## What's New

## Income Tax Exemption for Teachers' Pensions

For the taxable year 2019, a taxpayer is allowed a subtraction modification of $25 \%$ of the income received from the Teachers' Retirement System when calculating Connecticut Adjusted Gross Income (AGI). This modification applies only to the extent that such income has been properly included in federal AGI for the taxable year.

Underpayment interest: Prior to June 26, 2019, the subtraction modification for income received from the Teachers' Retirement System was scheduled to increase to $50 \%$. On June 26, 2019, the scheduled increase was postponed to taxable year 2021. However, you will not be charged underpayment (2210) interest for the underpayment of estimated tax due April 15, 2019, and June 15, 2019, if in calculating your estimated payments for the first two quarters of 2019 , you relied on the $50 \%$ scheduled increase.

## Definition of "Residential Building" Expanded for Purposes of the Crumbling Foundation Subtraction Modification

Current law allows a taxpayer to subtract the amount of any financial assistance received from the Crumbling Foundations Assistance Fund, or paid to or on behalf of the owner of a residential building, to repair concrete foundations that have deteriorated due to the presence of pyrrhotite.
Effective July 1, 2019, the definition of "residential building" was expanded to include (1) a single family or multifamily residential dwelling, including, but not limited to (A) a residential unit in a condominium, as defined in Conn. Gen. Stat. § 47-68a, and (B) a unit that is used for residential purposes and located in a common interest community, as defined in Conn. Gen. Stat. § 47-202, and (2) a building containing one or more of the residential dwellings previously described under (1)(A) or (B).

## Angel Investor Tax Credit

For taxable years beginning on or after January 1, 2019, the total amount of tax credit allowed to an angel investor is $\$ 500,000$. The total amount of Angel Investor Tax Credit that Connecticut Innovations, Inc. (CII) may reserve in each fiscal year is five million dollars.

When reserving certain credits, CII may give priority to veteran-owned, women-owned or minority-owned businesses and businesses owned by individuals with disabilities.

The angel investor tax credit program is extended to July 1, 2024. CII cannot reserve angel investor tax credits after June 30, 2024.

## Increase of Thresholds for Determining the Amount of Social Security Benefits Exempt From Connecticut Income Tax

For taxable years beginning on or after January 1, 2019, the adjusted gross income thresholds for determining the amount of Social Security benefits excluded from Connecticut income tax are revised as follows:

| Federal Filing <br> Status | Federal AGI <br> (Form CT-1040NR/PY, <br> Line 1) | Subtraction <br> Modification |
| :--- | :--- | :--- |
| Single <br> or | Less than $\$ 75,000$ | $100 \%$ of the Social <br> Security benefits <br> Married Filing <br> Separately |
|  | $\$ 75,000$ or more | The amount of Social <br> Security benefits <br> calculated in the <br> Social Security Benefit <br> Adjustment Worksheet. |
| Married Filing <br> Jointly, | Less than \$100,000 | $100 \%$ of the Social <br> Security benefits <br> included in federal AGI. |
| Qualifying <br> Widow(er), <br> or <br> Head of <br> Household | $\$ 100,000$ or more | The amount of Social <br> Security benefits <br> calculated in the <br> Social Security Benefit <br> Adjustment Worksheet. |

## Subtraction Modification of Pension and Annuity Income

Pursuant to Section 641 of June Spec. Sess. Public Act 17-2, for the taxable year beginning on January 1, 2019, an individual with a federal filing status of single, married filing separately or head of household, with federal AGI for the taxable year of less than $\$ 75,000$, or married filing jointly with federal AGI of less than $\$ 100,000$ will be allowed to subtract $14 \%$ of any pension or annuity income received for the taxable year when calculating Connecticut AGI. This subtraction modification only applies to the extent that the pension or annuity income has already been properly included in federal AGI.

For purposes of calculating the amount of the subtraction modification to report on the Connecticut income tax return (Line 50b, on Schedule 1 of the 2019 Form CT-1040NR/PY), the term "pension and annuity income" means the pension and annuity income reported on Line $4 d$ of the 2019 federal Form 1040 or Form 1040-SR, reduced by any military retirement pay and any Tier 1 and Tier 2 railroad retirement benefits. The amounts reported on Line 4 d of the federal income tax return are the taxable distributions from retirement plans, including the following:

- Defined benefit plans;
- 401(k), 403(b) and governmental 457(b) plans;
- Military retirement pay; and
- Tier 1 and Tier 2 railroad retirement benefits.

Taxpayers must reduce the amount reported on Line 4d of the federal income tax return by the amount of any military retirement pay and any Tier 1 and Tier 2 railroad retirement benefits. This is required because Connecticut already allows a separate subtraction modification for military retirement pay (Line 46, Schedule 1, Form CT-1040NR/PY), and for Tier 1 and Tier 2 railroad retirement benefits or supplemental annuities (Line 45, Schedule 1, Form CT-1040NR/PY). The following amounts are not included in Line $4 d$ of the federal income tax return and should not be added when calculating the pension and annuity amount for Line 50b of Form CT-1040NR/PY:

- Disability pensions received before the recipient met the minimum retirement age set by his or her employer;
- Corrective distributions of excess elective deferrals or other excess contributions to retirement plans; and
- Distributions from traditional IRAs, Roth IRAs, simplified employee pension (SEP) IRAs, and savings incentive match plans for employees (SIMPLE) IRAs.

A survivor or beneficiary of a plan participant may claim the $14 \%$ subtraction modification for Connecticut income tax purposes in the same manner as the plan participant would have been allowed to claim the modification, if such survivor or beneficiary is required to report the pension and annuity income on the federal income tax return in the same manner as the plan participant would have reported such income.

Individuals receiving income from the Teachers' Retirement System: Taxpayers may not claim the 25\% Teachers' Retirement System income subtraction modification and the $14 \%$ pension and annuity income subtraction modification for the same income. However, if a taxpayer filing an individual return or a joint return has income from the Teachers' Retirement System and income from a pension or annuity that qualifies for the pension or annuity subtraction modification, then the taxpayer may claim both modifications.

## Changes to the Pass-Through Entity Tax Affecting Individual Pass-Through Entity Members

Pass-Through Entity Tax Credit reduction: For taxable years beginning on or after January 1, 2019, the Pass-Through Entity Tax Credit (PE Tax Credit) that a member of a pass-through entity (PE) is allowed to claim against the Connecticut income tax was reduced. The new amount is $87.50 \%$ of the member's direct and indirect share of the Connecticut PE Tax due and paid by the PE for the taxable year.

Underpayment (2210) interest: Interest will not be imposed for the underpayment of estimated tax due April 15, 2019, and June 15,2019 , if the underpayment resulted from the taxpayer's calculation of his or her 2019 estimated payment for the first two quarters using the $93.01 \%$ estimated PE Tax Credit.
Guaranteed payments: For taxable years beginning on or after January 1, 2019, guaranteed payments will be included in determining a PE's Connecticut tax liability.
For taxable year 2018, guaranteed payments were excluded from the calculation, and certain individual nonresident members were required to file Connecticut income tax returns to report guaranteed payments sourced to Connecticut and pay the corresponding income tax liability.
Nonresident members not required to file a Connecticut income tax return: A nonresident individual whose only Connecticut sourced income is from PEs is not required to file a Connecticut individual income tax return if:

1. His or her share of the PE Tax Credit fully satisfies his or her Connecticut income tax liability; or
2. The PE elects to remit a composite income tax payment on behalf of its nonresident members.

The PE will report the amount of the composite income tax payment (if the PE made the election) and the PE Tax Credit amount to the nonresident on Schedule CT K-1, Member's Share of Certain Connecticut Items.

If a nonresident member is not excused from filing, or otherwise chooses to file a Connecticut individual income tax return, the member should claim the composite income tax payment made by the PE on his or her behalf along with any PE Tax Credit available to him or her. The member must also include his or her distributive share of the PE's Connecticut sourced income on his or her return.

For nonresident members who are excused from filing and do not choose to file their own personal income tax returns, their returns will be deemed to be filed on the day their PE files its PE Tax return.

Waiver of 2018 Penalty and Interest: The Commissioner is authorized to waive penalty, interest and underpayment (2210) interest for taxable year 2018, if such penalty and interest was increased or created by the enactment of the Connecticut PE Tax, provided the taxpayer pays the tax due no later than April 15, 2020. Affected individual members and members who are trusts and estates must read the instructions and complete Form CT-CWPI, Request for Waiver of 2018 Penalty and Interest Due to the Enactment of the Pass-Through Entity Tax (Individuals, Trusts and Estates Only). The form can be downloaded from the Department of Revenue Services (DRS) website at portal.ct.gov/DRS.

## Statute of Limitations to Appeal Certain Determinations

The timeframe for an aggrieved taxpayer to appeal any determination or disallowance by DRS related to a final assessment of deficiency (Conn. Gen. Stat. § 12-729), a jeopardy assessment (Conn. Gen. Stat. § 12-729a), or a refund request (Conn. Gen. Stat. § 12-732) to the Superior Court has been modified from "within one month" after the notice is mailed to the taxpayer to "no later than 30 days" after the notice is mailed to the taxpayer.

Convenience of the Employer Test in Determining Connecticut Sourced Income
For taxable years beginning on or after January 1, 2019, residents of states with a "convenience of the employer" test will be subject to similar rules for work performed for a Connecticut employer. Generally, in a state that applies this test, wages earned by a nonresident are allocated to the employer's location, unless the nonresident works from an out-of-state location due to the necessity of the employer rather than the convenience of the employee.
For example, under this new law, in determining whether income earned by a New York resident individual telecommuting for a Connecticut employer will be deemed Connecticut sourced income, Connecticut will apply the New York "convenience of the employer" test.
Nonresident employees working for a Connecticut employer from a remote location and residing in a state with a "convenience of the employer" test will have Connecticut income tax withheld. If no income tax is withheld, such employee should make estimated payments.
Connecticut resident employees working from a remote location who are subject to tax on income earned in a jurisdiction that applies the convenience of the employer test, can claim a credit on their Connecticut income tax return for taxes paid to such jurisdiction.

## Avoid Delaying Your Refund

Follow these tips to avoid errors and to help us process your refund faster:

- Be sure you have received all your federal Forms W-2, 1099, and Schedules CT K-1 before filing your Connecticut income tax return. Generally, you will receive Forms W-2 and 1099 on or before January 31, Schedule CT K-1 on or before March 15, and Schedule CT-1041 K-1 on or before April 15. If you receive an additional federal Form W-2, Form 1099, Schedule CT K-1, or Schedule CT-1041 K-1 after filing your Connecticut income tax return, you may be required to file Form CT-1040X, Amended Connecticut Income Tax Return for Individuals.
$\square$ Most taxpayers qualify to electronically file their Connecticut income tax return. See Taxpayer Service Center (TSC) on Page 4.
$\square$ You must use blue or black ink only to complete your paper return.
$\square$ Complete and send all four pages of your return. If you do not provide DRS with all the completed pages of your return or do not provide all required information, the processing of your return will be delayed.
$\square$ Enter your name, mailing address, your SSN or ITIN, and the name and SSN or ITIN for your spouse (if filing a joint return), and attach all required schedules or forms. If you do not provide an SSN or ITIN for all taxpayers, DRS can not process your tax return.
$\square$ Do not send Forms W-2, Forms 1099, Schedules CT K-1, or Schedules CT-1041 K-1 with your Connecticut income tax return. Complete Columns A, B, and C of Section 3 of your return and Schedule CT-PE, Pass-Through Entity Tax Credit, if applicable. DRS will disallow your Connecticut withholding or PE Tax Credit if you fail to complete all columns or required schedules.
$\square$ Round all figures to the nearest whole dollar.
$\square$ Sign your return. If you and your spouse are filing jointly, both of you must sign.
$\square$ Have your paid preparer sign the return and enter the tax preparer tax identification number (PTIN) issued by the Internal Revenue Service in the space provided.
$\square$ Check the box next to the deceased taxpayer's SSN, if you are an executor, administrator, or spouse filing a return for a deceased taxpayer.
$\square$ Check the box on the first page of your return if you are filing Form CT-1040 CRC, Claim of Right Credit.
$\square$ Check the box on the first page of your return if you are filing Form CT-2210, Underpayment of Estimated Income Tax by Individuals, Trusts and Estates.
$\square$ Check the box on the first page of your return if you are filing Form CT-8379, Nonobligated Spouse Claim.
$\square$ If you filed joint estimated tax payments but elect or are required to file separate income tax returns, both you and your spouse must file your income tax returns at the same time. No refund will be processed until both Connecticut returns are received.
$\square$ Use the correct DRS mailing address on the envelope when filing your paper return. One address is for all tax forms with payment. The other address is for refunds and all other tax forms without payment. See Mailing Addresses for Form CT-1040NR/PY, on Page 6.
$\square$ Elect direct deposit, by completing Lines 27a through 27c, for the fastest way to receive your refund. This option is not available to first-time filers. If you do not elect or qualify for direct deposit, a refund check will be issued, and refund processing may be delayed.
$\square$ If you have additional tax due with your electronically filed income tax return, and you elect not to pay electronically, send your payment with Form CT-1040V, Connecticut Electronic Filing Payment Voucher. Do not send a paper copy of your electronically filed return with the payment.
$\square$ If you are filing an estimated income tax payment that is due April 15 using Form CT-1040ES, Estimated Connecticut Income Tax Payment Coupon for Individuals, and you are filing Form CT-1040V, Connecticut Electronic Filing Payment Voucher, to pay any additional tax due, make sure you include the correct payment that corresponds with each form.
$\square$ If you are completing Form CT-2210, Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates, to calculate interest due or lower or eliminate interest that would otherwise apply on your underpaid estimated Connecticut income tax, make sure you check the appropriate box on Part 1, Reasons For Filing, if applicable.
