## Schedule A

Schedule A is used to determine whether the service facility meets the employment criteria for the credit. The available percentage of the credit depends upon the number of new employees working at the facility. Complete Lines 1 through 5 as indicated.

### Schedule B

Schedule B is used to determine the amount of the tax credit.

**Tangible Property:** Column A includes the average monthly net book value of the eligible service facility including all machinery and equipment specifically acquired for and installed at that site without reduction for any encumbrance. When rented, the value of the eligible service facility and all machinery and equipment specifically acquired for and installed at that site should be computed by multiplying the **gross rents** payable by the taxpayer during the income year by eight. Column B consists of the average monthly net book value of all real property, machinery, and equipment held and owned by the taxpayer in Connecticut plus the value of all real property, machinery, and equipment specifically read owned by the taxpayer in Connecticut plus the value of all real property, machinery, and equipment specifically and owned by the taxpayer in Connecticut plus the value of all real property, machinery, and equipment specifically and owned by the taxpayer in Connecticut plus the value of all real property. Machinery, and equipment rented to the taxpayer in Connecticut, computed by multiplying the combined **gross rents** payable during the income year by eight. **Gross rents** means gross rents as defined in Conn. Gen. Stat. §12-218.

**Wages, Salaries, and Other Compensation:** Column A consists of all wages, salaries, and other compensation paid during the income year to employees of the taxpayer whose positions are **directly attributable** to the eligible service facility. Column B consists of the sum of wages, salaries, and other compensation paid during the income year to all employees of the taxpayer in Connecticut.

An employee's position is *directly attributable* to an eligible service facility if the:

- Employee's service is performed or base of operation is at the eligible service facility;
- Position did not exist prior to the construction, renovation, expansion, or acquisition of the eligible service facility; **and**
- Position would not have been created but for the construction, renovation, expansion, or acquisition of the eligible service facility.
