Form CT-1120X Corneration Business Tax Re

2010

Amended Corporation Business Tax Return Instructions

General Instructions

Complete this return in blue or black ink only.

Use 2010 Form CT-1120X to correct a 2010 Form CT-1120, Corporation Business Tax Return, or 2010 Form CT-1120U, Unitary Corporation Business Tax Return:

- As it was originally filed;
- As it was later amended by the corporation;
- As it was later adjusted by the Department of Revenue Services (DRS); or
- To report federal adjustments by the Internal Revenue Service (IRS).

Combined Returns

To amend a combined corporation business tax return for income years beginning on or after January 1, 2006, a taxpayer must file **Form CT-1120CR**, *Combined Corporation Business Tax Return*, for the applicable tax year and check the *Amended* box to indicate an amended return is being filed.

If a corporation is amending Form CT-1120CR for income years beginning prior to January 1, 2006, complete Form CT-1120X.

Internal Revenue Service Adjustments

Adjustments to taxable income made by the IRS must be reported to the Commissioner of Revenue Services on or before 90 days after the final determination of the adjustment. Report such adjustments on this form, and attach a complete copy of the IRS notification of changes.

Federal and Connecticut Amended Return Changes

If a corporation has filed an amended return with the IRS and the amendment affects the corporation's Connecticut tax return, then within 90 days of the IRS final determination on that amended federal return, the corporation shall file this form and attach a copy of federal Form 1120X, Amended U.S. Corporation Income Tax Return.

If the adjustment on a Connecticut amended return is not related to an adjustment made on a federal amended return (e.g. an adjustment to Connecticut net income, Connecticut minimum tax base, a Connecticut apportionment factor, a Connecticut net operating loss, or a Connecticut corporation business tax credit), explain such adjustment in detail and attach all appropriate supporting forms and schedules.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on a line.

When to File

Generally, Form CT-1120X must be filed within three years from the due date of the original return or, if an extension of time to file was requested and granted, three years from the extended due date. See *Internal Revenue Service Adjustments* or *Federal and Connecticut Amended Return Changes*.

Remittance

Make check payable to **Commissioner of Revenue Services**. To ensure payment is applied to your account, write "2010 Form CT-1120X" and the corporation's Connecticut Tax Registration Number on the front of your check. Attach check to return with paperclip.
