SERVICES PAM LAW, COMMISSIONER

Dear Taxpayer:

Providing taxpayers with the most comprehensive state tax information helps the Connecticut Department of Revenue Services (DRS) meet its goal of voluntary taxpayer compliance. This booklet contains information about changes to the state income tax, as well as tips that can improve your filing experience. Using our new Taxpayer Service Center (**TSC**) to access the state's *WebFile* or *Telefile* applications will enable you to file your return quickly and accurately. **TSC** filing also ensures a faster refund than paper filing.

As you will learn in this booklet, no special software or downloads are needed to access the *TSC*, and the filing programs prompt users to input the required information. Visit the DRS Web site at **www.ct.gov/DRS** to learn more about these and other electronic features designed to help taxpayers.

If you have questions about filing this return or any Connecticut tax issue, the back cover of this booklet lists ways you can reach DRS Taxpayer Services staff by email, phone, or letter. The DRS Web site at **www.ct.gov/DRS** contains our new, frequently-asked questions tool and is available anytime to provide you with facts, forms, and publications.

We welcome your comments and ideas on how we can improve the way we do business.

Sincerely,

Pam Law Commissioner of Revenue Services

Steps to Electronically File

Step 1

Complete your federal income tax return.

Step 2

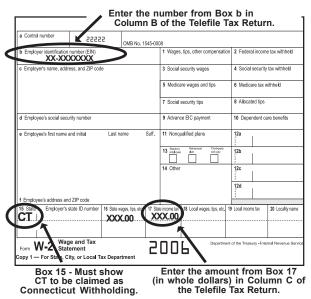

Enter the four-digit PIN assigned to you by DRS. A new PIN is assigned each year. When you access the *Telefile* or *WebFile* system through the Taxpayer Service Center (*TSC*), you will be advised where to find your PIN.

If you use the *TSC*, you may enter last year's federal adjusted gross income in place of your PIN.

For assistance, visit the DRS Web site at **www.ct.gov/DRS** or call 1-800-382-9463 (Connecticut calls outside the Greater Hartford area only) or 860-297-5962 (from anywhere) for prerecorded information.

Step 3

Gather all your W-2 and 1099 forms. Generally, you will receive these forms on or before January 31. You will be asked for the Federal Employer Identification Number and Connecticut income tax withheld as shown on this sample W-2.

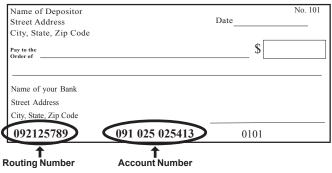

Step 4

Round off all amounts to the nearest whole dollar. Round to the next lowest dollar all amounts that include 1 through 49 cents. Round to the next highest dollar all amounts that include 50 through 99 cents. The *TSC* accepts only whole dollar entries.

Step 5

Expecting a refund? Receive it faster by selecting direct deposit. You will be asked for the routing number and account number as shown on this sample check.

Step 6

Expecting to owe tax? There are three options available to pay your Connecticut income tax:

- 1. Use our **direct payment** system. Direct Payment Have the amount of tax due automatically withdrawn from your bank account. This option is **only** available at the time of filing.

1-800-2PAY-TAX (1-800-272-9829); or

A 2.49% convenience fee will be charged by the credit card service provider.

3. Mail your **check or money order** with the 2006 *Payment Voucher*.

Payment is due on or before April 16, 2007.

Step 7

File by Telephone. Fill in Items 1 and 3 through 10 of the *Connecticut Telefile Tax Return* before you call the *Telefile* number.

File by Internet. If you are going to file Form CT-1040 over the Internet, then go to **www.ct.gov/DRS** and click on *TSC* to file your tax return.

Step 8

Record the confirmation number you receive at the end of filing. This number is your official acknowledgment that your Connecticut income tax return has been filed.

Individual Use Tax Schedule

Complete this schedule if you have a Connecticut individual use tax liability. You owe use tax if you purchased taxable goods or services during the taxable year and did not pay Connecticut sales tax on the purchases. Individual items with the purchase price of \$300 or more must be listed separately below. Although you do not need to list separately any individual item with a purchase price of less than \$300, the items are subject to tax and the total of the purchase prices of these items should be reported on Line A. Multiply the sales and use tax rate by the purchase price of the item and enter the result in Column E. You must enter "0" in Item 9 if no Connecticut use tax is due.

Completing the Connecticut Telefile Tax Return

1A. Social Security Number (SSN): Enter your SSN.

1B. Spouse's SSN: For a married filing joint return, enter your spouse's SSN. Enter your SSN and your spouse's SSN in the order in which your names appear on the label on the back of this booklet.

2. Personal Identification Number (PIN): Enter the four-digit PIN assigned to you by DRS. A new PIN is assigned each year. When you access the *Telefile* system, you will be advised where to find your PIN. If you do not know your PIN you may be able to access it during your Telefile call by pressing the star (*) key when prompted for your PIN. You must provide your prior year federal adjusted gross income from Form CT-1040EZ or Form CT-1040, Line 1, or Connecticut Telefile Tax Return, Item 4.

3. Filing Status: Check the same filing status box that you checked on your 2006 federal income tax return (single, married filing jointly, married filing separately, or head of household). Taxpayers with the filing status of civil union filing jointly, civil union filing separately, or qualifying widow(er) with dependent children will not be able to file their 2006 Connecticut income tax returns using Telefile.

4. Federal Adjusted Gross Income (AGI): Enter your federal AGI from your 2006 federal income tax return. This is the amount reported on federal Form 1040EZ, Line 4; federal Form 1040A, Line 21; or federal Form 1040, Line 37.

5. Refunds of State and Local Income Taxes: Enter the amount of taxable refunds of state and local income taxes you reported on Line 10 of your 2006 federal Form 1040. If Line 10 is blank or if you filed federal Forms 1040A or Form 1040EZ, enter "0."

6. Number of W-2 and 1099 Forms: Enter the total number of W-2 and 1099 forms you received for the 2006 taxable year that show Connecticut income tax withheld. (Include your spouse's W-2 and 1099 forms if you are filing a joint return.)

You may not *telefile* this return if you received more than seven W-2 or 1099 forms that show Connecticut income tax withheld.

7. W-2 and 1099 Information: Verify that Box 15 of each W-2 shows Connecticut income tax withheld. See sample W-2 on Page T3.

Column B: Enter from each W-2 form the nine-digit Federal Employer Identification Number (FEIN) located in **Box b**. For each 1099, enter the payer's nine-digit FEIN. For unemployment

compensation, this number is located directly below the address for the Department of Labor. If the number is unclear or missing, contact your employer or payer.

Column C: Enter the Connecticut income tax withheld shown on each W-2, W-2G, or 1099 form (from Form W-2, Box 17; Form W-2G, Box 14; Form 1099-R, Box 10; Form 1099-MISC, Box 16; or Form UC-1099G, Box 5).

8. Property Tax Paid:

Auto 1 - Enter the total amount of property tax due and paid during 2006 to a Connecticut municipality on your motor vehicle.

Auto 2 - If your filing status is married filing jointly, enter the total amount of property tax due and paid during 2006 to a Connecticut municipality on your second motor vehicle, if any.

Primary Residence - Enter the total amount of property tax due and paid during 2006 to a Connecticut municipality on your primary residence.

You may take credit against your 2006 Connecticut income tax liability for property tax payments you made on your primary residence and privately owned or leased motor vehicle to a Connecticut political subdivision. Generally, property tax bills due and paid during 2006 qualify for this credit. This includes any installment payments you made during 2006 that were due in 2006 and any installments you prepaid during 2006 due in 2007. Supplemental property tax bills due during 2006 or 2007 also qualify if paid during 2006. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit. The maximum credit allowed is \$500 per return, regardless of your filing status, and may be limited based upon your Connecticut adjusted gross income. A husband and wife who file a joint Connecticut income tax return may consider property tax bills for which the husband or wife, or both, are liable.

You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year and the property tax became due and was paid during 2006 (either by the leasing company or by you). Refer to your January 2007 billing statement from the leasing company to determine the amount of property taxes that may be eligible for the credit.

The *Telefile* System automatically calculates your allowable credit. See **Informational Publication 2006(16)**, *Q&A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision.*

9. Individual Use Tax: If you purchased taxable goods or services during 2006 and did not pay Connecticut sales tax, complete the *Individual Use Tax Schedule* on Page T6. Generally, this is for purchases made or shipped from outside of Connecticut. Enter the total individual use tax due in Item 9. **If none, enter "0."** See **Informational Publication 2005(17)**, *Q&A on the Connecticut Individual Use Tax*.

10. Direct Deposit or Direct Payment: You can elect to have your refund directly deposited or your tax due automatically withdrawn from your checking or savings account.

Expecting a refund? By completing Items 10A, 10B, and 10C, you can have your refund directly deposited into your checking or savings account.

If any of the bank information you supply for direct deposit does not match, a paper check will automatically be issued to you. Some financial institutions do not allow a joint refund to be deposited into an individual account.

Expecting to owe tax? By completing Items 10A, 10B, 10C, and 10D, you can have the funds automatically withdrawn from your checking or savings account. See *Pay by Direct Payment* below. Before calling *Telefile*, check with your financial institution to make sure an automatic withdrawal is allowed and to verify the correct routing and account numbers.

Enter your nine-digit bank routing number and your bank account number in Items 10B and 10C. Your bank routing number is the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as part of your account number. Bank account numbers can be up to 17 digits and must be numeric. See sample check on Page T3.

The *Telefile* System will provide you with the amounts to enter in Items 11 through 17.

11. Property Tax Credit: This is the amount of credit you are allowed for property taxes you paid during 2006 on your motor vehicle, primary residence, or both.

12. Total 2006 Connecticut Tax: This is your total Connecticut tax liability which includes individual use tax and property tax credit, if applicable.

13. Total Connecticut Income Tax Withheld: This is the total Connecticut income tax withheld as shown on your W-2, W-2G, and 1099 forms.

14. Tax Due: This is the amount of tax you owe. Pay the amount in full with your return. If the amount you owe is \$1,000 or more, you may be subject to interest on the underpayment of estimated income tax.

You have until April 16, 2007, to pay by direct payment, credit card, check, or money order. The 2006 Connecticut Telefile Payment Voucher must accompany all payments sent by mail.

Payment Options

Pay by Direct Payment:

Complete Items 10A, 10B, 10C, and 10D. By completing Item 10D, you can request to have the tax you owe withdrawn at a future date, but no later than April 16, 2007. **Direct Payments are accepted only during your** *Telefile* call.

Pay by Credit Card:

- Call Official Payments Corporation toll-free at 1-800-2PAY-TAX (1-800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777; or
- Visit: www.officialpayments.com and select Payment Center.

A convenience fee will be charged by the credit card service provider. The fee is 2.49% of your total tax payment. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

Your payment will be effective on the date you make the charge.

Pay by Mail: Make your check or money order payable to **Commissioner of Revenue Services**. To ensure proper posting of your payment, write "**2006 Telefile**" and your SSN(s) (optional) on the front of your check or money order. DRS may submit your check to your bank electronically. Mail the *2006 Connecticut Telefile Payment Voucher* along with your payment to:

Department of Revenue Services PO Box 5088 Hartford CT 06102-5088

Failure to file or **failure to pay** the proper amount of tax when due **will result in penalty and interest charges**. It is to your advantage to file when your return is due whether or not you are able to make full payment.

15. Overpayment of Tax: If you have an overpayment in Item 15, the *Telefile* System will ask if you would like to contribute all or a portion of the overpayment to one or more of the six designated funds. You may not know if you have overpaid your taxes until you make your *Telefile* call. If you wish to make a contribution, you should be prepared to identify the fund(s) and the amount of your contribution(s).

16. Total Contributions: If you make contributions, the *Telefile* System will total the amount of contributions made to the six designated funds.

17. Refund: This is the amount of your refund. You may choose to have this amount deposited directly into your bank account or have a check mailed to you.

18. PIN Signature: After the *Telefile* System tells you the amount of your refund or how much tax you owe, the *Telefile* System will prompt you to sign your return by entering the same PIN you entered in Item 2. This will become the legal signature for your return.

If you file a joint return, you **must** review the information you entered with your spouse because the PIN serves as the legal signature for both of you. You and your spouse are jointly and severally responsible for paying the full amount of tax, interest, and penalties on your joint return.

19. Confirmation Number: You **must** stay on the line for your eight-digit confirmation number. After the PIN signature, the *Telefile* System will provide you with a confirmation number. Write this number in Item 19. Once you have this confirmation number, your tax return is filed.

If you have a change or correction to your Connecticut income tax liability after you receive your confirmation number, you must complete **2006 Form CT-1040X**, *Amended Connecticut Income Tax Return*.

Connecticut Resident EZ Income Tax Return

Dear Taxpayer:

Providing taxpayers with the most comprehensive state tax information helps the Connecticut Department of Revenue Services (DRS) meet its goal of voluntary taxpayer compliance. This booklet contains information about changes to the state income tax, as well as tips that can improve your filing experience. Using our new Taxpayer Service Center (*TSC*) to access the state's *WebFile* or *Telefile* applications will enable you to file your return quickly and accurately. *TSC* filing also ensures a faster refund than paper filing.

As you will learn in this booklet, no special software or downloads are needed to access the *TSC*, and the filing programs prompt users to input the required information. Visit the DRS Web site at **www.ct.gov/DRS** to learn more about these and other electronic features designed to help taxpayers.

If you have questions about filing this return or any Connecticut tax issue, the back cover of this booklet lists ways you can reach DRS Taxpayer Services staff by email, phone, or letter. The DRS Web site at **www.ct.gov/DRS** contains our new, frequently-asked questions tool and is available anytime to provide you with facts, forms, and publications.

We welcome your comments and ideas on how we can improve the way we do business.

Sincerely,

Yam Jaw

Pam Law Commissioner of Revenue Services

What's New

• **Civil unions:** Effective for taxable years beginning on or after January 1, 2006, parties to a civil union recognized under Connecticut law (civil union partners) **must file** their Connecticut income tax returns as if they were entitled to the same filing status accorded spouses under the Internal Revenue Code. This means that, for purposes of calculating their Connecticut income tax liability, parties to a civil union must recompute their federal income tax liability as if their filing status for federal income tax purposes were married filing jointly or married filing separately. Parties to a civil union may not calculate their Connecticut income tax purposes were single or, if applicable, head of household (although this will be their filing status for federal income tax purposes).

Any reference in this booklet to a spouse also refers to a party to a civil union recognized under Connecticut law. For more information on civil unions recognized under Connecticut law, visit the Attorney General's Web site at **www.ct.gov/ag** for Attorney General Opinion 2005-024.

- Filing status check boxes: The 2006 Connecticut income tax returns have three additional filing status check boxes: qualifying widow(er) with dependent child, civil union filing jointly, and civil union filing separately.
- **Property tax credit:** Effective for taxable years beginning on or after January 1, 2006, the maximum property tax credit has been increased from \$350 to \$500. Depending on the amount of property taxes paid by a taxpayer to a Connecticut municipality and the taxpayer's Connecticut adjusted gross income, the property tax credit may be reduced or the taxpayer may not be entitled to a property tax credit.

Taxpayer Service Center (TSC): The Department of Revenue Services (DRS) encourages Connecticut income tax filers to WebFile through the new, electronic **TSC**. The **TSC** is an interactive tool that, like the previous WebFile system, offers a free, fast, easy, and secure way to conduct business. Through our Web site at **www.ct.gov/DRS**, taxpayers can access the **TSC** to securely file and pay their Connecticut tax responsibilities electronically.

The *TSC* also offers an easy way to get answers to the most frequently asked questions and enables taxpayers to send queries for additional information. Please visit our Web site often as additional features are planned.

- **New e-filing requirement for certain preparers:** Effective January 1, 2007, preparers who prepared 100 or more 2005 Connecticut income tax returns will be required to file the 2006 Connecticut income tax returns electronically using the Federal/State Electronic Filing Program (*e-file*).
- **Personal exemption and credits:** The annual increase to the personal exemption and credits used in calculating the tax for individuals whose filing status is single has been delayed by two years. The personal exemptions and credits for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- **Property tax credit limitation:** The annual increase to the property tax credit limitation thresholds for individuals whose filing status is single has been delayed two years. The property tax credit limitation amounts in effect for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- **Index:** This booklet no longer contains a table of contents; see the inside back cover for an index. We hope you find this format more user-friendly and would appreciate your comments and feedback on the *Taxpayer Questionnaire* you will find on Page 18.

Forms are also available during regular business hours at any of the DRS walk-in offices and the other sources listed on the back cover of this booklet, and at most public libraries, town halls, and post offices during the tax filing season.

Important Reminders

- **•** You **must** use blue or black ink only to complete your return.
- □ Send all **three** pages of your return.
- Be sure you have received all your federal Forms W-2, W-2G, and 1099 before filing your Connecticut income tax return. Generally, you will receive these forms on or before January 31. If you receive an additional federal Form W-2, W-2G, or 1099 after filing your Connecticut income tax return, you may be required to file **Form CT-1040X**. See *Amended Returns* on Page 17.
- □ **Do not send forms W-2, W-2G, or 1099** with your 2006 Connecticut income tax return. To avoid significant delays in processing your return, complete Columns A, B, and C of Section 3 of your return. Failure to complete all columns will result in the disallowance of Connecticut withholding.
- □ File the correct form. Most taxpayers qualify to electronically file their Connecticut income tax return or file Form CT-1040EZ, *Connecticut Resident EZ Income Tax Return.* (See *May I File My Connecticut Income Tax Return Over the Internet* and *May I File Form CT-1040EZ* on Page 6.)
- □ Use the preprinted peel-off label. The preprinted label **does not** include your Social Security Number (SSN). Therefore, you **must** enter your SSN and the SSN for your spouse (if filing a joint return) in the spaces above your name(s) on the return. Do not place the label over your SSN(s). If you did not receive a tax return package with a label, enter your name(s) and mailing address in the spaces provided at the top of your return.
- □ Check the correct filing status on your return.
- □ Round all figures to the nearest whole dollar. See *Rounding Off to Whole Dollars* on Page 8.
- □ Sign your return. If you and your spouse are filing jointly, both of you must sign.
- □ Have your paid preparer sign the return and enter the firm's Federal Employer Identification Number (FEIN) in the space provided.
- □ Be sure both you and your spouse file your income tax returns at the same time if you filed joint estimated tax payments but elect to file separate income tax returns. No refund will be processed until both Connecticut returns are received.
- □ Use the correct DRS mailing label on the envelope when filing your return. One label is for refunds and all other tax forms without payment. The other label is for all tax forms with payment.
- □ Check the box on the front of your Connecticut return if you are filing Form CT-8379, *Nonobligated Spouse Claim*.
- □ If you are an executor, administrator, or spouse filing a return for a deceased taxpayer, check the box next to the deceased taxpayer's SSN.
- □ If you receive federally taxable Social Security benefits, you **must file Form CT-1040**.

Who Must File a Connecticut Resident Return

You must file a Connecticut resident income tax return if you were a resident for the entire year **and** any of the following is true for the 2006 taxable year:

- You had Connecticut income tax withheld;
- You made estimated tax payments to Connecticut;

- You meet the Gross Income Test; or
- You had a federal alternative minimum tax liability.

If none of the above apply, do not file a Connecticut resident income tax return.

Gross Income Test

You must file a Connecticut income tax return if your gross income for the 2006 taxable year exceeds:

- \$12,000 and you will file as married filing separately or civil union filing separately;
- \$12,625 and you will file as single;
- \$19,000 and you will file as head of household; or
- \$24,000 and you will file as married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child.

Gross income means all income you received in the form of money, goods, property, and services that is not exempt from federal income tax **and** any additions to income required to be reported on Form CT-1040, *Schedule 1*.

Gross income includes, but is not limited to:

- Compensation for services, including wages, fees, commissions, taxable fringe benefits, and similar items;
- Gross income from a business;
- Capital gains;
- Interest and dividends;
- Gross rental income;
- Gambling winnings;
- Alimony;
- Taxable pensions and annuities;
- Prizes and awards;
- Your share of income from partnerships, S corporations, estates, or trusts;
- IRA distributions;
- Unemployment compensation;
- Federally taxable Social Security benefits; and
- Federally taxable disability benefits.

The following examples explain the gross income test for a Connecticut resident:

Example 1: Your only income is from a sole proprietorship and you file federal Form 1040 reporting the following on Schedule C:

Gross Income	\$100,000
Expenses	(\$92,000)
Net Income	\$8,000

Because the **gross income** of \$100,000 exceeds the minimum requirement, you must file a Connecticut income tax return.

Example 2: You received \$8,000 in federally nontaxable Social Security benefits and \$11,000 in interest income. Since nontaxable Social Security benefits are not included in gross income, you do not have to file a Connecticut return unless Connecticut tax was withheld or estimated tax payments were made.

Resident, Part-Year Resident, or Nonresident

The following terms are used in this section:

Domicile (permanent legal residence) is the place you intend to have as your permanent home. It is the place you intend to return to whenever you are away. You can have only one domicile although you may have more than one place to live. Your domicile does not change until you move to a new location and definitely intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

Permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether or not you own it, and generally includes a residence owned by or leased to your spouse. A place of abode is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

You are a **resident** for the 2006 taxable year if:

- Connecticut was your domicile (permanent legal residence) for the entire 2006 taxable year; or
- You maintained a permanent place of abode in Connecticut during the entire 2006 taxable year **and** spent a total of more than 183 days in Connecticut during the 2006 taxable year.

Nonresident aliens who meet either of the above conditions are considered Connecticut residents even if federal Form 1040NR-EZ or federal Form 1040NR is filed for federal income tax purposes. See also *Spouses With Different Residency Status* on Page 8 and *Special Information for Nonresident Aliens* on Page 13.

If you are a resident and you meet the requirements for *Who Must File a Connecticut Resident Return* for the 2006 taxable year, you must file **Form CT-1040EZ** or **Form CT-1040**.

You are a **part-year resident** for the 2006 taxable year if you changed your permanent legal residence by moving into or out of Connecticut during the 2006 taxable year. If you are a part-year resident, you may not elect to be treated as a resident individual.

You are a **nonresident** for the 2006 taxable year if you are neither a resident nor a part-year resident for the 2006 taxable year.

If you are a part-year resident or nonresident, see *Who Must File Form CT-1040NR/PY* and *Resident, Part-Year Resident, or Nonresident* in the instruction booklet for **Form CT-1040NR/PY**.

Although you and your spouse file jointly for federal purposes, you may be required to file separate Connecticut returns. See *Spouses With Different Residency Status* on Page 8.

If you **meet all of the conditions** in Group A or Group B, you may be treated as a nonresident for 2006 even if your domicile was Connecticut.

Group A

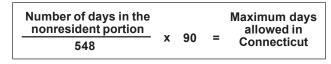

- 1. You did not maintain a permanent place of abode in Connecticut for the entire 2006 taxable year;
- 2. You maintained a permanent place of abode outside of Connecticut for the entire 2006 taxable year; and
- 3. You spent not more than 30 days in the aggregate in Connecticut during the 2006 taxable year.

Group B

- 1. You were in a foreign country for at least 450 days during any period of 548 consecutive days;
- 2. During this period of 548 consecutive days, you did not spend more than 90 days in Connecticut and you did not maintain a

permanent place of abode in Connecticut at which your spouse (unless legally separated) or minor children spent more than 90 days; **and**

3. During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in Connecticut for no more than the number of days that bears the same ratio to 90 as the number of days in the portion of the taxable year bears to 548. See the following calculation:

See **Special Notice 2000(17)**, 2000 Legislation Affecting the Connecticut Income Tax.

Military Personnel Filing Requirements

Military personnel who claim Connecticut as a residence but are stationed elsewhere are subject to Connecticut income tax. If you enlisted in the service as a Connecticut resident and have not established a new domicile (permanent legal residence) elsewhere, you are required to file a resident income tax return unless you meet all of the conditions in Group A or Group B for being treated as a nonresident. See *Resident, Part-Year Resident, or Nonresident* on this page.

If your permanent home (domicile) was outside Connecticut when you entered the military, you do not become a Connecticut resident because you are stationed and live in Connecticut. As a nonresident, your military pay is not subject to Connecticut income tax. However, income you receive from Connecticut sources while you are a nonresident (including your spouse's nonmilitary income) may be subject to Connecticut income tax. (See instructions for a Connecticut nonresident contained in the instruction booklet for Form CT-1040NR/PY.)

Example: Lisa is a resident of Florida. She enlisted in the Navy in Florida and was stationed in Groton, Connecticut. She earned \$38,000 in military pay.

If Lisa had no other income ...

Since Lisa resided and enlisted in Florida, she is considered a resident of Florida and does not have to file a Connecticut return. Military personnel are residents of the state in which they resided when they enlisted.

If Lisa had a part-time job in Connecticut ...

Her Connecticut source income from nonmilitary employment is taxable. Lisa must file Form CT-1040NR/PY to report this income.

Spouses of military personnel who are stationed in Connecticut may be considered residents of this state even if their domicile is elsewhere. See *Resident, Part-Year Resident, or Nonresident* on this page. Also see **Informational Publication 2006(23)**, *Connecticut Income Tax Information for Military Personnel and Veterans*.

Combat Zone

The income tax return of any individual in the U.S. Armed Forces serving in a combat zone or injured and hospitalized while serving in a combat zone is due 180 days after returning. There will be no penalty or interest charged. For any individual who dies while on active duty in a combat zone or as a result of injuries received in a

combat zone, no income tax or return is due for the year of death. If any tax was previously paid for the year of death, the tax will be refunded to the legal representative of the estate or to the surviving spouse upon the filing of a return on behalf of the decedent. In filing the return on behalf of the decedent, the legal representative or the surviving spouse should enter zero tax due and attach a statement to the return along with a copy of the death certificate.

Combat zone is an area designated by the President of the United States as a combat zone by executive order. A combat zone also includes an area designated by the federal government as a *qualified hazardous duty area*.

Members of the U.S. Armed Forces serving in military operations in the Kosovo, Afghanistan, or Arabian Peninsula regions are also eligible for the 180-day extension allowed to individuals serving in a combat zone. Spouses of military personnel and civilians supporting the military in these regions who are away from their permanent duty stations but are not within the designated combat zone are also eligible for the extension. Individuals requesting an extension under combat zone provisions should print both the name of the combat zone and the operation they served with at the top of their Connecticut return. This is the same combat zone or operation name provided on their federal income tax return.

May I File My Connecticut Income Tax Return Over the Internet

Most Connecticut residents may use the DRS Taxpayer Service Center (*TSC*) to file their Connecticut income tax return. For more information about the new *TSC*, see Page 2.

If you are filing your return after the due date and you want to pay interest and penalty with your return, you **must** file Form CT-1040. However, if you file Form CT-1040EZ, DRS will bill you for outstanding penalty and interest.

If you are a resident and your spouse is a part-year resident or nonresident and you file a joint federal income tax return, you may not be eligible to file a joint Form CT-1040EZ. See *Spouses With Different Residency Status* on Page 8.

Connecticut Adjusted Gross Income for Completing Form CT-1040EZ

Connecticut adjusted gross income is your federal adjusted gross income as reported on federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4; minus any taxable refund of state and local income taxes reported on federal Form 1040, Line 10.

Modifications to Federal Adjusted Gross Income

If you have any of the following modifications, you **must** file **Form CT-1040**:

Additions

- Interest on state and local government obligations other than Connecticut;
- Exempt-interest dividends from a mutual fund derived from state or municipal government obligations other than Connecticut;
- Taxable amount of lump-sum distributions from qualified plans not included in federal adjusted gross income;
- Beneficiary's share of Connecticut fiduciary adjustment;
- Loss on sale of Connecticut state and local government bonds;

- Exempt dividends from certain qualifying mutual funds derived from U.S. government obligations;
- Tier 1 and Tier 2 railroad retirement benefits and supplemental annuities;
- Special depreciation allowance for qualified property placed in service during preceding year(s);
- Beneficiary's share of Connecticut fiduciary adjustment;
- Gain on sale of Connecticut state and local government bonds;
- Distributions to a designated beneficiary from CHET;

- Interest earned on funds deposited in a Connecticut individual development account to the extent included in federal adjusted gross income; **or**
- Income or gain of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of the tribe or any income or gain of an enrolled member of the Mohegan Tribe who resides in Indian country of the tribe where the income or gain is derived from or connected with Indian country of the tribe.

Taxable Year and Method of Accounting

You must use the same taxable year for Connecticut income tax purposes that you use for federal income tax purposes. Most individuals use the calendar year as their taxable year for federal income tax purposes. However, if the calendar year is not your taxable year for federal income tax purposes, references in this booklet to 2006 are references to your taxable year beginning during 2006.

You must use the same method of accounting for Connecticut income tax purposes that you use for federal income tax purposes.

If your taxable year or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

When to File

Your Connecticut income tax return is due on or before April 15, 2007. If you are not a calendar year filer, your return is due on or before the fifteenth day of the fourth month following the close of your taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Your return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

This list is subject to change. See **Policy Statement 2005(4)**, *Designated Private Delivery Services and Designated Types of Service*.

Completing Form CT-1040EZ

Before you begin, gather all your records including your federal W-2s (Wages), W-2Gs (Winnings), 1099-Rs (Pensions), and other 1099 forms. Use this information to complete your federal income tax return. The information on your federal return is needed to complete your Connecticut return.

1 Taxpayer Information

Filing Status

Check the appropriate box to indicate your filing status. You may check only one box. Except as otherwise noted, any reference in these instructions to a spouse also refer to a party to a civil union recognized under Connecticut law. See *What's New* on Page 3.

Generally, your filing status for Connecticut income tax purposes must match your federal income tax filing status for the year. However, if you are a civil union partner, your filing status for Connecticut income tax purposes will not match your federal income tax filing status for the year. If your filing status is qualifying widow(er) with dependent child on federal From 1040 or 1040A, check the box on Form CT-1040EZ, for "Qualifying widow(er) with dependent child." **Do not enter** your deceased spouse's name or SSN in the spaces provided for spouse's name and spouse's SSN.

When one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately.

When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately. Married couples may elect to be treated as if both were Connecticut residents for the entire taxable year with married filing jointly as their Connecticut income tax filing status for the year, provided their federal income tax filing status for the year is married filing jointly. Civil union partners may elect to be treated as if both were Connecticut residents for the entire taxable year simply by filing a Connecticut income tax return with civil union filing jointly as their Connecticut income tax filing status for the year. For more information, see *Spouses With Different Residency Status* below.

Spouses With Different Residency Status

When one spouse is a Connecticut **resident** or a **nonresident** and the other spouse is a **part-year resident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately.

When one spouse is a Connecticut **resident** and the other spouse is a **nonresident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately **unless**:

- They file jointly for federal income tax purposes (This requirement does not apply to civil union partners.); and
- They elect to be treated as if both were Connecticut residents for the entire taxable year.

When one spouse is a **nonresident alien** and the other spouse is a **citizen** or **resident** of the United States, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately unless:

- An election is made by the nonresident alien and his or her spouse to file a joint federal income tax return, and they do, in fact, file a joint federal income tax return (This requirement does not apply to civil union partners.); **and**
- The spouses are otherwise required or permitted to file a joint Connecticut income tax return.

The election to file a joint return means the joint federal adjusted gross income **must** be used on **Form CT-1040EZ**, Line 1. (Civil union partners will have to recalculate their federal adjusted gross income as if, for federal tax purposes, they were allowed and would have elected to file as married filing jointly for federal income tax purposes.) It also means the spouse who might not otherwise be required to file a Connecticut income tax return will now be jointly and severally liable for any tax liability associated with the filing of a joint Connecticut income tax return.

If you are filing a joint federal return with your spouse but are required to file a separate Connecticut return, each of you will have to recompute your federal adjusted gross income as if you were each filing as married filing separately for federal income tax purposes. Enter on Form CT-1040EZ, Line 1, your income as recalculated. (This provision does not apply to civil union partners.)

Social Security Number

The preprinted label **does not** include your Social Security Number (SSN). Therefore, you **must** write your SSN in the space provided above your name. If you file a joint return, enter your SSN and your spouse's SSN in the order they appear on your federal return. If you are a nonresident alien and do not have an SSN, enter your Individual Taxpayer Identification Number (ITIN) in the space provided above your name. Nonresident aliens who have applied for an ITIN from the Internal Revenue Service by filing federal Form W-7 but have not received the ITIN before filing their Connecticut tax return must attach a copy of the federal Form W-7 and write "ITIN applied for/W-7 attached" in the SSN box on the Connecticut return. If the taxpayer is deceased, see *Deceased Taxpayers* on Page 13.

Name and Address

Be sure the information on the label is correct. Do not use this label if any of the information is incorrect. Print or type the correct information in the name and address spaces on your return. If there is no preprinted label, print or type the information requested in the spaces provided at the top of Form CT-1040EZ.

If your return is being completed by someone else, take your booklet to your tax preparer so that the preparer can attach the label to your return.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total. If you do not round to whole dollars, DRS will disregard the cents.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

2 Calculate Your Tax

Line 1 - Federal Adjusted Gross Income

Enter your federal adjusted gross income from your 2006 federal income tax return. This is the amount reported on federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4.

Line 2 - Refunds of State and Local Income Taxes

Enter the amount of taxable refunds of state and local income taxes you reported on your federal Form 1040, Line 10. If Line 10 of your federal Form 1040 is blank, or if you filed federal Form 1040A or federal Form 1040EZ, enter "0."

Line 3 - Connecticut Adjusted Gross Income

Subtract Line 2 from Line 1 and enter the result on Line 3. This is your Connecticut adjusted gross income.

Line 4 - Income Tax

For each filing status, if the amount on Line 3 is: \$12,000 or less for married filing separately or civil union filing separately; \$12,625 or less for single; \$19,000 or less for head of household; or \$24,000 or less for married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child, enter "0" on Line 4 and Line 6. You do not owe any income tax. Otherwise, calculate your tax using one of the following methods:

Tax Tables - If your Connecticut adjusted gross income is less than or equal to \$102,000, you may use the *Tax Tables* on Page 19 to find your tax. Be sure to use the correct column in the *Tax Tables*. After you have found the correct tax, enter that amount on Line 4.

Tax Calculation Schedule - You **must** use the *Tax Calculation Schedule* to figure your tax if your Connecticut adjusted gross income is more than \$102,000. You may also use the *Tax Calculation Schedule* if your Connecticut adjusted gross income is less than or equal to \$102,000. This schedule is found at the end of the tax tables or visit **www.ct.gov/DRS** to use the Income Tax Calculator on the DRS Web site.

Line 5 - Credit for Property Taxes Paid on Your Primary Residence or Motor Vehicle, or Both

If the amount on Line 4 is zero, skip Line 5 and go to Line 6. Otherwise, you **must** complete *Schedule 1EZ* on Page 3 of **Form CT-1040EZ** to be allowed this credit. Enter the amount from Line 27 on Line 5. Be certain to include all of the requested information or your credit may be denied. See *Schedule 1EZ - Credit for Property Taxes Paid on Your Primary Residence or Motor Vehicle, or Both* on Page 11.

The credit is limited to the lesser of \$500 or the amount of qualifying property taxes paid. The maximum property tax credit allowed is **\$500** per return regardless of filing status. See the *Property Tax Credit Table* on Page 32. This credit may be used to offset your 2006 income tax only. You may not carry this credit forward and it is not refundable.

Line 6 - Connecticut Income Tax

Subtract Line 5 from Line 4. Enter the result on Line 6. If less than zero, enter "0."

Line 7 - Individual Use Tax

Complete *Schedule 2EZ* on Page 3 of **Form CT-1040EZ**. See *Schedule 2EZ - Individual Use Tax* on Page 12. Enter on Line 7 the total use tax due as reported on *Schedule 2EZ*, Line 28. You **must** enter "0" if no Connecticut use tax is due; otherwise you will not have filed a use tax return.

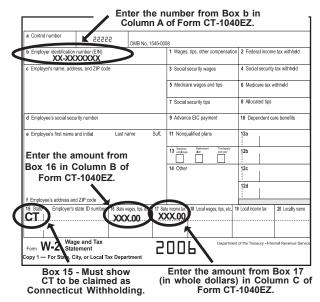

Line 8 - Total Tax

Add Line 6 and Line 7. Enter the total on Line 8.

3 Payments

Line 10 - Connecticut Tax Withheld

For each federal Form W-2, W-2G, or 1099, where Connecticut income tax was withheld, enter the following on Lines 10a through 10g:

Column A: Enter the Employer Identification Number.

Column B: Enter the amount of Connecticut wages, tips, etc.

Column C: Enter the amount of Connecticut income tax withheld.

Do **not** include tax withheld for other states or federal income tax withholding.

You must complete all columns or your Connecticut withholding will be disallowed.

If you have **more than seven** federal Forms W-2, W-2G, or 1099 showing Connecticut income tax withheld, you must complete **Supplemental Schedule CT-1040WH**, *Connecticut Income Tax Withholding* (located in booklet). Enter on Supplemental Schedule CT-1040WH only Connecticut income tax withholding amounts not previously reported on **Form CT-1040EZ**. Enter the total from Supplemental Schedule CT-1040WH, Line 3, on the last line of Column C, Line 10h.

Add all entries in Column C (including the additional amount from Supplemental Schedule CT-1040WH) and enter the total Connecticut income tax withheld on Line 10.

Do not send copies of W-2, W-2G, and 1099 forms. Keep these forms for your records. They may be requested by DRS at a later date.

When filing **Form CT-8379**, *Nonobliated Spouse Claim*, attach all W-2, W-2G, and 1099 forms showing Connecticut income tax withheld.

Line 11 - All 2006 Estimated Tax Payments

Enter on Line 11 the total of all Connecticut estimated tax payments, advance tax payments, and any overpayments of Connecticut income tax applied from a prior year. Be sure to include any 2006 estimated payments made in 2007. **Do not** include any refunds received.

Line 12 - Payments Made With Form CT-1040 EXT

If you filed **Form CT-1040 EXT**, *Application for Extension of Time to File*, enter on Line 12 the amount you paid with that form.

Line 13 - Total Payments

Add Lines 10, 11, and 12. Enter the total on Line 13. This represents the total of all Connecticut tax payments made.

4 Refund

Line 14 - Overpayment

If Line 13 is greater than Line 9, subtract Line 9 from Line 13 and enter the result on Line 14. To properly allocate your overpayment, go to Lines 15, 16, and 17.

Line 15 - Amount of Line 14 You Want Applied to Your 2007 Estimated Tax

Enter the amount of your 2006 overpayment you want applied to your 2007 estimated Connecticut income tax. It will be treated as estimated tax paid on April 15, 2007, if your return is filed on time or if you filed a timely request for extension and your return is filed within the extension period. Payments received after April 15, 2007, will be applied as of the date of receipt. **Your request to apply this amount to your 2007 estimated income tax is irrevocable**.

Line 16 - Total Contributions to Designated Charities

You may make a contribution on this return only if you are entitled to a refund. Your contribution is limited to your refund amount. Complete *Schedule 3EZ* on Page 3 of Form CT-1040EZ. Enter on Line 16 the total contributions as reported on *Schedule 3EZ*, Line 29. **Your contribution is irrevocable.** You may also make direct contributions by following the instructions on Page 16.

Line 17 - Refund

Subtract the total of Line 15 and Line 16 from Line 14. Enter the result on Line 17. This is your refund. Be sure to affix the **refund label** to the envelope when mailing your return.

Get your refund faster by choosing **direct deposit**. Complete Lines 17a, 17b, and 17c to have your refund directly deposited into your checking or savings account.

Enter your nine-digit bank routing number and your bank account number in Lines 17b and 17c. Your bank routing number is the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as part of your account number. Bank account numbers can be up to 17 digits and must be numeric.

If any of the bank information you supply for direct deposit does not match, a paper check will automatically be issued to you. Some financial institutions do not allow a joint refund to be deposited into an individual account.

Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you.

5 Amount You Owe

Line 18 - Total Amount Due

If Line 9 is more than Line 13, subtract Line 13 from Line 9. This is the total amount of tax you owe. Pay the amount in full with your return. If the amount you owe is \$1,000 or more, you may be subject to interest on the underpayment of estimated income tax. See *Filing Form CT-2210* on Page 15.

Payment Options Pay Electronically

You can authorize DRS to transfer funds from your bank account (checking or savings) to a DRS account by entering your bank account number and your bank routing transit number. You can file your return any time before the due date and designate the amount of payment and date of transfer. Your bank account will be debited on the date you indicate. You must pay the balance due on or before the due date (April 16, 2007), to avoid penalty and interest. Visit the DRS Taxpayer Service Center (*TSC*) at www.ct.gov/DRS and follow the prompts to make a direct payment.

Pay by Credit Card

If you filed a 2005 Connecticut income tax return, you may elect to pay your 2006 Connecticut income tax liability using your American Express[®] card, Discover[®] card, MasterCard[®] card, or VISA[®] card. A convenience fee will be charged by the credit card service provider. The fee is 2.49% of your total tax payment. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

Cards

- Call Official Payments Corporation toll-free at **1-800-2PAY-TAX** (1-800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777; or
- Visit: www.officialpayments.com and select Payment Center.

Your payment will be effective on the date you make the charge.

Pay by Mail

Make your check or money order payable to **Commissioner of Revenue Services**. To ensure proper posting of your payment, write "2006 Form CT-1040EZ" and your SSN(s) (optional) on the front of your check or money order in the lower left corner. Be sure to sign your check and paper clip it to the front of your return. **Do not send cash.** DRS may submit your check to your bank electronically. **Failure to file** or **failure to pay** the proper amount of tax when due **will result in penalty and interest charges**. It is to your advantage to file when your return is due whether or not you are able to make full payment.

6 Sign Your Return

After completing your **Form CT-1040EZ**, sign your name and write the date you signed the return. Your spouse must also sign and enter the date if this is a joint return. The signature line is located on Page 2 of Form CT-1040EZ.

If you file a joint return, you **must** review the information with your spouse. When you and your spouse sign the return, you become jointly and severally responsible for paying the full amount of tax, interest, and penalties due.

Paid Preparer Signature

Anyone you pay to prepare your return must sign and date it. Paid preparers must also enter their Social Security Number (SSN) or Preparer Tax Identification Number (PTIN), and their firm's Federal Employer Identification Number (FEIN) in the spaces provided.

Third Party Designee

If you wish to authorize DRS to contact a friend, family member, or any other person to discuss your 2006 tax return, enter the designee's name, telephone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you want to authorize DRS to contact the paid preparer who signed your return, enter "Preparer" in the space for the designee's name. You do not have to provide the other information requested.

If you enter a designee's name, you and your spouse (if filing a joint return) are authorizing DRS to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give DRS any information missing from your return;
- Call DRS for information about the processing of your return or the status of your refund or payment; **and**
- Respond to certain DRS notices you have shared with the designee about math errors, offsets, and return preparation. Notices will not be sent to the designee.

Once DRS completes processing the return, the authorization ends. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2007 tax return. This is April 15, 2008, for most taxpayers.

Selecting a designee does not replace a power of attorney and will not authorize the designee to receive refund checks, bind you to anything (including additional tax liabilities), or represent you before DRS. To authorize another individual to represent you or act on your behalf, you must complete **Form LGL-001**, *Power of Attorney*.

Attach Your Label

Remove the preprinted peel-off label on the back cover of this booklet and place it over the name and address spaces of your return. The preprinted label **does not** include your SSN(s). Therefore, you **must** write your SSN(s) in the spaces provided above your name(s). Do not place the label over your SSN(s).

Order of Attachments

Paper clip your check or money order in payment of the tax due to the **front** of the income tax form in the appropriate area marked "**Clip check or money order here**."

In addition, if you must file any of the following forms, attach the form(s) to the **front** of your income tax return in the following order:

- Form CT-19IT, Title 19 Status Release Form
- Form CT-1127, Application for Extension of Time for Payment of Income Tax
- Form CT-8379, *Nonobligated Spouse Claim* (with copies of W-2s)

Attach other required forms and schedules (including **Supplemental Schedule CT-1040WH**, *Connecticut Income Tax Withholding*) to the **back** of your return or as directed on the form.

Filing Your Return

Keep a copy of this return and all attachments for your records. You may need information from it when you file next year's return, make estimated tax payments, or respond to a question from DRS. Attach to this return any required schedules and forms. Do **not** attach copies of your federal income tax return or federal schedules.

- 1. Remove both labels from the envelope flap along the perforation.
- 2. Choose the correct label for your return, moisten and place it on the return envelope.
- 3. Affix the correct postage to the envelope.

Do **not** use these mailing labels to send other correspondence to DRS. Using these labels for other purposes will delay our response to you.

Schedule 1EZ - Credit for Property Taxes Paid on Your Primary Residence or Motor Vehicle, or Both

Connecticut residents **must** complete *Schedule 1EZ* to determine the amount of credit (if any) that may be taken against a Connecticut income tax liability. The credit is for property taxes paid during 2006 to a Connecticut political subdivision on a primary residence or privately owned or leased motor vehicle, or both. If you entered zero on **Form CT-1040EZ**, Line 4, **do not** complete this schedule.

See Informational Publication 2006(16), Q & A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision.

Which Property Tax Bills Qualify

You may take credit against your 2006 Connecticut income tax liability for property tax payments you made on your primary residence and privately owned or leased motor vehicle to a Connecticut political subdivision. Generally, property tax bills due and paid during 2006 qualify for this credit. This includes any installment payments you made during 2006 that were due in 2006 and any installments you prepaid during 2006 that were due in 2007. Supplemental property tax bills due during 2006 or 2007 also qualify if paid during 2006. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit.

A husband and wife who file a joint Connecticut income tax return may consider property tax bills for which the husband or wife, or both, are liable.

You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year and the property tax became due and was paid during 2006 (either by the leasing company or by you). Refer to your January 2007 billing statement from the leasing company to determine the amount of property taxes that may be eligible for the credit. Your statement will either indicate the amount of property taxes paid on your leased motor vehicle or provide you with a toll-free number you may call to obtain the necessary information. If you do not receive a billing statement in January 2007, contact your leasing company for the appropriate property tax information. **Example 1:** Ernie received a property tax bill for a motor vehicle listed on his town's October 1, 2004, grand list. The bill was payable in two installments: July 1, 2005, and January 1, 2006. If Ernie paid the January 1, 2006, installment during 2006, he would be eligible to claim it on his 2006 income tax return, but if he prepaid it during 2005, he would not be eligible to take credit for it on his 2006 return, but he may have been eligible to take credit for it on his 2005 return.

Example 2: Isabelle received a property tax bill for a motor vehicle listed on her town's October 1, 2005, grand list. The bill was payable in two installments: July 1, 2006, and January 1, 2007. Isabelle is eligible to take credit for both installments on her 2006 income tax return, if she paid both installments during 2006. If Isabelle waited until January 1, 2007, to pay her second installment, she would not be eligible to take credit on her 2006 return for this installment, but she may be eligible to take credit for it on her 2007 return.

Maximum Credit Allowed

The **maximum** credit allowed for 2006 (on your primary residence and motor vehicle) is **\$500** per return regardless of filing status. The maximum property tax credit cannot exceed the amount of qualifying property taxes paid or the amount of tax entered on Form CT-1040EZ, Line 4, and is phased out depending upon a taxpayer's adjusted gross income. To be allowed this credit, you must complete *Schedule 1EZ* in its entirety.

Motor Vehicle Credit Restrictions

The number of motor vehicles eligible for this credit depends on your filing status as shown on the front of your Connecticut income tax return. Any individual whose filing status is single, married filing separately, civil union filing separately, or head of household is limited to the property tax paid on **one** motor vehicle even if the individual sells a motor vehicle and purchases a replacement motor vehicle during the taxable year and only owns one motor vehicle at any time during the taxable year. Individuals whose filing status is married filing jointly, civil union filing jointly, or qualifying widow(er) are limited to the property taxes paid on **two** motor vehicles.

Schedule 2EZ – Individual Use Tax

In general, goods or services purchased out-of-state and subject to the Connecticut sales tax if those goods or services are purchased from a Connecticut retailer are subject to the Connecticut use tax. Generally, individuals who purchased goods from mail order or catalog companies and had those goods shipped to Connecticut, and individuals who purchased goods at out-of-state locations and brought those goods back into Connecticut, are subject to the Connecticut use tax if they did not pay Connecticut sales tax. Complete *Schedule 2EZ - Individual Use Tax* on Page 3 of Form CT-1040EZ, to calculate your use tax liability.

List separately any individual item with a purchase price of **\$300** or more. Although you do not need to list separately any individual item with a purchase price of **less than \$300**, the items are subject to tax and the total of the purchase price of these items should be reported. Multiply the sales and use tax rate of 6% (.06) by the purchase price of the item and enter the result. Enter the total tax for all taxable purchases on *Schedule 2EZ*, Line 28, and Form CT-1040EZ, Line 7.

See Informational Publication 2005(17), *Q&A* on the Connecticut Individual Use Tax.

If you require additional lines, you should create an identical schedule and attach it to the back of your Form CT-1040EZ.

Enter only those purchases subject to use tax that you have not previously reported on **Form OP-186**.

You must enter "0" on Line 7 of Form CT-1040EZ if no Connecticut use tax is due. If you do not make an entry on Line 7, you will not have filed a use tax return.

Line 28

Complete *Schedule 2EZ - Individual Use Tax* and enter the total use tax due on Line 28 and on Form CT-1040EZ, Line 7.

General Information

Recordkeeping

Keep a copy of your tax return, worksheets you used, and records of all items appearing on the return (such as W-2 and 1099 forms) until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

Copies of Returns

You may request a copy of a previously-filed Connecticut income tax return from DRS by completing **Form LGL-002**, *Request for Disclosure of Tax Return or Tax Return Information*. You can usually expect your copy in three weeks.

Refund Information

If you have a touch-tone phone, you may check on the status of your refund anyime by calling **1-800-382-9463** (Connecticut calls outside the Greater Hartford calling area only) or **860-297-5962** (from anywhere). Be ready to provide your SSN (and your spouse's, if filing jointly) and the exact amount of the refund you requested.

If you *Telefile* or electronically file your return, you will be issued your refund in four days unless additional review is required. If you send your return by mail, you should allow eight to ten weeks before calling to check on the status of your refund. If DRS does not issue your refund on or before the ninetieth day after we receive your claim for refund, you may be entitled to interest on your overpayment at the rate of 2/3% for each month or fraction of a month between the ninetieth day following receipt of your claim for a refund or the due date of your return, whichever is later, and the date of notice your refund is due.

Claiming a Refund for a Deceased Taxpayer

If you are a surviving spouse filing jointly with your deceased spouse, you may claim a refund on the jointly-filed return. If you are a courtappointed representative, file the return **and** attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer.

Income received by the estate of the decedent for the portion of the year after the decedent's death, and for succeeding taxable years until the estate is closed, must be reported each year on Form **CT-1041**, *Connecticut Income Tax Return for Trusts and Estates*.

Offset Against Debts

If you are due a refund, all or part of your overpayment may be used to pay outstanding debts or taxes. Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you. If your refund is reduced, you will be mailed an explanation for the reduction.

Nonobligated Spouse

When a joint return is filed and only one spouse owes past-due child support or a debt to any Connecticut state agency, the spouse who is not obligated may be eligible to claim a share of a joint income tax refund. A nonobligated spouse who received income in 2006 and who made Connecticut income tax payments (withholding or estimates) for the 2006 taxable year may be eligible to claim his or her share of any refund if:

- A joint Connecticut tax return was filed for 2006; and
- An overpayment of tax was made.

If you are a nonobligated spouse, you may claim your share of a joint refund by filing **Form CT-8379**, *Nonobligated Spouse Claim*.

When filing Form CT-8379, attach all W-2 and 1099 forms showing Connecticut income tax withheld. Remember to check the box on the front of your Connecticut income tax return and attach Form CT-8379 to the front of your return.

Do **not** use Form CT-8379 to claim your share of a Connecticut refund that was applied to federal taxes you owe to the IRS. You must contact the IRS Office of the Local Taxpayer Advocate in Hartford, Connecticut, at 860-756-4555.

Title 19 Recipients

Title 19 recipients must file a Connecticut income tax return if the requirements for *Who Must File a Connecticut Resident Return* are met.

However, if you do not have funds to pay your Connecticut income tax, complete **Form CT-19IT**, *Title 19 Status Release*, and attach it to the **front** of your Connecticut income tax return if the following two conditions apply:

- You were a Title 19 recipient; and
- Medicaid assisted in the payment of your long-term care in a nursing or convalescent home.

By completing this form, you authorize DRS to verify your Title 19 status for 2006 with the Department of Social Services.

Special Information for Nonresident Aliens

A nonresident alien must file a Connecticut income tax return if he or she meets the requirements of *Who Must File a Connecticut Resident Return*. In determining whether the gross income test is met, the nonresident alien must take into account any income not subject to federal income tax under an income tax treaty between the United States and the country of which the nonresident alien is a citizen or resident. Income tax treaty provisions are disregarded for Connecticut income tax purposes. Any treaty income reported on federal Form 1040NR or Form 1040NR-EZ and not subject to federal income tax must be added to the nonresident alien's federal adjusted gross income. See Form CT-1040, *Schedule 1*, Line 38, or Form CT-1040NR/PY, *Schedule 1*, Line 40.

If the nonresident alien does not have and is not eligible for an SSN, he or she must obtain an Individual Taxpayer Identification Number (ITIN) from the IRS and enter it in the space provided for an SSN.

A married nonresident alien may not file a joint Connecticut income tax return unless the nonresident alien is married to a citizen or resident of the United States and they have made an election to file a joint federal income tax return and they do, in fact, file a joint federal income tax return. Any married individual filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint federal income tax return or a joint Connecticut income tax return and must file a Connecticut income tax return as a married individual filing separately. (This provision does not apply to civil union partners.)

A civil union partner who is a nonresident alien may file a joint Connecticut income return as long as his or her civil union partner is a citizen or resident of the United States. A civil union partner filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint Connecticut income tax return and must file a Connecticut income tax return as a civil union partner filing separately.

Deceased Taxpayers

An executor, administrator, or surviving spouse must file a Connecticut income tax return, for that portion of the year before the taxpayer's death, for a taxpayer who died during the year if the requirements for *Who Must File a Connecticut Resident Return* are met. The executor, administrator, or surviving spouse must check the box next to the deceased taxpayer's SSN on the front page of the return. The person filing the return must sign for the deceased taxpayer on the signature line and indicate the date of death.

A surviving spouse may file a joint return if the surviving spouse filed a joint federal income tax return. A surviving civil union partner may file a joint return as a surviving spouse, as if federal income tax law permitted a civil union to file as a surviving spouse. Write "**Filing as surviving spouse**" in the deceased spouse's signature line on the return. If both spouses died in 2006, their legal representative must file a final return. The Connecticut and federal filing status must be the same unless the surviving spouse is a civil union partner.

Relief From Joint Liability

In general, if you and your spouse file a joint income tax return, you are both responsible for paying the full amount of tax, interest, and penalties due on your joint return. However, in very limited, specific cases, relief may be granted if you believe all or any part of the amount due should be paid only by your spouse. You may request consideration by filing **Form CT-8857**, *Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief)*. See **Special Notice 99(15)**, *Innocent Spouse Relief, Separation of Liability, and Equitable Relief*.

Extension of Time to File

To request an extension of time to file your return, you must file **Form CT-1040 EXT**, *Application for Extension of Time to File Connecticut Income Tax Return for Individuals*, and pay all the tax you expect to owe on or before the due date. Visit **www.ct.gov/DRS** to file your extension over the Internet. If you pay your expected 2006 Connecticut income tax due by credit card, you do not need to file Form CT-1040 EXT. See Form CT-1040 EXT included in this booklet.

Form CT-1040 EXT extends only the time to file your return; it does not extend the time to pay your tax due. See *Interest and Penalties* on Page 15 if you do not pay all the tax due with your extension request.

If you **do not expect to owe** additional Connecticut income tax for the 2006 taxable year, after taking into account any Connecticut income tax withheld from your wages or any estimated Connecticut income tax payments you have made, or both, and you have requested an extension of time to file your 2006 federal income tax return, you are **not required** to file Form CT-1040 EXT. Keep a copy of your federal Form 4868 for your records.

U.S. Citizens Living Abroad

If you are a U.S. citizen or resident living outside the United States and Puerto Rico, or if you are in the armed forces of the United States serving outside the United States and Puerto Rico, and are unable to file a Connecticut income tax return on time, you must file **Form CT-1040 EXT**. You must also pay the amount of tax due on or before the original due date of the return.

Include a statement with Form CT-1040 EXT that you are a U.S. citizen or resident living outside the United States and Puerto Rico, or in the armed forces of the United States serving outside the United States and Puerto Rico, and that you qualify for a federal automatic extension. If your application is approved, the due date will be extended for six months. If you are still unable to file your return and you were granted an additional extension of time to file for federal purposes, you may file your Connecticut return using the federal extension due date. A copy of the federal Form 2350 approval notice must be attached to the front of your Connecticut return.

Extension of Time to Pay

You may request a six-month extension of time to pay the tax by filing Form CT-1127, *Application for Extension of Time for Payment of Income Tax*, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1040EZ or Form CT-1040 EXT and send it on or before the due date. As evidence of the need for extension, you must attach:

- An explanation of why you cannot borrow money to pay the tax due;
- A statement of your assets and liabilities; and
- An itemized list of your receipts and disbursements for the preceding three months.

If an extension of time to pay is granted and you pay all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. You should make payments as soon as possible to reduce the interest you would otherwise owe. To ensure proper posting of your payment, write "2006 Form CT-1040EZ" and your SSN(s) (optional) on the front of your check or money order. Mail payments to:

Department of Revenue Services Accounts Receivable Unit PO Box 5088 Hartford CT 06102-5088

Estimated Tax Payments

You must make estimated income tax payments if your Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more, and you expect your Connecticut income tax withheld to be less than your required annual payment for the 2007 taxable year.

Your required annual payment for the 2007 taxable year is the lesser of:

- 90% of the income tax shown on your 2007 Connecticut income tax return; or
- 100% of the income tax shown on your 2006 Connecticut income tax return if you filed a 2006 Connecticut income tax return that covered a 12-month period.

You do not have to make estimated income tax payments if:

- You were a Connecticut resident during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut source income during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut source income during the 2006 taxable year, you **must** use 90% of the income tax shown on your 2007 Connecticut income tax return as your required annual payment.

Annualized Income Installment Method

If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2006(25)**, *A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES*.

Filing Form CT-1040ES

Use **Form CT-1040ES**, *Estimated Connecticut Income Tax Payment Coupon for Individuals*, to make estimated Connecticut income tax payments for 2007. If you made estimated tax payments in 2006, you will automatically receive coupons for the 2007 taxable year in mid-January. They will be preprinted with your name, address, and SSN. To ensure your payments are properly credited, use the preprinted coupons.

2007 Estimated Tax Due Dates Due dates of installments and the amount of required payments for 2007 calendar year taxpayers are:						
April 15, 2007	25% of your required annual payment					
June 15, 2007	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)					
September 15, 2007	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)					
January 15, 2008 25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)						
An estimate is considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal						

cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

If you did not make estimated tax payments in 2006, use Form CT-1040ES, included in this booklet, to make your first estimated income tax payment. If you file this form, additional preprinted coupons will be mailed to you or you may visit the DRS Web site at **www.ct.gov/DRS** for additional forms.

You may pay your 2007 estimated Connecticut income tax payments by credit card. See Form CT-1040ES, included in this booklet.

To avoid making estimated tax payments, you may request that your employer withhold additional amounts from your wages to cover the taxes on other income. You can make this change by giving your employer a revised Form CT-W4, *Employee's Withholding Certificate*. For help in determining the correct amount of Connecticut withholding to be withheld from your wage income, see Informational Publication 2007(7), *Is My Connecticut Withholding Correct?*

Special Rules for Farmers and Fishermen

If you are a farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments, you must make **one** payment. Your payment is due on or before January 15, 2008, for the 2007 taxable year. The required installment is the lesser of $66^{2}/_{3}$ % of the income tax shown on your 2007 Connecticut income tax return or 100% of the income tax shown on your 2006 Connecticut income tax return.

A farmer or fisherman who files a 2007 Connecticut income tax return on or before March 1, 2008, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules **must** complete and attach **Form CT-2210**, Underpayment of Estimated Tax by Individuals, Trusts, and Estates, to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Be sure to check Form CT-2210, Part I, Box D, and the box for Form CT-2210 on the front of **Form CT-1040**. See **Informational Publication 2006(20)**, Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax.

Interest on Underpayment of Estimated Tax

You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the **earlier of** April 15, 2007, or the date on which the underpayment is paid.

A taxpayer who files a 2006 Connecticut income tax return on or before January 31, 2007, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for failing to make the estimated payment due January 15, 2007.

A farmer or fisherman (as defined in I.R.C. $\S6654(i)(2)$) who is required to make estimated income tax payments will not be charged interest for failing to make the estimated payment due January 15, 2007, if he or she files a 2006 Connecticut income tax return on or before March 1, 2007, and pays in full the amount computed on the return as payable on or before that date.

Filing Form CT-2210

You may be charged interest if your 2006 Connecticut income tax (after tax credits) minus Connecticut tax withheld, is \$1,000 or more. Use **Form CT-2210** to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do not file Form CT-2210 and DRS will send you a bill.

You may **not** file Form CT-1040EZ if you want to pay the interest calculated on Form CT-2210 with your income tax return. Instead, you must file Form CT-1040.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If you do not pay the tax when due, you will owe interest at 1% (.01) per month or fraction of a month until the tax is paid in full.

If you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, you may be charged interest. This is true even if you are due a refund when you file your tax return. See *Interest on Underpayment of Estimated Tax* on this page.

Interest on underpayment or late payment of tax cannot be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income or use tax is 10% (.10) of the tax due. If a request for an extension of time to file has been granted, you can avoid a penalty for failure to pay the full amount due by the original due date if you:

- Pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return; **and**
- Pay the balance due with the return on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater. If you are required to file **Form CT-1040X** and fail to do so, a penalty may be imposed.

Waiver of Penalty

You may be able to have your penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. Interest **cannot** be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests must include:

- A clear and complete written explanation;
- Your name and SSN;
- The taxable filing period;
- The name of the original form filed or billing notice received; and
- · Documentation supporting your explanation.

Attach your request to the **front** of your tax return **or** mail separately with a copy of your tax return to:

Department of Revenue Services Penalty Waiver Unit PO Box 5089 Hartford CT 06102-5089

Other Taxes You May Owe

The information that follows is a general description of other Connecticut taxes for which you may be liable. More detailed information is available by requesting the form or publication specified. Failure to pay these taxes, if you are liable for them, may subject you to civil and criminal penalties.

Connecticut Gift Tax (Form CT-706/709)

When Connecticut taxable gifts are made during a calendar year by resident or nonresident individuals, a Connecticut gift tax return is required to be filed to report the gifts even if no Connecticut gift tax is due. Connecticut taxable gifts are those gifts that (1) are taxable gifts, for federal gift tax purposes, and (2) involve gifts of Connecticut real property, gifts of tangible personal property situated within Connecticut, or gifts of intangible personal property made by Connecticut residents. Connecticut gift tax is now due when the aggregate amount of Connecticut taxable gifts made during all calendar years beginning on or after January 1, 2005, exceeds \$2 million. The donor is liable for the tax, but if the donor does not pay the tax it may be collected from the donee. Connecticut taxable gifts are reported on, and Connecticut gift tax is paid (if due) with Form CT-706/709, Connecticut Estate and Gift Tax Return. The due date of the return is April 15, for gifts made during the preceeding calendar year. See Special Notice 2005(10), 2005 Legislation Repealing the Succession Tax and Amending the Connecticut Gift Tax and the Connecticut Estate Tax.

Connecticut Income Tax Withholding by Household Employers

Connecticut rules differ from federal rules. Household employers may not report and pay household employee withholding tax with their Connecticut income tax return. See **Informational Publication 2007(1)**, *Connecticut Circular CT*.

Business Entity Tax (Form OP-424)

There is an annual business entity tax (BET) of \$250. The BET applies to each of the following domestic and foreign* entities:

- S corporation;
- Limited liability partnership;
- Limited partnership; or
- Limited liability company that, for federal income tax purposes, is either treated as a partnership (if it has more than one member) or disregarded as an entity separate from its owner (if it has one member).

* Each foreign entity that is required to register or file a certificate of authority with the Secretary of the State is liable for the business entity tax whether or not the entity has registered or filed a certificate of authority, as the case may be, with the Secretary of the State.

See **Special Notice 2006(12)**, 2006 Legislative Changes Affecting the Business Entity Tax, and **Informational Publication 2006(21)**, *Q* & A on the Business Entity Tax.

Amended Returns

Use a 2006 **Form CT-1040X**, *Amended Connecticut Income Tax Return*, to amend a previously-filed 2006 Connecticut income tax return for individuals. This form may not be used to amend any other year's return.

If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date. See *Interest and Penalties* on Page 15.

You must file Form CT-1040X in the following circumstances:

1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.
2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.
3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).	File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.
4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).	File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.
5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.

Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File Form CT-1040CRC, *Claim of Right Credit*, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(14)**, *Claims for Refund Made by Financially Disabled Individuals*.

Connecticut Taxpayer Service Center

The Department of Revenue Services is developing a new electronic services center to better serve Connecticut taxpayer needs. The **Taxpayer Service Center** (TSC) is an interactive system that will allow taxpayers to file, pay, and review their Connecticut tax account information on-line.

Soon, all DRS electronic filing systems (*WebFile*, *Fast-File*, and *Telefile*) will be accessed through *TSC*.

Most Connecticut income tax filers can file their tax returns, extensions, and estimates, at no charge, by Internet using *TSC*. For more information about *TSC*, visit the DRS Web site at www.ct.gov/DRS or see *TSC* on Page 2 of this book.
