Return Instructions

Dear Taxpayer,

2020 has been a challenging year to say the least. Rest assured, however, that the tax professionals at the Connecticut Department of Revenue Services (DRS) stand ready to provide our customers with world-class service. All of us at DRS have been busy reinventing how the agency delivers assistance to our citizens. The COVID-19 pandemic has forced public servants to reflect on how we can improve the delivery of services in a changing environment. I think you will find the DRS approach is more efficient and convenient.

The instructions in this booklet and our forms that are available on our website at portal.ct.gov/DRS contain everything you will need to complete your 2020 Connecticut state income tax filing. Please remember that electronic filing is the easiest and most efficient way to file. In fact, if you are expecting a refund, electronic filing is the sure way to receive that refund as quickly as possible. All of your electronic filing options are contained in these instructions.

Your feedback is critically important, especially during these challenging times. I encourage you to let us know how we are doing. We welcome your ideas and suggestions. You may send an email or call to personally speak to a Taxpayer Services representative. Your input is a valuable component of improving how we do business.

Sincerely,

John Biello
Acting Commissioner of Revenue Services

What's New

Increase to Subtraction Modification of Pension and Annuity Income

For the taxable year beginning on January 1, 2020, the subtraction modification of pension and annuity income increased from 14% to 28% of any pension or annuity income received for the taxable year. See Line 50b instructions on Page 23 for more information.

Check Box for Federal Form 1310 Filers

For the taxable year beginning on January 1, 2020, Form CT-1040NR/PY has been updated to provide a check box for filers of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer. Check the box on the first page of Form CT-1040NR/PY if you have filed federal Form 1310. If you have filed federal Form 1310, you must file Form CT-1040NR/PY by paper. For more information, see *Claiming a Refund for a Deceased Taxpayer*, on Page 6.

Estimated Payment Deadline Extensions for Tax Year 2020

To provide relief to Connecticut taxpayers during the COVID-19 pandemic, the Connecticut Department of Revenue Services (DRS) extended the deadlines for the first and second quarter 2020 income tax estimated payments to July 15, 2020.

Form CT-2210, *Underpayment of Estimated Tax by Individuals, Trusts, and Estates*, has been updated for the 2020 tax year to account for these deadline extensions. Ensure you are using the 2020 form to properly calculate the amount of interest due.

You may use Form CT-2210 to calculate and report any interest due with your return. Alternatively, DRS will calculate interest on any underpayment of estimated tax and send you a bill.

TAXPAYER SERVICE CENTER (TSC)

Most Connecticut taxpayers can electronically file through the DRS electronic Taxpayer Service Center (**TSC-IND**). The **TSC-IND** allows you to:

- **File your Connecticut nonresident and part-year resident income tax return, including:**
 - **Your Schedule CT-PE;**
- **File a Connecticut extension of time to file request; and**
- **Make online payments of estimated tax or income tax bills.**

In addition, the **TSC-IND** has expanded options including the ability to:

- Check the status of your income tax refund;
- View account period details;
- View returns filed in the **TSC**;
- View/cancel scheduled payments made in the **TSC**; and
- View processed payments.

Visit portal.ct.gov/TSC to learn more about free filing options.

Connecticut Form 1099-G

If you itemize your deductions for federal income tax purposes and wish to obtain your Connecticut Form 1099-G information, you may do so by visiting portal.ct.gov/DRS, select *For Individuals* and select *Get My Form 1099-G*. DRS will not mail paper copies of the Connecticut Form 1099-G.

Avoid Delaying Your Refund

Follow these tips to avoid errors and to help us process your refund faster:

- Be sure you have received all your federal Forms W-2, 1099, and Schedules CT K-1 before filing your Connecticut income tax return. Generally, you will receive Forms W-2 and 1099 on or before January 31, Schedule CT K-1 on or before March 15, and Schedule CT-1041 K-1 on or before April 15. If you receive an additional federal Form W-2, Form 1099, Schedule CT K-1, or Schedule CT-1041 K-1 after filing your Connecticut income tax return, you may be required to file **Form CT-1040X**, *Amended* Page 4

Connecticut Income Tax Return for Individuals. See *Amended Returns*, on Page 36.

- Most taxpayers qualify to electronically file their Connecticut income tax return. See *Filing the Connecticut Income Tax Return Electronically*, on Page 11.
- You **must** use blue or black ink only to complete your paper return.
- Complete and send all four pages of your return. If you do not provide DRS with all the completed pages of your return or do not provide all required information, the processing of your return will be delayed.
- Enter your name, mailing address, your SSN or ITIN, and the name and SSN or ITIN for your spouse (if filing a joint return), and attach all required schedules or forms. If you do not provide an SSN or ITIN for all taxpayers, DRS can not process your tax return.
- Do not send Forms W-2, Forms 1099, Schedules CT K-1, or Schedules CT-1041 K-1** with your Connecticut income tax return. Complete Columns A, B, and C of Section 3 of your return and **Schedule CT-PE**, *Pass-Through Entity Tax Credit*, if applicable. DRS will disallow your Connecticut withholding or PE Tax Credit if you fail to complete all columns or required schedules.
- Round all figures to the nearest whole dollar. See *Rounding Off to Whole Dollars* on Page 15.
- Sign your return. If you and your spouse are filing jointly, both of you must sign.
- Have your paid preparer sign the return and enter the tax preparer tax identification number (PTIN) issued by the Internal Revenue Service in the space provided.
- Check the box next to the deceased taxpayer's SSN, if you are an executor, administrator, or spouse filing a return for a deceased taxpayer.
- Check the box on the first page of your return if you are filing **Form CT-1040 CRC**, *Claim of Right Credit*. If you are filing Form CT-1040 CRC, you must file a paper return.
- Check the box on the first page of your return if you are filing federal Form 1310, *Statement of Person Claiming Refund Due a Deceased Taxpayer*. If you are filing federal Form 1310, you must file a paper return.
- Check the box on the first page of your return if you are filing **Form CT-2210**, *Underpayment of Estimated Income Tax by Individuals, Trusts and Estates*.
- Check the box on the first page of your return if you are filing **Form CT-8379**, *Nonobligated Spouse Claim*. See *Nonobligated Spouse*, on Page 13.
- If you filed joint estimated tax payments but elect or are required to file separate income tax returns, both you and your spouse must file your income tax returns at the same time. No refund will be processed until both Connecticut returns are received.
- Use the correct DRS mailing address on the envelope when filing your paper return. One address is for all tax forms with payment. The other address is for refunds and all other tax forms without payment. See *Mailing Addresses for Form CT-1040NR/PY*, on Page 11.

- Elect direct deposit, by completing Lines 27a through 27c, for the fastest way to receive your refund. This option is **not** available to first-time filers. If you do not elect or qualify for direct deposit, a refund check will be issued, and refund processing may be delayed.
- If you have additional tax due with your electronically filed income tax return, and you elect not to pay electronically, send your payment with **Form CT-1040V**, *Connecticut Electronic Filing Payment Voucher*. Do not send a paper copy of your electronically filed return with the payment.
- If you are filing an estimated income tax payment that is due April 15 using **Form CT-1040ES**, *Estimated Connecticut Income Tax Payment Coupon for Individuals*, and you are filing **Form CT-1040V**, *Connecticut Electronic Filing Payment Voucher*, to pay any additional tax due, make sure you include the correct payment that corresponds with each form.
- If you are completing **Form CT-2210**, *Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates*, to calculate interest due or lower or eliminate interest that would otherwise apply on your underpaid estimated Connecticut income tax, make sure you check the appropriate box on Part 1, *Reasons For Filing*, if applicable.

- You were a part-year resident who meets the *Gross Income Test* or who had a federal alternative minimum tax liability; **or**
- You were a nonresident with Connecticut-sourced income who meets the *Gross Income Test* or had a federal alternative minimum tax liability. See *Connecticut-Sourced Income of a Nonresident*, on Page 8.

If none of the above apply, do not file Form CT-1040NR/PY.

Gross income means all income you received in the form of money, goods, property, services not exempt from federal income tax, and any additions to income required to be reported on Form CT-1040NR/PY, *Schedule 1*.

Gross income includes income from sources within Connecticut and outside of Connecticut. Gross income includes, but is not limited to:

- Compensation for services, including wages, fees, commissions, taxable fringe benefits, and similar items;
- Gross income from a business;
- Capital gains;
- Interest and dividends;
- Gross rental income;
- Gambling winnings;
- Alimony;
- Taxable pensions and annuities;
- Prizes and awards;
- Your share of income from partnerships, limited liability companies, S corporations, estates, or trusts;
- IRA distributions;
- Unemployment compensation;
- **Federally taxable** Social Security benefits; **and**
- **Federally taxable** disability benefits.
-

Who Must File Form CT-1040NR/PY

You must file **Form CT-1040NR/PY**, *Connecticut Nonresident and Part-Year Resident Income Tax Return*, if you were a nonresident or part-year resident of Connecticut in 2020 **and** any of the following is true for the 2020 taxable year:

- You had Connecticut income tax withheld;
- You made estimated tax payments to Connecticut or made a payment with **Form CT-1040 EXT**, *Application for Extension of Time to File Connecticut Income Tax Return for Individuals*;
- You had a PE Tax Credit and your PE did not elect to remit composite income tax payments on your behalf;

REFUND OPTIONS

Direct Deposit

The fastest way to get your refund is to file your return electronically and elect direct deposit. Choosing direct deposit allows **the money to go directly into your bank account; it eliminates the possibility of the refund being lost, stolen or returned as undeliverable; and it saves tax dollars by costing the government less.**

Make your direct deposit successful by:

- Confirming your account number and routing number with your financial institution and entering them clearly on your tax return;
- Entering the direct deposit information separately for both your federal and state electronically filed returns; **and**
- Printing your software-prepared paper return only after you have entered the direct deposit information into the program.

Some financial institutions do not allow a joint refund to be deposited into an individual account.

In an effort to reduce fraud, direct deposit is not available to first-time Connecticut income tax filers.

Paper Check

If you do not elect or qualify for direct deposit, a refund check will be issued and processing may be delayed.

DRS recommends that taxpayers who are not first time Connecticut income tax filers choose direct deposit, the most reliable and fastest way to receive your refund.

Gross Income Test

You must file a Connecticut income tax return if your gross income for the 2020 taxable year exceeds:

- \$12,000 and you are married filing separately;
- \$15,000 and you are filing single;
- \$19,000 and you are filing head of household; **or**
- \$24,000 and you are married filing jointly or qualifying widow(er).

The following examples explain the gross income test:

Example 1: A nonresident whose only income is from a sole proprietorship located in Connecticut files a federal Form 1040 and reports the following on Schedule C:

Gross Income	\$100,000
Expenses	(92,000)
Net Income	\$ 8,000

Because the **gross** income of \$100,000 exceeds the minimum requirement and the income is from a Connecticut source, this nonresident must file Form CT-1040NR/PY.

Example 2: A Connecticut part-year resident who files as single on Form CT-1040NR/PY received \$8,000 in federally nontaxable Social Security benefits and \$11,000 in interest income. Since nontaxable Social Security benefits are not included in gross income, the Connecticut part-year resident is not required to file a return unless Connecticut tax was withheld or estimated tax payments were made.

Example 3: A nonresident single individual receives \$15,000 in wage income from Connecticut employment and \$1,000 in federally-exempt interest from California state bonds. The gross income (federal adjusted gross income with any additions to income from Form CT-1040NR/PY, *Schedule 1*, Line 33, Interest on state and local government obligations other than Connecticut) is \$16,000. Therefore, the nonresident must file a Connecticut nonresident income tax return.

Relief From Joint Liability

In general, if you and your spouse file a joint income tax return, you are both responsible for paying the full amount of tax, interest, and penalties due on your joint return. However, in very limited and specific cases, relief may be granted if you believe all or any part of the amount due should be paid only by your spouse.

You may request consideration by filing **Form CT-8857**, *Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief)*.

The statute of limitations for requesting innocent spouse relief or separation of liability is two years from the date on which DRS begins collection activities against you.

For equitable relief requests, the statute of limitations applicable to federal equitable relief requests will be applicable to Connecticut equitable relief requests. This statute of limitations is applicable to all open equitable relief requests.

See **Policy Statement 2016(2)**, *Innocent Spouse Relief, Separation of Liability, and Equitable Relief*.

Title 19 Recipients

If you are a Title 19 recipient, you must file a Connecticut income tax return if you meet the requirements for *Who Must File Form CT-1040NR/PY*, on Page 5.

However, if you do not have funds to pay your Connecticut income tax, complete **Form CT-19IT**, *Title 19 Status Release*, and attach it

to the **front** of your Connecticut income tax return if the following two conditions apply:

- You were a Title 19 recipient during 2020; **and**
- Medicaid assisted in the payment of your long-term care in a nursing or convalescent home during 2020.

Completing this form authorizes DRS to verify your Title 19 status for 2020 with the Department of Social Services.

Deceased Taxpayers

An executor, administrator, or surviving spouse must file a Connecticut income tax return, for that portion of the year before the taxpayer's death, for a taxpayer who died during the year if the requirements for *Who Must File Form CT-1040NR/PY* (on Page 5) are met. The executor, administrator, or surviving spouse **must** check the box next to the deceased taxpayer's SSN on the front page; sign for the deceased taxpayer on the signature line; and indicate the date of death.

Generally, the Connecticut and federal filing status must be the same. A surviving spouse may file a joint Connecticut income tax return if the surviving spouse filed a joint federal income tax return. Write "filing as surviving spouse" in the deceased spouse's signature line on the return. If both spouses died in 2020, their legal representative must file a final return.

Claiming a Refund for a Deceased Taxpayer

If you are a surviving spouse filing jointly with your deceased spouse, you may claim the refund on the jointly-filed return. If you are a court-appointed representative, file the return **and** attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, to the front of the return.

Check the box on the first page of your return if you are filing federal Form 1310. If you are filing federal Form 1310, you must file a paper return.

Refund claims for deceased taxpayers should be made as soon as possible during the annual filing period. Under federal law, personal Social Security Numbers are not protected after death and will be disclosed by the Social Security Administration upon request. This is a major cause of fraudulent refund claims filed and paid before the legitimate taxpayer's claim is filed.

Income received by the estate of the decedent for the portion of the year after the decedent's death, and for succeeding taxable years until the estate is closed, must be reported each year on **Form CT-1041**, *Connecticut Income Tax Return for Trusts and Estates*.

Special Information for Nonresident Aliens

If you are a nonresident alien, you must file a Connecticut income tax return if you meet the requirements of *Who Must File Form CT-1040NR/PY*, on Page 5. In determining whether you meet the gross income test, you must take into account any income not subject to federal income tax under an income tax treaty between the United States and the country of which you are a citizen or resident. Income tax treaty provisions are disregarded for Connecticut income tax purposes. Any treaty income you report on federal Form 1040NR or Form 1040NR-EZ and not subject to federal income tax must be added to your federal adjusted gross income. See **Form CT-1040**, *Schedule 1*, Line 37, or **Form CT-1040NR/PY**, *Schedule 1*, Line 39.

If you do not have and are not eligible for a Social Security Number (SSN), you must obtain an Individual Taxpayer Identification Number (ITIN) from the Internal Revenue Service (IRS) and enter it in the space provided for an SSN. You must have applied for and been issued an ITIN before you file your income tax return.

However, if you have not received your ITIN by April 15, file your return without the ITIN, enter *Applied For* or *NRA* in the SSN field, pay the tax due, and attach a copy of federal Form W-7, Application for IRS Individual Taxpayer Identification Number. DRS will contact you upon receipt of your return and will hold your return until you receive your ITIN and you forward the information to us. DRS cannot process your return until we receive the ITIN.

A married nonresident alien may not file a joint Connecticut income tax return unless the nonresident alien is married to a citizen or resident of the United States and they have made an election to file a joint federal income tax return and they do, in fact, file a joint federal income tax return. Any married individual filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint federal income tax return or a joint Connecticut income tax return and must file a Connecticut income tax return as a married individual filing separately.

Resident, Part-Year Resident, or Nonresident

The following terms are used in this section:

Domicile (permanent legal residence) is the place you intend to have as your permanent home. It is the place you intend to return to whenever you are away. You can have only one domicile although you may have more than one place to live. Your domicile does not change until you move to a new location and definitely intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

Permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether or not you own it, and generally includes a residence owned by or leased to your spouse. A place of abode is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

Resident

You are a **resident** for the 2020 taxable year if:

- Connecticut was your domicile (permanent legal residence) for the entire 2020 taxable year; **or**
- You were not domiciled in Connecticut but you maintained a permanent place of abode in Connecticut during the entire 2020 taxable year **and** spent a total of more than 183 days in Connecticut during the 2020 taxable year.

Nonresident aliens who meet either of these conditions are considered Connecticut residents even if federal Form 1040NR-EZ or federal Form 1040NR is filed for federal income tax purposes. See also *Special Rules for Married Individuals* on Page 15 and *Special Information for Nonresident Aliens* on Page 6.

If you are a resident, you must file **Form CT-1040**, *Connecticut Resident Income Tax Return*, if any of the following is true for the taxable year:

- You had Connecticut income taxes withheld;
- You made estimated tax payments or a payment with Form CT-1040 EXT to Connecticut;
- You meet the gross income test;
- You had a federal alternative minimum tax liability; **or**
- You are claiming the Connecticut earned income tax credit (CT EITC).

Part-Year Resident

You are a **part-year resident** for the 2020 taxable year if you changed your permanent legal residence by moving into or out of

Connecticut during the 2020 taxable year. If you are a part-year resident, you may not elect to be treated as a resident individual.

If you are a part-year resident and you meet the requirements of *Who Must File Form CT-1040NR/PY* for the 2020 taxable year, you must file Form CT-1040NR/PY.

Nonresident

You are a **nonresident** for the 2020 taxable year if you are neither a resident nor a part-year resident for the 2020 taxable year.

If you are a nonresident and you meet the requirements of *Who Must File Form CT-1040NR/PY* for the 2020 taxable year, you must file Form CT-1040NR/PY.

If you meet **all** of the conditions in Group A or Group B, you may be treated as a nonresident for 2020 even if your domicile was Connecticut.

Group A

1. You did not maintain a permanent place of abode in Connecticut for the entire 2020 taxable year;
2. You maintained a permanent place of abode outside of Connecticut for the entire 2020 taxable year; **and**
3. You spent not more than 30 days in the aggregate in Connecticut during the 2020 taxable year.

Group B

1. You were in a foreign country for at least 450 days during any period of 548 consecutive days;
2. During this period of 548 consecutive days, you did not spend more than 90 days in Connecticut and you did not maintain a permanent place of abode in Connecticut at which your spouse (unless legally separated) or minor children spent more than 90 days; **and**
3. During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in Connecticut for no more than the number of days that bears the same ratio to 90 as the number of days in such portion of the taxable year bears to 548. See the calculation below.

$\frac{\text{Number of days in the nonresident portion}}{548} \times 90 = \text{Maximum days allowed in Connecticut}$

See **Special Notice 2000(17)**, *2000 Legislation Affecting the Connecticut Income Tax*.

Military Personnel Filing Requirements

Military personnel and their spouses who claim Connecticut as their state of residence but are stationed elsewhere are subject to Connecticut income tax. If you enlisted in the service as a Connecticut resident and have not established a new domicile (permanent legal residence) elsewhere, you are required to file a resident income tax return unless you meet all of the conditions in Group A or Group B for being treated as a nonresident. See *Resident, Part-Year Resident, or Nonresident*, on Page 7. The rate at which your other income is taxed for Connecticut income tax purposes has been affected by the enactment by Congress of the Service Members Civil Relief Act. See instructions for Form CT-1040NR/PY, Line 51, on Page 23.

If your permanent home (domicile) was outside Connecticut when you entered the military, you do not become a Connecticut resident because you are stationed and live in Connecticut. As a nonresident, your military pay is not subject to Connecticut income tax. However,

income you receive from Connecticut sources while you are a nonresident may be subject to Connecticut income tax.

Example: Jill is a resident of Florida. She enlisted in the Navy in Florida and was stationed in Groton, Connecticut. She earned \$38,000 in military pay.

If Jill had no other income . . .

Since Jill resided and enlisted in Florida, she is considered a resident of Florida and does not have to file a Connecticut return. Military personnel are residents of the state in which they resided when they enlisted.

If Jill had a part-time job in Connecticut . . .

Her Connecticut-sourced income from nonmilitary employment is taxable. Jill must file Form CT-1040NR/PY to report this income.

Spouses of military personnel, see **Informational Publication 2019(5)**, *Connecticut Income Tax Information for Armed Forces Personnel and Veterans*.

Combat Zone

The income tax return of any individual in the U.S. Armed Forces serving in a combat zone or injured and hospitalized while serving in a combat zone is due 180 days after returning. There will be no penalty or interest charged. For any individual who dies while on active duty in a combat zone or as a result of injuries received in a combat zone, no income tax or return is due for the year of death or for any prior taxable year ending on or after the first day serving in a combat zone. If any tax was previously paid for those years, the tax will be refunded to the legal representative of the estate or to the surviving spouse upon the filing of a return on behalf of the decedent. In filing the return on behalf of the decedent, the legal representative or the surviving spouse should enter zero tax due and attach a statement to the return along with a copy of the death certificate.

Combat zone is an area designated by an Executive Order from the President of the United States as areas in which the U.S. Armed Forces are engaging or have engaged in combat. A combat zone also includes an area designated by the federal government as a *qualified hazardous duty area*.

Spouses of military personnel and civilians supporting the military in a combat zone region who are away from their permanent duty stations, but are not within the designated combat zone, are also eligible for the 180 day extension.

Individuals requesting an extension under combat zone provisions should print both the name of the combat zone and the operation they served with at the top of their Connecticut tax return. This is the same combat zone or operation name provided on their federal income tax return. See **Informational Publication 2019(5)**, *Connecticut Income Tax Information for Armed Forces Personnel and Veterans*.

How Nonresidents and Part-Year Residents Are Taxed

If you are a nonresident or a part-year resident, your tax liability is computed based upon the greater of your Connecticut adjusted gross income or your total income from Connecticut sources.

You must calculate the tax in the same manner as a resident individual. Then, prorate the tax based upon the percentage of your Connecticut adjusted gross income derived from or connected with Connecticut sources.

Connecticut Adjusted Gross Income

Connecticut adjusted gross income is your federal adjusted gross income as properly reported on federal Form 1040, Line 11, or federal Form 1040-SR, Line 11, and any Connecticut modifications required to be reported on Form CT-1040NR/PY, *Schedule 1*.

Connecticut-Sourced Income of a Nonresident

Connecticut-sourced income of a nonresident is income derived from or connected with sources within Connecticut when the income is:

- Attributable to ownership or disposition of real or tangible personal property within Connecticut including but not limited to the income from the rental or sale of the property;
- Attributable to compensation for services performed in Connecticut or income from a business, trade, profession, or occupation carried on in Connecticut, including income derived directly or indirectly by athletes, entertainers, or performing artists from closed-circuit and cable television transmissions of irregularly scheduled events if the transmissions are received or exhibited within Connecticut;
- Unemployment compensation received from the Connecticut Department of Labor;
- From a partnership doing business in Connecticut;
- From an S corporation doing business in Connecticut;
- From a trust or estate with income derived from or connected with sources within Connecticut;
- From a nonqualified deferred compensation plan for services performed wholly or partly within Connecticut;
- From reportable Connecticut Lottery winnings. Winnings from the Connecticut Lottery, including Powerball, are reportable if the winner was issued a federal Form W-2G by the Connecticut Lottery Corporation. In general, the Connecticut Lottery Corporation is required to issue a federal Form W-2G to a winner if the Connecticut Lottery winnings, including Powerball, are \$600 or more and at least 300 times the amount of the wager. See **Informational Publication 2015(23)**, *Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut*.
- Certain gains and losses from the sale or disposition of an interest in an **entity** that owns, directly or indirectly, real property in Connecticut. The term **entity** means a partnership, limited liability company, or S corporation. See **Special Notice 2014(5)**, *2014 Legislative Changes Affecting the Income Tax on Sale or Disposition of an Interest in an Entity that Owns Property in Connecticut*.
- Nonresident business income of a business, trade, profession, or occupation carried on in Connecticut and outside Connecticut. The items of income, gain, loss, and deduction derived from or connected with Connecticut sources are determined by using an apportionment formula. See **Special Notice 2017(1)**, *Legislative Changes Regarding Single-Sales Factor Apportionment and Market-Based Sourcing*.

In general, Connecticut-sourced income of a nonresident **does not include** the following income even if it was included in your federal adjusted gross income:

- Distributions from pension or retirement plans (such as 401K plans);
- Interest, dividends, or gains from the sale or exchange of intangible personal property unless that property is employed in a business, trade, profession, or occupation carried on in Connecticut;
- Compensation received for active service in the U.S. military;
- Dividends from a corporation doing business in Connecticut;

- Compensation you received from an interstate rail carrier, interstate motor carrier, or an interstate motor private carrier;
- Gambling winnings (other than reportable Connecticut Lottery winnings shown on federal Form W-2G). See **Informational Publication 2011(27)**, *Connecticut Income Tax Treatment of Gambling Winnings Other Than State Lottery Winnings*;
- Interest you earned from a Connecticut bank (unless earned by a Connecticut business); **or**
- Income you received from business or employment activities in Connecticut that are considered casual, isolated, or inconsequential.

Activities Considered Casual, Isolated, or Inconsequential

In general, activities that meet one of the following tests are considered casual, isolated, or inconsequential:

1. **\$6,000 test** - The gross income from the presence of a nonresident in Connecticut does not exceed \$6,000 in the taxable year. However, this test does not apply to a nonresident who is a member of one or more pass-through entities with Connecticut-sourced income. In such a case, the nonresident member's activities is not considered casual, isolated, or inconsequential unless the member's Connecticut-sourced income from the pass-through entity or entities is less than \$1,000.

An employee's wages for services performed in Connecticut are taxable, regardless of the amount, unless the employee's services meet the Ancillary Activity Test. Also, reportable Connecticut Lottery winnings are taxable regardless of the amount.

2. **Ancillary Activity Test** - The nonresident's presence in Connecticut is ancillary to his or her primary business or employment duties performed at a base of operations outside of Connecticut. Ancillary activities are those activities that are secondary to the individual's primary out-of-state duties, and include such things as presence in the state for planning, training, attendance at conferences or symposia, etc.

Connecticut-Sourced Income of a Part-Year Resident

Connecticut-sourced income of a part-year resident is the sum of:

1. Connecticut adjusted gross income for the part of the year you were a resident;
2. Income derived from or connected with Connecticut sources for the part of the year you were a nonresident; **and**
3. Special accruals.

Items Subject to Special Accrual

A part-year resident must recognize and report items of income, gain, loss, or deduction on the accrual basis regardless of the method of accounting normally used. In general, an item of income is subject to special accrual if the right to receive it is fixed and the amount to be paid is determinable with reasonable accuracy at the time residency status is changed.

Change From Resident to Nonresident

If you moved out of Connecticut during the taxable year, you must include, in calculating your Connecticut adjusted gross income for the period of your Connecticut residency, all items of income, gain, loss, or deduction you would be required to include if you were filing a federal income tax return for the same period on the accrual basis, together with any other accruals not otherwise includible or deductible for federal or Connecticut income tax purposes (such as deferred gains on installment obligations). Include items of special accrual with other items of income, gain, loss, and deduction reported for your residency period. See *Schedule CT-1040AW Instructions*, on Page 32.

Example 1: Laura, a part-year resident who moved out of Connecticut in June 2020, sold property on the installment basis in April 2020. She will receive annual installment payments for five years. She must accrue the entire gain on the sale of the property to the portion of 2020 when she was a resident of Connecticut because her right to receive the gain was fixed and the amount was determinable before the time she changed her residency.

Example 2: Rick, a resident of Connecticut, retired from his Connecticut employment on September 1, 2020, and moved to Florida. His employer notified him on August 15, 2020, that he would receive a \$1,000 bonus on September 15, 2020. He must accrue the \$1,000 bonus to the portion of 2020 when he was a resident because the right to receive the bonus was fixed and the amount was determinable before the time he changed his residency.

Example 3: Emma, a Connecticut resident, won the Connecticut Lottery in 2020. The proceeds from her wager were reported on federal Form W-2G. Emma will receive her winnings on the installment basis for 20 years. During the 2020 taxable year, Emma moved out of Connecticut and is a part-year resident because she changed her permanent legal residence. Ordinarily, Emma's Connecticut Lottery winnings would be subject to special accrual; however, Emma may avoid special accrual on those lottery winnings as long as the Connecticut Lottery Corporation continues to withhold Connecticut income tax from those winnings. Emma will remain subject to Connecticut income tax for the years during which the lottery winnings are received.

If Emma won another state's lottery during 2020, she would be subject to Connecticut income tax while a Connecticut resident. If Emma moves out of Connecticut, and is a part-year resident because she changes her permanent legal residence, her lottery winnings would be subject to special accrual.

Payment of Tax

If you moved out of Connecticut during the taxable year and you have items of income or gain subject to special accrual, you must either:

- Include the items of accrual in the calculation of tax in the year you changed your residence; **or**
- File a surety bond or other security and pay the tax as a nonresident in the year(s) the income is actually received.

Surety Bond

You may elect to defer the payment of Connecticut income tax on items of special accrual by filing a surety bond with DRS in an amount not less than the amount of the additional Connecticut income tax that would be payable if no surety bond or other security were filed. If you choose this option, you must file Form CT-1040NR/PY for the taxable year when you change your residence. Include a separate statement showing the nature and amount of each item of special accrual as of the date of change of residence together with a computation of the additional Connecticut income tax which would be due if the election to file a surety bond had not been made.

For more information on the requirements for a surety bond, see Conn. Agencies Regs. § 12-717(c)(4)-1, **Form CT-12-717A**, *Change of Resident Status - Special Accruals*, **Connecticut Surety Bond Form**, and **Form CT-12-717B**, *Change of Resident Status - Special Accruals, Other Acceptable Security Form*.

Change From Nonresident to Resident

If you moved into Connecticut during the taxable year, items of income, gain, loss, or deduction that accrue to the period of the year prior to your Connecticut residency are not included in your Connecticut-sourced income. However, items of income

derived from or connected with Connecticut sources may not be accrued to the nonresident period and must be included in calculating your Connecticut-sourced income for that year.

Example: Nikki was an Alabama resident from January 1, 2020, until July 31, 2020. She became a Connecticut resident on August 1. While a resident of Alabama, Nikki earned \$10,000 for work performed in that state, but she did not receive payment for that work until September 30, 2020.

Nikki also owned a condominium in Connecticut, which she rented to a third party from January 1 to July 31, 2020. She received payment of the rent for the first four months of the year while she was living in Alabama and she received the remaining payments after she became a Connecticut resident.

Nikki will file a Connecticut part-year resident return for 2020. The \$10,000 of Alabama sourced income earned before Nikki changed her residency is accrued to her nonresidency period even though she received the payment after becoming a Connecticut resident. The rental payments from Connecticut real estate are considered Connecticut-sourced income regardless of when she received this income. Therefore, the entire amount of rental income is includable in her Connecticut adjusted gross income and none of it is subject to special accrual.

Additional Forms and Schedules You May Have to Complete

This booklet contains instructions for forms you may have to complete in addition to Form CT-1040NR/PY. Below is a description of these forms and an explanation of who should complete them. A self-employed nonresident or part-year resident (for his or her nonresidency period) who carried on business both in and outside of Connecticut may also be required to file **Schedule CT-1040BA, Nonresident Business Apportionment** (not included in this booklet).

Form	Who Should Complete
Schedule CT-SI Parts 1 and 2	All nonresidents and part-year residents
Employee Apportionment Worksheet	A nonresident employee or part-year employee (for his or her nonresidency period) who worked in and outside of Connecticut and does not know the actual amount of Connecticut-sourced income.
Schedule CT-1040AW	All part-year residents

Taxable Year and Method of Accounting

You must use the same taxable year for Connecticut income tax purposes as you use for federal income tax purposes. Most individuals use the calendar year as their taxable year for federal income tax purposes. However, if the calendar year is not your taxable year for federal income tax purposes, references in this booklet to 2020 are references to your taxable year beginning during 2020.

You must use the same method of accounting for Connecticut income tax purposes as you use for federal income tax purposes.

If your taxable year or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

When to File

Your Connecticut income tax return is due on or before April 15, 2021. If you are not a calendar year filer, your return is due on or

before the fifteenth day of the fourth month following the close of your taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, the return will be considered timely filed if filed by the next business day.

Your return meets the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date.

Not all services provided by these designated PDSs qualify. This list is subject to change. See **Policy Statement 2016(4), Designated Private Delivery Services and Designated Types of Service**, for a current list of qualified PDSs.

If Form CT-1040NR/PY is filed late or all the tax due is not paid with the return, see *Interest and Penalties* on Page 12 to determine if interest and penalty must be reported with the return.

Extension Requests

Extension of Time to File

To request an extension of time to file your return, you must file **Form CT-1040 EXT, Application for Extension of Time to File Connecticut Income Tax Return for Individuals**, and pay all the tax you expect to owe on or before the due date.

Form CT-1040 EXT extends only the time to file your return; it does not extend the time to pay your tax due. See *Interest and Penalties*, on Page 12, if you do not pay all the tax due with your extension request.

Visit portal.ct.gov/TSC to file your extension electronically.

You do not need to file Form CT-1040 EXT if you:

- Have requested an extension of time to file your 2020 federal income tax return and you expect to owe no additional Connecticut income tax for the 2020 taxable year after taking into account any Connecticut income tax withheld from your wages, any Connecticut income tax payments you have made, and any Pass-Through Entity Tax Credit (PE Tax Credit) you are allowed to claim; **or**
- Pay your expected 2020 Connecticut income tax due using a credit card on or before the due date.

You must file Form CT-1040 EXT if you:

- Did not request an extension of time to file your federal income tax return, but you are requesting an extension of time to file your Connecticut income tax return; **or**
- Have requested an extension of time to file your federal income tax return but you expect to owe additional Connecticut income tax for 2020 and will submit a payment with Form CT-1040 EXT.

If you file an extension request with a payment after the due date, generally April 15, DRS will deny your extension request.

U.S. Citizens Living Abroad

If you are a U.S. citizen or resident living outside the United States and Puerto Rico, or if you are in the armed forces of the United States serving outside the United States and Puerto Rico, and are unable to file a Connecticut income tax return on time, you must file Form CT-1040 EXT. You must also pay the amount of tax due on or before the original due date of the return.

Include with Form CT-1040 EXT a statement that you are a U.S. citizen or resident living outside the United States and Puerto Rico, or in the armed forces of the United States serving outside the United States and Puerto Rico, and that you qualify for a federal automatic extension. If your application is approved, the due date will be extended for six months.

If you received a federal extension of time to file beyond six months, to qualify for the federal foreign earned income exclusion and for the foreign housing exclusion or deduction, you may file your Connecticut return using the federal extension due date. Submit a copy of the approved federal Form 2350, Application for Extension of Time to File U.S. Income Tax Return, by attaching it to the front of your Form CT-1040NR/PY.

Extension of Time to Pay

You may be eligible for a six-month extension of time to pay the tax due if you can show that paying the tax by the due date will cause undue hardship. You may request an extension by filing **Form CT-1127, Application for Extension of Time for Payment of Income Tax**, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1040NR/PY or Form CT-1040 EXT and send it on or before the due date. As evidence of the need for extension, you **must** attach:

- An explanation of why you cannot borrow money to pay the tax due;
- A statement of your assets and liabilities; **and**
- An itemized list of your receipts and disbursements for the preceding three months.

If an extension of time to pay is granted and you pay all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. You should make payments as soon as possible to reduce the interest you would otherwise owe.

Filing the Connecticut Income Tax Return Electronically

Most Connecticut taxpayers are able to use the DRS **Taxpayer Service Center (TSC)** to file their Connecticut income tax return at **portal.ct.gov/TSC**. You may electronically file your Connecticut income tax return through the **TSC** if all of the following are true:

- You filed a Connecticut income tax return in the last three years, or have never filed a Connecticut income tax return, but you have a valid Connecticut driver's license or Connecticut non-driver ID;
- Your filing status is the same as the last return DRS has on file, or, if your filing status changed since your last filing, your new filing status is displayed in the drop-down menu. If your new filing status is not displayed in the drop-down menu, visit the DRS website at **portal.ct.gov/DRS** select *For Individuals* and select *E-Services* for information on other e-filing options;
- You are not filing **Form CT-1040 CRC, Claim of Right Credit**;
- You are not filing **Form CT-19IT, Title 19 Status Release Form**;

- You are not filing federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer;
- You have no more than ten Forms W-2 or 1099 that show Connecticut income tax withheld; **and**
- You have no more than ten Schedules CT K-1 and Schedules CT-1041 K-1 showing a PE Tax Credit allocated to you.

Do not send a paper copy of your electronically filed return with the payment. Send only **Form CT-1040V, 2020 Connecticut Electronic Filing Payment Voucher**, with your payment.

Estimated Tax Payments for Tax Year 2021

You must make estimated income tax payments if:

1. Your Connecticut income tax, after taking into account your Connecticut tax withheld, and any Pass-Through Entity Tax Credit (PE Tax Credit) you are allowed to claim, is \$1,000 or more; **and**
2. You expect your Connecticut income tax withheld (including any PE Tax Credit) to be less than your required annual payment for the 2021 taxable year.

Your required annual payment for the 2021 taxable year is the lesser of:

- **90%** of the income tax shown on your 2021 Connecticut income tax return; **or**
- **100%** of the income tax shown on your 2020 Connecticut income tax return if you filed a 2020 Connecticut income tax return that covered a 12-month period.

2021 Estimated Tax Due Dates	
Due dates of installments and the amount of required payments for 2020 calendar year taxpayers are:	
April 15, 2021	25% of your required annual payment
June 15, 2021	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)
September 15, 2021	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)
January 15, 2022	25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)
An estimate is considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the return will be considered timely if filed by the next business day.	

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident during the 2020 taxable year and you did not file a 2020 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut-sourced income during the 2020 taxable year and you did not file a 2020 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut-sourced income during the 2020 taxable year, your required annual payment is 90% of the income tax shown on your 2021 Connecticut income tax return.

Annualized Income Installment Method

If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2018(11)**, *A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES*.

Filing Form CT-1040ES

You may file and pay your 2021 Connecticut estimated tax using the **TSC**. You may also make your payments by credit card. Visit the DRS website at portal.ct.gov/TSC for more information.

Use **Form CT-1040ES**, *Estimated Connecticut Income Tax Payment Coupon for Individuals*, to make estimated Connecticut income tax payments for 2021 by mail. If you made estimated tax payments by mail in 2020, you will automatically receive coupons for the 2021 taxable year in mid-January. They will be preprinted with your name, address, and the last four digits of the SSN. To ensure your payments are properly credited, use the preprinted coupons.

If you did not make estimated tax payments in 2020, use Form CT-1040ES to make your first estimated income tax payment. If you file this form, additional preprinted coupons will be mailed to you. Form CT-1040ES is available on the DRS website at portal.ct.gov/DRS.

To avoid making estimated tax payments, you may request that your employer or payer withhold additional amounts from your wages, pension, or annuity to cover the taxes on other income. You can make this change by giving your employer a revised **Form CT-W4**, *Employee's Withholding Certificate* or **Form CT-W4P**, *Withholding Certificate for Pension or Annuity Payments*. For help in determining the correct amount of Connecticut income tax to be withheld from your income, see **Informational Publication 2021(7)**, *Is My Connecticut Withholding Correct?*

Special Rules for Farmers and Fishermen

If you are a farmer or fisherman (as defined in IRC § 6654(i)(2)) who is required to make estimated income tax payments, you must make only **one** payment. Your payment is due on or before January 15, 2022, for the 2021 taxable year. The required installment is the lesser of 66 ²/₃% of the income tax shown on your 2021 Connecticut income tax return or 100% of the income tax shown on your 2020 Connecticut income tax return.

If you file a 2021 Connecticut income tax return on or before March 1, 2022, and pay in full the amount computed on the return as payable on or before that date, you will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules **must** complete and attach **Form CT-2210**, *Underpayment of Estimated Tax by Individuals,*

Trusts, and Estates, to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Check Box D of Form CT-2210, Part I, and the box for Form CT-2210 on the front of Form CT-1040NR/PY. See **Informational Publication 2018(19)**, *Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax*, or **Informational Publication 2009(14)**, *Fisherman's Guide to Sales and Use Taxes and Estimated Income Tax*.

Filing Form CT-2210

Use Form CT-2210 to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do not file Form CT-2210 and DRS will send you a bill.

Interest on Underpayment of Estimated Tax

You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, or if any PE Tax Credit reported to you on Schedule CT K-1, Part III, Line 1, or Schedule CT-1041 K-1, Part IV, Line 1, is not sufficient to cover your tax liability by the installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up the underpayment. Interest at 1% per month or fraction of a month will be added to the tax due until the **earlier of** April 15, 2021, or the date on which the underpayment is paid.

If you file a 2020 Connecticut income tax return on or before January 31, 2021, and pay in full the amount computed on the return as payable on or before that date, you will not be charged interest for failing to make the estimated payment due January 15, 2021.

Farmers or fishermen: see *Special Rules for Farmers and Fishermen*, on Page 12.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

If you do not pay the tax when due, you will owe interest at 1% per month or fraction of a month until the tax is paid in full.

Interest on underpayment or late payment of tax cannot be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income or use tax is 10% of the tax due. If a request for an extension of time to file has been granted, you can avoid a penalty for failure to pay the full amount due by the original due date if you:

- Pay at least 90% of the income tax shown to be due on the return on or before the original due date of the return; **and**
- Pay the balance due with the return on or before the extended due date. If you file your return electronically and pay your balance due by check, then your check must be postmarked on whichever is earlier: the date of acceptance of the electronic return or the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% of the balance due or \$50, whichever is greater. If you are required to file **Form CT-1040X, Amended Connecticut Income Tax Return for Individuals**, and fail to do so, a penalty may be imposed.

Waiver of Penalty

To request a waiver of penalty, taxpayers must complete and submit **Form DRS-PW, Request for Waiver of Civil Penalty**. Taxpayers may mail Form DRS-PW to the address listed below or fax it to Operations Bureau/Penalty Waiver at 860-297-5727.

Department of Revenue Services
Operations Bureau/Penalty Waiver
PO Box 5089
Hartford CT 06102-5089

DRS will not consider a penalty waiver request unless it is accompanied by a fully completed and properly executed Form DRS-PW. The Commissioner cannot consider a request received more than one year from the date a notice of such penalty was first sent to the taxpayer requesting the waiver. For the taxpayer who self reports the penalty on his or her tax return, the filing date of such return is considered the date on which the taxpayer was notified of such penalty. See **Policy Statement 2019(3), Requests for Waiver of Civil Penalties**.

Refund Information

There are two ways to get your refund: **Direct Deposit** or **Paper Check**.

The fastest way to get your refund is to file your return electronically and elect direct deposit. Paper return filers may request direct deposit. The direct deposit option is **not** available to first-time Connecticut income tax filers.

For faster service, DRS recommends that taxpayers use direct deposit to a savings or checking account.

For returns filed on paper, you must allow 10 to 12 weeks from the date you mailed the return before checking on the status of your refund.

Your refund could be delayed if additional information or identity verification is required to prevent refund theft.

Anyone who receives a refund but has not filed a Connecticut income tax return must contact DRS immediately. Call the DRS Fraud Unit at **855-842-1441**.

Option 1: Direct Deposit

To elect direct deposit complete Lines 27a through 27c. See *Line 27: Refund*, on Page 18.

Make your direct deposit successful by:

- Confirming your account number and routing number with your financial institution and entering them clearly on your tax return;
- Entering the direct deposit information separately for both your federal and state electronically filed returns; **and**
- Printing your software-prepared paper return only after you have entered the direct deposit information into the program.

Some financial institutions do not allow a joint refund to be deposited into an individual account.

DRS reserves the right to send a paper check on any requested refund.

Option 2: Paper Check

If you do not elect direct deposit, or are a first time filer, a refund check will be issued and refund processing may be delayed.

Refund Status

Check the status of your refund using the **TSC** by visiting **www.ct.gov/myrefund** or call **800-382-9463** (Connecticut calls outside the Greater Hartford calling area only) or **860-297-5962** (from anywhere). You must provide your SSN (and your spouse's if married filing jointly) and the exact amount of the refund requested.

If DRS does not issue your refund on or before the ninetieth day after we receive your claim for refund, you may be entitled to interest on your overpayment. Interest is computed at the rate of two thirds of one percent ($\frac{2}{3}\%$) for each month or fraction of a month between the ninetieth day following receipt of your properly completed claim for a refund or the due date of your return, whichever is later, and the date of notice that your refund is due. Interest will not be paid on refunds of overpayment resulting from a PE Tax Credit claim.

Protecting Taxpayer Security

Tax fraud and refund theft are very serious concerns.

DRS is committed to protecting taxpayer identity information. We continue to increase our anti-fraud efforts in coordination with the IRS, other state tax agencies, and tax preparers.

We encourage taxpayers to file and pay electronically and choose direct deposit of refunds. However, if we determine that there is a high probability of fraud, we will ignore a direct deposit request and issue a paper check. If we suspect that a return has been fraudulently filed, the refund request will be delayed while we confirm with the taxpayer that the filing and the refund request are legitimate.

If you receive a refund before you file your Connecticut income tax return, please contact DRS Fraud Unit immediately at **855-842-1441**.

Income Tax Fraud

Income tax fraud has been categorized as a class D felony, which carries a fine of not more than \$5,000 or imprisonment for not more than five years, or both.

Nonobligated Spouse

When a joint return is filed and only one spouse owes past-due child support, a debt to any Connecticut state agency, or tax due to another state or the IRS, the spouse who is not obligated may be eligible to claim a share of a joint income tax refund. A nonobligated spouse who received income in 2020 and who made Connecticut income tax payments (withholding or estimates) or had a PE Tax Credit for the 2020 taxable year may be eligible to claim his or her share of any refund if:

- A joint Connecticut tax return was filed for 2020; **and**
- There was an overpayment of tax.

If you are a nonobligated spouse, you may claim your share of a joint refund by filing **Form CT-8379, Nonobligated Spouse Claim**.

If you are filing a paper Form CT-1040NR/PY, check the box on the front of your return to indicate that you are filing Form CT-8379. Attach Form CT-8379 and all Forms W-2 and 1099, and Schedules CT K-1 and CT-1041 K-1, to the front of your return.

If you are filing Form CT-1040NR/PY electronically, select the Form CT-8379 indicator on your return. Mail the completed Form CT-8379 and all Forms W-2 and 1099, and Schedules CT K-1 and CT-1041 K-1, to the Department of Revenue Services, P.O. Box 5035, Hartford, CT 06102-5035.

Do **not** use Form CT-8379 to claim your share of a Connecticut income tax refund that was applied to your spouse's federal income tax liability. For information about IRS offsets, contact the IRS at the telephone number listed on the Notice of Refund Offset issued to you.

Payment Options

Electronically paying your taxes is easy, accurate, safe, and secure. It provides you with confirmation of receipt and reduces the possibility of errors, loss, or theft.

Pay Electronically

To make a direct payment visit the **TSC** at portal.ct.gov/TSC and follow the prompts or visit <https://drsindtax.ct.gov>. You can authorize DRS to transfer funds from your bank account (checking or savings) to a DRS account by entering your bank account number and your bank routing number.

You can file your return any time before the due date and designate the amount of payment and date of transfer. Your bank account will be debited on the date you indicate. You **must** pay the balance due on or before the due date to avoid penalty and interest.

If you elect to file your return electronically but make your payment of tax due with a paper check, you are required to remit your payment with **Form CT-1040V**, *2020 Connecticut Electronic Filing Payment Voucher*. **Do not** send a paper copy of your electronically filed return with the payment.

Pay by Credit Card or Debit Card

You may elect to pay your 2020 Connecticut income tax liability using a credit card (American Express®, Discover®, MasterCard®, VISA®) or comparable debit card. A convenience fee will be charged by the service provider. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

Visit ACI Payments, Inc. (formerly Official Payments) at www.acipayonline.com and select *State Payments*.

Your payment will be effective on the date you make the charge.

Pay by Mail

Make your check payable to **Commissioner of Revenue Services**. To ensure proper posting of your payment, write “**2020 Form CT-1040NR/PY**” and your SSN(s) (optional) on the front of your check. Be sure to sign your check and paper clip it to the front of your return. **Do not send cash**. DRS may submit your check to your bank electronically.

Failure to file or failure to pay the proper amount of tax when due **will result in penalty and interest charges**. It is to your advantage to file when your return is due whether or not you are able to make full payment.

Income Tax Credit

Angel Investor Tax Credit

The angel investor tax credit is applicable against the income tax and available to investors who meet the requirements of Conn. Gen. Stat. § 12-704d, as amended by Conn. Pub. Acts 17-110 § 1. An angel investor must apply to Connecticut Innovations, Inc. (CII) to reserve the credit and must receive an *Angel Investor Tax Credit* voucher from CII before claiming the credit on the income tax return.

The credit is for a cash investment of not less than \$25,000 in the qualified securities of a Connecticut business by an angel investor. The credit is equal to 25% of such investor's cash investment provided the total tax credits allowed to any one investor shall not exceed \$500,000 and shall be claimed in the taxable year in which the cash investment was made. The credit cannot be used against the withholding tax liability imposed under Conn. Gen. Stat. § 12-707 and cannot exceed the amount of income tax imposed under Chapter 229 of the Connecticut General Statutes for the taxable year.

Tax credits cannot be reserved for any investments made after June 30, 2024. Any tax credit claimed but not applied against the income tax liability may be carried forward for the five immediately succeeding taxable years until the full credit has been applied.

Effective for taxable years commencing on or after January 1, 2016, the angel investor tax credit may be assigned, transferred, or sold. You must use **Schedule CT-IT Credit, Income Tax Credit Summary**, to calculate the amount of the Angel Investor Tax Credit you can claim on your return. If you are claiming the Angel Investor Tax Credit, you must complete Part III of Schedule CT-IT Credit. Attach the completed Schedule CT-IT Credit to the back of your paper return.

The tax credit may be claimed by the shareholders or partners of an S corporation or an entity treated as a partnership for federal income tax purposes. If the entity is a single member limited liability company that is disregarded as an entity separate from its owner, the tax credit may be claimed by the limited liability company owner provided the owner is a person subject to Connecticut income tax.

Economic Nexus

Economic nexus is the basis for determining whether nonresident partners or members of a partnership or S corporation are subject to Connecticut income tax on income derived from or connected with sources within the state. A partnership or S corporation has “substantial economic presence” in Connecticut if it purposefully directs business towards the state. Its purpose can be determined by such measures as the frequency, quantity, and systematic nature of its economic contact with the state. See **Informational Publication 2010(29.1), Q & A on Economic Nexus**.

Completing Form CT-1040NR/PY

Before you begin, gather all your records, including all your federal Forms W-2 and 1099, and your completed federal income tax return. You will need the information on your federal return to complete your Connecticut return. Complete the return in blue or black ink only.

1 Taxpayer Information

Filing Status - Check only one box.

Filing Status

Check the appropriate box to indicate your filing status.

Generally, your filing status on your Connecticut return must match your federal income tax filing status. If you are not certain of your filing status for 2020, consult the information in your federal income tax booklet or call the IRS at 800-829-1040.

There are certain situations where you and your spouse may be required to file separate Connecticut returns even though you file jointly for federal purposes. See *Special Rules for Married Individuals*, below.

If your filing status is qualifying widow(er) on federal Form 1040, or federal Form 1040-SR, do not enter your deceased spouse's name or SSN in the spaces provided for spouse's name and spouse's SSN on Form CT-1040NR/PY.

Special Rules for Married Individuals

When one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately.

When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut income tax return must file as married filing separately unless they:

- File jointly for federal income tax purposes; **and**
- Elect to be treated as if both were Connecticut residents for the entire taxable year.

When both spouses are **part-year residents** of Connecticut but do not have the same period of residency, married filing separately is their Connecticut income tax filing status.

When both spouses are **part-year residents** of Connecticut and have the same period of residency, they may choose married filing jointly or married filing separately as their Connecticut income tax filing status.

When both spouses are **nonresidents** of Connecticut but only one has income derived from or connected with sources within Connecticut, only that spouse is required to file a Connecticut income tax return. The filing spouse's Connecticut income tax filing status is married filing separately, unless they both elect to file a joint Connecticut income tax return. If an election is made, married filing jointly is their Connecticut income tax filing status.

When one spouse is a nonresident alien and the other is a citizen or resident of the U.S., each spouse who is required to file a Connecticut income tax return must file as married filing separately unless:

- An election is made by the nonresident alien and his or her spouse to file a joint federal income tax return;
- A married filing joint return is filed for federal income tax purposes; **and**
- The spouses are otherwise required or permitted to file a joint Connecticut income tax return.

The election to file a joint return means that the joint federal adjusted gross income must be used on Form CT-1040NR/PY, Line 1. It also means the spouse who would not otherwise be required to file is now jointly and severally liable for any tax liability associated with the filing of the income tax return. The Connecticut income

tax calculated using the joint income must be prorated based on the income of the spouse derived from or connected with sources in Connecticut.

If you are filing a joint federal return with your spouse but are required to file a separate Connecticut return, each of you will have to recompute your federal adjusted gross income as if you were each filing as married filing separately for federal income tax purposes. Enter on Form CT-1040NR/PY, Line 1, your income as recalculated.

Social Security Number, Name, and Address

You **must** enter your Social Security Number (SSN), name, and address in the space provided. If your city or town of residence is different from your mailing address enter the additional information in the space provided. If you file a joint return, enter your SSN and your spouse's SSN in the order they appear on your federal return. If the taxpayer is deceased, see *Deceased Taxpayers*, on Page 6.

If you are a nonresident alien and do not have an SSN, enter your Individual Taxpayer Identification Number (ITIN) in the space provided above your name. Nonresident aliens who have applied for an ITIN from the Internal Revenue Service by filing federal Form W-7, but have not received the ITIN, must wait for the ITIN to be issued before filing their Connecticut tax return. However, if you have not received your ITIN by April 15, file your return without the ITIN, enter *Applied For* or *NRA* in the SSN field, pay the tax due, and attach a copy of the federal Form W-7. DRS will contact you upon receipt of your return. DRS will hold your return until you receive your ITIN and you forward the information to us. If you fail to submit the information requested, the processing of your return will be delayed. DRS cannot process your return until we receive the ITIN.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

DRS does not round when issuing refunds.

2 Calculate Your Tax

Line 1: Federal Adjusted Gross Income

Enter your federal adjusted gross income from your 2020 federal income tax return. This is the amount reported on federal Form 1040, Line 11, or federal Form 1040-SR, Line 11.

Nonresident aliens, see *Special Information for Nonresident Aliens*, on Page 6.

Line 2: Additions

Enter the amount from **Form CT-1040NR/PY, Schedule 1, Line 40**. See *Additions to Federal Adjusted Gross Income*, on Page 20.

Line 3

Add Line 1 and Line 2. Enter the total on Line 3.

Line 4: Subtractions

Enter the amount from **Form CT-1040NR/PY, Schedule 1, Line 52**. See *Subtractions From Federal Adjusted Gross Income*, on Page 21.

Line 5: Connecticut Adjusted Gross Income

Subtract Line 4 from Line 3 and enter the result. This is your Connecticut adjusted gross income.

Line 6: Income From Connecticut Sources

Complete **Schedule CT-SI**. See *Schedule CT-SI Instructions*, on Page 27. Enter the income from Connecticut sources from Schedule CT-SI, Line 30.

Line 7

Enter the greater of Line 5 or Line 6 on Line 7. If Line 5 and Line 6 are equal, enter that amount on Line 7. If the amount on Line 7 is zero or less, go to Line 12 and enter "0."

Line 8: Income Tax

For each filing status, if the amount on Line 7 is: \$12,000 or less for married filing separately; \$15,000 or less for single; \$19,000 or less for head of household; or \$24,000 or less for married filing jointly or qualifying widow(er), enter "0" on Line 8. You do not owe any income tax. Otherwise, use one of the following methods to calculate your tax:

If your Connecticut adjusted gross income is less than or equal to \$102,000, you may use the *Tax Tables*, beginning on Page 39 to find your tax.

If your Connecticut adjusted gross income is more than \$102,000 but less than or equal to \$500,000, you may:

1. Use the *Income Tax Table* on the DRS website at portal.ct.gov/DRS and select *Individuals*;
2. Use the *Tax Calculation Schedule* beginning on Page 49; or
3. Use the online *Tax Calculator* found on the DRS website at portal.ct.gov/DRS and select *Individuals*.

Tax Calculation Schedule: If your Connecticut adjusted gross income is more than \$500,000, visit portal.ct.gov/DRS and select *For Individuals* to use the *Income Tax Calculator* or use the *Tax Calculation Schedule* beginning on Page 49. If you calculate your tax manually, using the tax calculator on the DRS website will ensure your tax calculation is correct.

After you have found the calculated tax, enter that amount on Line 8.

Nonresidents or part-year residents must calculate the tax in the same manner as resident individuals. Then, nonresidents or part-year residents prorate the tax based upon the percentage of their Connecticut adjusted gross income derived from or connected with Connecticut sources.

Example 1: Sue, a nonresident individual whose filing status is single, worked in Connecticut during the entire 2020 taxable year. Sue enters \$40,000 on Form CT-1040NR/PY, Line 5, and \$20,000 on Form CT-1040NR/PY, Line 6. Because the amount on Line 5 is greater than the amount on Line 6, Sue enters \$40,000 on Form CT-1040NR/PY, Line 7. Sue finds the tax on \$40,000 in the tax tables and enters \$1,441 on Form CT-1040NR/PY, Line 8. Sue then divides Line 6 by Line 5 and enters 50% on Line 9. Sue's Connecticut income tax is \$721 ($\$1,441 \times .50$) and she enters this amount on Form CT-1040NR/PY, Line 10.

Example 2: Ben, a part-year resident individual whose filing status is single, moved from Connecticut to Rhode Island on

August 15, 2020. Ben enters \$20,000 on Form CT-1040NR/PY, Line 5, and \$40,000 on Line 6. Because the amount on Line 6 is greater than the amount on Line 5, Ben enters \$40,000 on Form CT-1040NR/PY, Line 7. Ben then finds the tax on \$40,000 in the tax tables and enters \$1,441 on Form CT-1040NR/PY, Line 8. Because the amount on Line 6 is greater than the amount on Line 5, Ben enters 1.0000 on Line 9. Ben's Connecticut income tax is \$1,441 ($\$1,441 \times 1.0000$) and he enters this amount on Form CT-1040NR/PY, Line 10.

Line 9

If Line 5 is greater than Line 6, divide Line 6 by Line 5 and enter the result. If the result is less than zero, enter "0." If Line 6 is equal to or greater than Line 5, enter 1.0000. **Do not** enter a number that is less than zero or greater than one. Round to four decimal places.

Line 10

Multiply Line 9 by Line 8 and enter the result on Line 10.

Line 11: Credit for Income Taxes Paid to Qualifying Jurisdictions (Part-Year Residents Only)

If all or part of the income reported on this return for the period of your Connecticut residency is subject to income tax in a qualifying jurisdiction and you have filed a return and paid income taxes to that jurisdiction, complete Form CT-1040NR/PY, *Schedule 2*, and enter the amount from Line 61 here. See *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions (Part-Year Residents Only)*, on Page 24.

The credit for income tax paid to other jurisdictions is limited to part-year residents for the period of their Connecticut residency.

You **must attach a copy** of your return filed with the qualifying jurisdiction(s) or the credit will be disallowed. If filing your return electronically, you must keep a copy of the return filed with the qualifying jurisdiction(s) and provide a copy if requested by DRS.

Line 12

Subtract Line 11 from Line 10 and enter the result. If Line 11 is greater than Line 10, enter "0."

Line 13: Connecticut Alternative Minimum Tax

If you were required to pay the federal alternative minimum tax for 2020, you must file **Form CT-6251, Connecticut Alternative Minimum Tax Return - Individuals**. Enter on Line 13 the amount shown on Form CT-6251, Line 23.

Line 14

Add Line 12 and Line 13. Enter the total on Line 14.

Line 15: Allowable Credits

Enter the amount from **Schedule CT-IT Credit, Income Tax Credit Summary**, Part I, Line 11.

Use Schedule CT-IT Credit to claim the Angel Investor Tax Credit (see *Angel Investor Income Tax Credit*, on Page 14) or to claim the credit for a prior year alternative minimum tax from **Form CT-8801, Credit for Prior Year Connecticut Minimum Tax for Individuals, Trusts and Estates**.

Do not use Schedule CT-IT Credit to report any PE Tax Credit.

If you have any PE Tax Credit, use Schedule CT-PE, Pass-Through Entity Tax Credit.

Line 16: Connecticut Income Tax

Subtract Line 15 from Line 14 and enter the result. If less than zero, enter "0."

Line 17: Individual Use Tax

Complete the *Connecticut Individual Use Tax Worksheet* on Page 35, then complete and attach *Schedule 3* on Page 4 of Form CT-1040NR/PY. Enter on Line 17 the total use tax due as reported on *Schedule 3*, Line 62. You **must** enter "0" if no Connecticut use tax is due; otherwise you have not filed a use tax return. Failure to report use tax due on Line 17 and include that amount in the total amount due on Line 18 may subject you to a penalty of up to \$5,000, imprisonment for up to 5 years, or both. See *Schedule 3 - Individual Use Tax Line Instructions*, on Page 34.

Line 18 and Line 19

Add Line 16 and Line 17. Enter the total on Line 18 and Line 19.

3 Payments

Line 20: Connecticut Tax Withheld

For each federal Form W-2 or 1099 or Schedule CT K-1 where Connecticut income tax was withheld, enter the following on Lines 20a through 20e.

Column A: Enter the Employer Identification Number or the Payer Identification Number.

Column B: Enter the amount of Connecticut wages, tips, etc.

Column C: Enter the amount of Connecticut income tax withheld. You **must** complete all columns or your Connecticut withholding will be disallowed. Do **not** include tax withheld for other states or federal income tax withholding.

Nonresident partners or shareholders: Complete this section by entering information from *Schedule CT K-1, Member's Share of Certain Connecticut Items*, Part IV, Line 1. Remember to enter the FEIN and to check the box indicating that the withholding is from Schedule CT K-1.

If you have **more than five** federal Forms W-2 or 1099, and Schedule CT K-1 forms showing Connecticut income tax withheld, you must complete and attach **Supplemental Schedule CT-1040WH, Connecticut Income Tax Withholding**. Enter on Supplemental Schedule CT-1040WH only Connecticut income tax withholding amounts not previously reported on Form CT-1040NR/PY. Enter the total from Supplemental Schedule CT-1040WH, Line 3, on Line 20f, Column C.

Add all entries in Column C (including the additional amount from Supplemental Schedule CT-1040WH) and enter the total Connecticut income tax withheld on Line 20.

Do not send copies of Forms W-2 and 1099, and Schedules CT K-1. Keep these for your records. DRS may request them at a later date.

When filing **Form CT-8379, Nonobligated Spouse Claim**, attach all Forms W-2 and 1099, and Schedules CT K-1 and CT-1041 K-1.

Line 21: All 2020 Estimated Payments

Enter the total of all Connecticut estimated tax payments, advance tax payments, and any overpayments of Connecticut income tax applied from a prior year. Include any 2020 estimated tax payments made in 2020. **Do not** include any refunds received.

Line 22: Payments Made With Form CT-1040 EXT

If you filed **Form CT-1040 EXT, Application for Extension of Time to File**, enter the amount you paid with that form.

Line 22a: Claim of Right Credit

If you have claim of right income for federal tax purposes and are claiming the federal claim of right credit on your 2020 federal return, you may also be entitled to a claim of right credit for Connecticut income tax purposes.

If during your 2020 taxable year you had to repay income you included in your Connecticut adjusted gross income for an earlier taxable year, and the amount you repaid is more than \$3,000, you may be able to claim a credit against your Connecticut income tax for your 2020 taxable year. If you are eligible for the Connecticut claim of right credit, complete **Form CT-1040 CRC, Claim of Right Credit**, to claim a credit equal to the Connecticut income tax you would not have had to pay if the repaid amount had not been included in your Connecticut adjusted gross income in the earlier taxable year.

You are eligible for the Connecticut claim of right credit if you meet all of the following conditions:

- You were a resident, nonresident, or part-year resident individual who included income in Connecticut adjusted gross income for an earlier taxable year(s) (year(s) of receipt). A trust or estate is not eligible to claim relief for Connecticut income tax purposes;
- You were required to repay the income during your 2020 taxable year (year of repayment);
- The amount of the repayment exceeds \$3,000; **and**
- You determined your federal income tax liability for the year of repayment under IRC § 1341(a)(4) (see Exceptions) or IRC § 1341(a)(5).

If the claim of right credit exceeds the taxpayer's Connecticut income tax liability, the excess is considered an overpayment and will be refunded.

Complete **Form CT-1040 CRC, Claim of Right Credit**, to calculate your claim of right credit. Enter the amount from Form CT-1040 CRC, Line 6.

Line 22b: Pass-Through Entity Tax Credit

If you are a partner or a member of a PE required to pay the Connecticut PE Tax, or if you are a beneficiary of a trust or estate that is a member of such PE, and you receive a Schedule CT K-1 or a Schedule CT-1041 K-1 reporting an amount of PE Tax Credit, then you must complete **Schedule CT-PE, Pass-Through Entity Tax Credit**. Enter the amount from Schedule CT-PE, Line 1.

You must attach a copy of Schedule CT-PE or the credit will be disallowed.

Do not send copies of Schedules CT K-1 and CT-1041 K-1, but keep them for your records. DRS may request them at a later date.

Line 23: Total Payments and Refundable Credits

Add Lines 20, 21, 22, 22a, and 22b and enter the total. This is the total of all Connecticut tax payments and refundable credits.

4 Overpayment

Line 24: Overpayment

If Line 23 is greater than Line 19, subtract Line 19 from Line 23 and enter the result. This is your overpayment. To properly allocate your overpayment, go to Lines 25 through 27. If Line 23 is less than Line 19, you have an amount due. Go to Line 28.

If you were required to make estimated income tax payments, but you did not pay enough tax through withholding, estimated payments, or both, by any installment due date, or if any PE Tax Credit reported to you on Schedule CT K-1, Part III, Line 1, or Schedule CT-1041 K-1, Part IV, Line 1, is not sufficient to cover your tax liability, your overpayment may be reduced by the interest due on the underpayment of estimated tax. See **Form CT-2210, Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates**.

Line 25: Amount of Line 24 You Want Applied to Your 2020 Estimated Tax

Enter the amount of your 2020 overpayment that you want applied to your 2021 estimated Connecticut income tax. It will be treated as estimated tax paid on April 15, 2020, if your return is filed on time or if you filed a timely request for extension and your return is filed within the extension period. Payments received after April 15, 2021, will be applied as of the date of receipt. **Your request to apply this amount to your 2021 estimated income tax is irrevocable.**

Line 26: CHET Contribution from Schedule CT-CHET

Complete and attach **Schedule CT-CHET, Connecticut Higher Education Trust (CHET) 529 College Savings Plan Contribution**, to contribute all or part of your Connecticut individual income tax overpayment (Line 24) to a CHET 529 College Savings Plan Account(s). Enter the total contributions as reported on Schedule CT-CHET, Line 4. **Your contribution is irrevocable.**

Line 26a: Total Contributions to Designated Charities

You may make a contribution on this return only if you are entitled to a refund of an overpayment. Your contribution is limited to your refund amount. Complete **Schedule 4** on Form CT-1040NR/PY. Enter the total contributions as reported on **Schedule 4**, Line 63. **Your contribution is irrevocable.**

Line 27: Refund

Subtract Lines 25, 26, and 26a from Line 24 and enter the result. This is the amount of your refund.

There are two refund options available:

Option 1: Direct Deposit

Complete Lines 27a, 27b, and 27c to have your refund directly deposited into your checking or savings account. See **Refund Information**, on Page 13.

This option is **not** available to first-time filers.

Enter your nine-digit bank routing number and your bank account number on Lines 27b and 27c. Your bank routing number is generally the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as part of your account number. Bank account numbers can be up to 17 characters.

The diagram shows a check form with fields for Name of Depositor, Street Address, City, State, Zip Code, Date, No. 101, and Pay to the Order of. Below these fields are fields for Name of your Bank, Street Address, City, State, Zip Code, and a routing number field (092125789) and an account number field (091 025 025413). The routing number and account number are circled in red. Below the routing number field is the label 'Routing Number' and below the account number field is the label 'Account Number'.

Federal banking rules require DRS to inquire whether the direct deposit request is to a foreign bank account. If it is, DRS will issue your refund by check.

Option 2: Paper Check

If you do not elect or qualify for direct deposit, a refund check will be issued and refund processing may be delayed.

Your overpayment will be applied in the following order: penalty and interest you owe DRS; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2021 estimated tax; CHET contributions; and charitable contributions designated by you. Any remaining balance will be refunded to you.

5 Amount You Owe

Line 28: Tax Due

If Line 19 is greater than Line 23, subtract Line 23 from Line 19 and enter the result. This is the amount of tax you owe.

Line 29: Penalty for Late Payment or Late Filing

Late Payment Penalty: The penalty for late payment or underpayment of income or use tax is 10% of the amount due. See **Penalty for Late Payment or Late Filing** on Page 12.

Late Filing Penalty: In the event no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Line 30: Interest for Late Payment or Late Filing

If you fail to pay the tax when due, interest will be charged at the rate of 1% per month or fraction of a month from the due date until payment is made.

Line 31: Interest on Underpayment of Estimated Tax

If Line 16 minus Line 20 and Line 22b is \$1,000 or more, you may owe interest on estimated tax you either underpaid or paid late. **Form CT-2210, Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates**, can help you determine whether you did underestimate and will help you calculate interest. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do **not** file Form CT-2210, leave this line blank and DRS will send you a bill. Interest on underpayment of estimated income tax stops accruing on the **earlier** of the day you pay your tax or April 15, 2021.

Line 32: Total Amount Due

Add Lines 28 through 31 and enter the total. This is the total amount you owe. Pay the amount in full with your return. See **Payment Options** on Page 14.

6 Sign Your Return

After you complete your Connecticut Form CT-1040NR/PY, sign your name and write the date you signed the return. Your spouse must also sign and enter the date if this is a joint return. The signature line is on Page 2 of Form CT-1040NR/PY.

If you file a joint return, you **must** review the information with your spouse. When both you and your spouse sign the return, you become jointly and severally responsible for paying the full amount of tax, interest, and penalties due. In addition, you and your spouse will be jointly entitled to any refund which will be issued to both names listed on the return.

Taxpayer's Email Address

DRS tax returns have a line for taxpayers to enter their email address. If you provide an email address, DRS may use it to notify you of tax changes and programs. However, DRS will never use email to ask for sensitive information, such as your Social Security Number. If you ever have questions about an email claiming to be from DRS, contact DRS directly.

See *Tax Information*, on back cover.

Paid Preparer Signature

Anyone you pay to prepare your return must sign and date it. Paid preparers **must** also enter their Preparer Tax Identification Number (PTIN), and their firm's Federal Employer Identification Number (FEIN) in the spaces provided.

Alternative Signature Methods

DRS conforms to IRS Notice 2004-54, which provides for alternative preparer signature procedures for federal income tax paper returns that paid practitioners prepare on behalf of their clients. Specifically, income tax return preparers may sign original returns, amended returns, or requests for filing extensions by rubber stamp, mechanical device, or computer software program. These alternative methods of signing must include either a facsimile of the individual preparer's signature or the individual preparer's printed name.

Income tax return preparers who use alternative methods of signing must provide all of the other preparer information that is required on returns and extensions, such as the name, address, relevant employer identification number, the preparer's individual tax preparer tax identification number (PTIN), and phone number.

Paid preparers can follow the same procedure with respect to paper Connecticut income tax returns prepared on behalf of their clients. This procedure only applies to preparers' signatures. It does not affect other signature requirements for taxpayers, and does not apply to documents other than tax returns.

Third Party Designee

To authorize DRS to contact your friend, family member, or any other person to discuss your 2020 tax return, enter the designee's name, telephone number, and any five numbers the designee chooses as his or her personal identification number (PIN). To authorize DRS to contact the paid preparer who signed your return, enter "Preparer" in the space for the designee's name. You do not have to provide the other information requested.

If you enter a designee's name, you and your spouse, if filing a joint return, are authorizing DRS to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give DRS any information missing from your return;
- Call DRS for information about the processing of your return or the status of your refund or payment; **and**
- Respond to certain DRS notices you have shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

Once DRS processes the return, the authorization ends. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2021 tax return. This is April 15, 2022, for most taxpayers.

Selecting a designee does not replace a power of attorney and will not authorize the designee to receive refunds, bind you to anything (including additional tax liabilities), or represent you before DRS. To authorize another individual to represent you or act on your behalf, you must complete **LGL-001, Power of Attorney**.

Order of Attachments

Paper clip your check in payment of the tax due to the front of the income tax form in the appropriate area marked *Clip check here*. To ensure proper posting of your payment, write "**2020 Form CT-1040NR/PY**" and your SSN(s) (optional) on the front of your check.

If you are submitting any of the following, paper clip them to the **front** of your Connecticut income tax return in the following order:

- Your check for payment of the tax due. See *Pay By Mail* on Page 14;

Filing Your Return

Keep a copy of this return and all attachments for your records. Attach to this return copies of any required schedules and forms. Do **not** attach copies of your federal income tax return or federal schedules.

DRS does not provide return envelopes for mailing completed forms. See *Mailing Addresses for Form CT-1040NR/PY*, on Page 11 for the correct address to use for returns with payments, refunds, or payments only.

Recordkeeping

Make copies of your tax return; completed worksheets and schedules; and records of all items appearing on the tax return (such as Forms W-2 and 1099, and Schedules CT K-1, and copies of other states' returns if claiming a credit for taxes paid to a qualifying jurisdiction). Retain copies until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

Copies of Returns

You may request a copy of a previously-filed Connecticut income tax return from DRS by completing **LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. You can expect to receive your copy in approximately three weeks.

You may also visit **portal.ct.gov/TSC** to view and print copies of your Connecticut income tax returns for the current year and for the two prior years.

Form CT-1040NR/PY Schedules

The following modifications to federal adjusted gross income are provided in Conn. Gen. Stat. § 12-701(a)(20). Your federal adjusted gross income may not be further modified in determining your Connecticut adjusted gross income except as expressly provided by Conn. Gen. Stat. § 12-701(a)(20).

Schedule 1 - Modifications to Federal Adjusted Gross Income

Additions to Federal Adjusted Gross Income

Enter all amounts as positive numbers.

Line 33: Interest on State and Local Government Obligations Other Than Connecticut

Enter the total amount of interest income derived from state and municipal government obligations, (other than obligations of the State of Connecticut or its municipalities) which is not taxed for federal income tax purposes. Do not enter interest income derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Line 34: Exempt-Interest Dividends From a Mutual Fund Derived From State or Municipal Government Obligations Other Than Connecticut

Enter the total amount of exempt-interest dividends received from a mutual fund that are derived from state and municipal government obligations other than obligations of the State of Connecticut or its municipalities. If the exempt-interest dividends are derived from obligations of Connecticut and other states, enter only the percentage derived from non-Connecticut obligations. Do not enter exempt-interest dividends derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Example: A fund invests in obligations of many states including Connecticut. Assuming that 20% of the distribution is from Connecticut obligations, the remaining 80% would be added back on this line.

Line 35: Taxable Amount of Lump-Sum Distributions From Qualified Plans Not Included in Federal AGI

If you filed federal Form 4972, Tax on Lump-Sum Distributions, with your federal Form 1040, or federal Form 1040-SR, to compute the tax on any part of a distribution from a qualified plan, enter that part of the distribution on Line 35. Do not enter any part of the distribution reported on federal Form 1040, Line 5a, or federal Form 1040-SR, Line 5a, or federal Form 1040, Schedule D, or federal Form 1040-SR, Schedule D.

Part-year residents should enter this amount on **Schedule CT-1040AW, Part-Year Resident Income Allocation**, Line 14, Column A.

Line 36: Beneficiary's Share of Connecticut Fiduciary Adjustment

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on **Form CT-1041, Connecticut Income Tax Return for Trusts and Estates, Schedule CT-1041B**, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary on Schedule CT-1041 K-1. If your share of these modifications is an amount greater than zero, enter the amount on Line 36. If the amount is less than zero, enter the amount on Line 48.

If you are a beneficiary of more than one trust or estate, enter the net amount of all modifications, if greater than zero, on Line 36 or, if less than zero, on Line 48.

Line 37: Loss on Sale of Connecticut State and Local Government Bonds

Enter the total losses from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used in determining gain (loss) for federal income tax purposes, whether or not the entire loss is used in computing federal adjusted gross income.

Line 38: Section 168(k) Federal Bonus Depreciation Deduction

Enter 100% of the amount of § 168(k) bonus depreciation reported for federal income tax purposes for this taxable year, provided such amount is deducted in determining the federal AGI for the taxable year.

Line 38a: Section 179 Federal Deduction

Enter 80% of the § 179 amount deducted in determining the federal AGI for the taxable year.

Line 39: Other

Use Line 39 to report any of the following modifications:

1. Add back any treaty income reported on federal Form 1040NR-EZ or Form 1040NR if a nonresident alien. Enter the words "treaty income" in the space provided.
2. Add back any loss or deduction of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of the tribe or any loss or deduction of an enrolled member of the Mohegan Tribe who resides in Indian country of the tribe where the loss or deduction is derived from or connected with Indian country of the tribe. Enter the words "Mashantucket Pequot Tribe enrolled member" or "Mohegan Tribe enrolled member" as the case may be.
3. Add back any Connecticut income tax deducted on the federal income tax return to arrive at federal adjusted gross income. Do not add back any Connecticut income tax deducted on federal Form 1040, Schedule A, or federal Form 1040-SR, Schedule A.
4. Add back any expenses paid or incurred for the production (including management, conservation, and maintenance of property held for the production) or collection of income exempt from Connecticut income tax which were deducted on the federal return to arrive at federal adjusted gross income.
5. Add back any amortizable bond premium on bonds producing interest income exempt from Connecticut income tax which premiums were deducted on the federal return to arrive at federal adjusted gross income.
6. Add back any interest or dividend income on obligations or securities of any authority, commission, or instrumentality of the United States which federal law exempts from federal income tax but does not exempt from state income taxes.
7. Add back to the extent deductible in determining federal adjusted gross income any interest expenses on indebtedness incurred or continued to purchase or carry obligations or securities (the income from which is exempt from Connecticut income tax).
8. Enter any item of income or gain subject to special accrual to the extent the item was not includible in federal adjusted gross income for the taxable year. See *Items Subject to Special Accrual*, on Page 9.

9. Add back the following distributions from an MRA established pursuant to Conn. Gen. Stat. § 32-9zz:
- 100% of any distribution from such MRA not used to purchase machinery or equipment for use in Connecticut or manufacturing facilities, as defined in Conn. Gen. Stat. § 12-81(72), or for workforce training, development or expansion in Connecticut; **and**
 - 100% of any return of money remaining in the MRA at the end of the five-year period after such account's creation or organization, including any interest earned.

See **Special Notice 2012(6)**, *2012 Legislative Changes Affecting the Income Tax*.

10. Add back, to the extent not properly includible in gross income for federal income tax purposes, any compensation required to be recognized under 26 U.S.C. § 457A that is attributable to services performed within Connecticut.
11. Also use Line 39 to report any additions to federal adjusted gross income required for Connecticut income tax purposes which are not listed on Lines 33 through 38.

Line 40: Total Additions

Add Lines 33 through 39 and enter the total on Form CT-1040NR/PY, *Schedule 1*, Line 40.

Subtractions From Federal Adjusted Gross Income

Enter all amounts as positive numbers.

Line 41: Interest on U.S. Government Obligations

Enter the total amount of interest income (to the extent includible in federal adjusted gross income) derived from U.S. government obligations which federal law prohibits states from taxing (for example, U.S. government bonds such as Saving Bonds Series EE or Series HH and U.S. Treasury bills or notes).

For Series EE U.S. Savings Bonds, you are entitled to include on Line 41 **only** the amount of interest subject to federal income tax after exclusion of the amounts reported on federal Form 8815. In general, you report the net taxable amount on federal Form 1040, Schedule B, or federal Form 1040-SR, Schedule B.

Do not enter the amount of interest income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing interest income derived from these obligations, and this interest income is taxable for Connecticut income tax purposes.

Do not enter the amount of interest paid to you on any federal income tax refund.

Line 42: Exempt Dividends From Certain Qualifying Mutual Funds Derived From U.S. Government Obligations

Enter the total amount of exempt dividends received from a qualifying mutual fund derived from U.S. government obligations. A mutual fund is a qualifying fund if **at the close of each quarter** of its taxable year at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to you by the mutual fund.

Do not enter the amount of dividend income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations, and this income is taxable for Connecticut income tax purposes.

Example: A qualifying mutual fund pays a dividend of \$100. Of the distribution, 55% is attributable to U.S. Treasury bills and 45% to other investments. The amount that should be reported on Line 42 is \$55.

See **Policy Statement 2005(2)**, *Connecticut Income Tax on Bonds or Obligations Issued by the United States Government, by State Governments, or Municipalities*.

Line 43: Social Security Benefit Adjustment

If you receive Social Security benefits subject to federal income tax, you may reduce or eliminate the amount of your benefits subject to Connecticut income tax.

Your Social Security benefits are fully exempt from Connecticut income tax if your required filing status is single or married filing separately and the amount reported on Form CT-1040NR/PY, Line 1, is **less than \$75,000**, or married filing jointly, qualifying widow(er), or head of household and the amount reported on Form CT-1040NR/PY, Line 1, is **less than \$100,000**. If this is the case, enter the amount of federally taxable Social Security benefits reported on federal Form 1040, Line 6b, or federal Form 1040-SR, Line 6b.

Your Social Security benefits are partially exempt from Connecticut income tax if your federal adjusted gross income is above the threshold for your filing status.

If you used the worksheets contained in the instructions to federal Forms 1040 and 1040-SR to calculate the amount of taxable Social Security benefits, complete the *Social Security Benefit Adjustment Worksheet*, on Page 22 and enter the amount from Line F on Line 43.

You may use the online **Social Security Benefit Adjustment Calculator** found on the DRS website at portal.ct.gov/DRS and select *Individuals*.

If you are using a worksheet that is not from a federal publication, such as one you printed from a tax preparation program on your computer or one given to you by your tax preparer, you should verify the line references from these worksheets are the same as the equivalent federal publication to be certain you are using the proper amounts.

Line 44: Refunds of State and Local Income Taxes

Enter the amount of taxable refunds of state and local income taxes reported on federal Form 1040, Schedule 1, Line 1, or federal Form 1040-SR, Schedule 1, Line 1. If federal Form 1040, Schedule 1, Line 1, or federal Form 1040-SR, Schedule 1, Line 1 is blank, enter "0."

Line 45: Tier 1 and Tier 2 Railroad Retirement Benefits and Supplemental Annuities

If you received Tier 1 or Tier 2 (or both) railroad retirement benefits or supplemental annuities during 2020, you may deduct the amount included in your federal adjusted gross income. Do not include the Social Security Equivalent Benefit (SSEB) amount of the Tier 1 benefits. The SSEB is treated like Social Security for federal income tax purposes, which means you may take it into account when determining the subtraction modification for Line 43. Enter the amount of Tier 1 and Tier 2 railroad retirement benefits reported on federal Form 1040, Line 5b, or federal Form 1040-SR, Line 5b. Likewise, enter the amount of railroad unemployment benefits, including sickness benefits paid by the Railroad Retirement Board (RRB) in lieu of unemployment benefits, to the extent included in your federal adjusted gross income. However, do not enter sickness benefits paid by the RRB resulting from an on-the-job injury because these benefits are not included in your federal adjusted gross income.

Line 46: Military Retirement Pay

Subtract income received as military retirement pay, to the extent included in federal adjusted gross income, if you are a retired member of the armed forces of the United States or the National Guard (retired military member) or if you are a beneficiary receiving survivor benefits under an option or election made by a deceased retired military member.

Payments received by a former spouse of a retired military member under a final decree of divorce, dissolution, annulment, or legal separation; or a court ordered, ratified, or approved property settlement incident to a decree dividing military retirement pay, do not qualify for the military retirement pay exclusion.

Line 47: 25% of Connecticut Teachers' Retirement Pay

Subtract 25% of the income received from the Connecticut Teachers' Retirement System, provided you properly included such income in federal adjusted gross income for federal income tax purposes. You must have received a Form 1099-R from the Connecticut Teachers' Retirement Board to be eligible for the subtraction modification.

Line 48: Beneficiary's Share of Connecticut Fiduciary Adjustment

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on Form CT-1041, *Schedule CT-1041B*, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary on Schedule CT-1041 K-1. If your share of these modifications is an amount less than zero, enter the amount on this line. If the amount is greater than zero, enter the amount on Line 36.

If you are a beneficiary of more than one trust or estate, and the net amount of all the modifications is less than zero, then enter the net amount on this line.

Line 49: Gain on Sale of Connecticut State and Local Government Bonds

Enter the total of all gains from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used in determining gain (loss) for federal income tax purposes.

Line 50: Connecticut Higher Education Trust (CHET) Contributions

Enter your contributions to a CHET account(s). The modification cannot exceed the maximum allowable contribution. The maximum CHET contribution that may be subtracted is the lesser of: (1) the amount of contributions to all CHET accounts during the taxable year; or (2)(A) \$5,000 for each individual taxpayer (including individuals whose filing status on their Connecticut income tax return is single, head of household, married filing separately), or (B) \$10,000 for individuals whose filing status on their Connecticut income tax return is married filing jointly or qualifying widow(er).

If your CHET contribution during the taxable year exceeds the maximum CHET contribution, the excess may be carried forward for the five succeeding taxable years. The CHET carryforward amount subtracted from federal adjusted gross income in the succeeding taxable years can not exceed the maximum CHET contribution limitations above. CHET contributions made in the current taxable year should be used before using any carryover from prior years.

Enter the CHET account number in the space provided. If you made contributions to more than one account, you enter only one account number.

See **Special Notice 2006(11)**, *2006 Legislative Changes Affecting the Income Tax*.

Social Security Benefit Adjustment Worksheet - Line 43

If your filing status is **single** or **married filing separately**, is the amount on Line 1 \$75,000 or more?
 Yes: **Complete** this worksheet.
 No: **Do not complete** this worksheet. Enter on Form CT-1040NR/PY, Line 43, the amount of federally taxable Social Security benefits you reported on federal Form 1040, Line 6b, or federal Form 1040-SR, Line 6b.

If your filing status is **married filing jointly, qualifying widow(er), or head of household**, is the amount on Line 1 \$100,000 or more?
 Yes: **Complete** this worksheet.
 No: **Do not complete** this worksheet. Enter on Form CT-1040NR/PY, Line 43, the amount of federally taxable Social Security benefits you reported on federal Form 1040, Line 6b, or federal Form 1040-SR, Line 6b.

A. Enter the amount reported on your 2020 federal Social Security Benefits Worksheet, Line 1. If Line A is zero or less, stop here and enter "0" on Line 43. Otherwise, go to Line B.	A.
B. Enter the amount reported on your 2020 federal Social Security Benefits Worksheet, Line 9. However, if filing separately and you lived with your spouse at any time during 2020, enter the amount reported on Line 7 of your federal Social Security Benefits Worksheet. If Line B is zero or less, stop here. Otherwise, go to Line C.	B.
C. Enter the lesser of Line A or Line B.	C.
D. Multiply Line C by 25% (.25).	D.
E. Taxable amount of Social Security benefits reported on your 2020 federal Social Security Benefits Worksheet, Line 18.	E.
F. Social Security Benefit Adjustment - Subtract Line D from Line E. Enter the amount here and on Form CT-1040NR/PY, <i>Schedule 1</i> , Line 43. If Line D is greater than or equal to Line E, enter "0."	F.

Line 50a: 25% of Section 168(k) Federal Bonus Depreciation Deduction Added Back in Preceding Three Years

Enter 25% of the § 168(k) federal deduction that you added back on your Connecticut income tax return in the three preceding taxable years.

Line 50b: 28% of Pension or Annuity Income

If your filing status is single, married filing separately, or head of household with federal AGI for the taxable year of less than \$75,000 or married filing jointly with federal AGI of less than \$100,000, and you receive income from certain pensions and annuities, such as from a defined benefit plan, 401(k), 403(b) or 457(b) plans, you qualify for this subtraction modification.

The following amounts are not in Line 5b of the federal income tax return and should not be added when calculating the pension and annuity amount for Line 50b of Form CT-1040NR/PY:

- Disability pensions received before the recipient met the minimum retirement age set by his or her employer;
- Corrective distributions of excess elective deferrals or other excess contribution to retirement plans; **and**
- Distribution from traditional IRAs, Roth IRAs, simplified employee pension (SEP) IRAs, and savings incentive match plans for employee (SIMPLE) IRAs,

On federal Form 1040, or federal Form 1040-SR, IRA distributions and pensions and annuities are reported on separate lines.

To determine the amount to enter on this line, begin with the amount reported on federal Form 1040, Line 5b, or federal Form 1040-SR, Line 5b, Taxable amount of pensions and annuities. From the amount on Line 5b, subtract military retirement pay, Tier 1 and Tier 2 railroad retirement benefits, and Connecticut teachers' retirement pay. Multiply the result by 28%. Enter the amount on this line.

Military retirement pay and Tier 1 and Tier 2 railroad retirement benefits are fully exempt from Connecticut income tax, and should not be included in this calculation. The subtraction modification for these benefits are reported on Lines 46 and 45, respectively, on the Connecticut return. Taxpayers who receive income from the Connecticut Teachers' Retirement Board are already allowed to exempt 25% of that income from Connecticut income tax on Line 47 of the Connecticut return.

Connecticut law does not allow a double benefit for the same income.

A survivor or beneficiary of a plan participant may claim the 28% subtraction modification for Connecticut income tax purposes in the same manner as the plan participant would have been allowed to claim the modification, if such survivor or beneficiary is required to report the pension and annuity income on the federal income tax return in the same manner as the plan participant would have reported such income.

Example: Anna's filing status on her Connecticut nonresident and part-year resident return is single. She receives \$30,000 from the Teachers' Retirement System and \$38,000 in pension payments from XYZ Corporation for the taxable year. Both amounts are includible in Anna's federal gross income, and her federal AGI is less than \$75,000. On the Connecticut return for the taxable year, Anna may subtract \$7,500 ($\$30,000 \times 25\%$) on Line 47, *Schedule 1*, Form CT-1040NR/PY, and \$10,640 ($\$38,000 \times 28\%$) as a pension and annuity income subtraction modification on Line 50b, *Schedule 1*, Form CT-1040NR/PY.

Line 51: Other

Use Line 51 to report any of the following modifications:

1. Subtract any income or gain of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of the tribe or any income or gain of an enrolled member of the Mohegan Tribe who resides in Indian country of the tribe, where the income or gain is derived from or connected with Indian country of the tribe. Enter the words "Mashantucket Pequot Tribe enrolled member" or "Mohegan Tribe enrolled member" as the case may be.
2. Subtract the amount of interest earned on funds deposited in a Connecticut individual development account to the extent included in federal adjusted gross income.
3. Subtract any interest paid on indebtedness incurred to acquire investments that provide income taxable in Connecticut but are exempt for federal purposes, that is not deductible in determining federal adjusted gross income, and that is attributable to a trade or business of that individual.
4. Subtract expenses paid or incurred for the production (including management, conservation, and maintenance of property held for production) or collection of income taxable in Connecticut but exempt from federal income tax, that are not deductible in determining federal adjusted gross income and are attributable to a trade or business of that individual.
5. Subtract the amount of any distributions you received from the Connecticut Higher Education Trust Fund (CHET) as a designated beneficiary to the extent includible in your federal adjusted gross income.

Congress passed legislation excluding from federal gross income any distribution from a qualified state tuition program (such as CHET), to the extent the distribution is used to pay for qualified higher education expenses. (Pub. L. No. 107-16, § 402) To the extent any distribution from CHET is excluded from federal gross income, the amount should not be reported as a subtraction modification on Line 51.

6. Subtract any amortizable bond premium on bonds that provide interest income taxable in Connecticut but exempt from federal income tax, which premiums were not deductible in determining federal adjusted gross income and are attributable to a trade or business of that individual.
7. Enter any item of loss or deduction subject to special accrual to the extent the item was not deductible in determining federal gross income for the taxable year. See *Items Subject to Special Accrual*, on Page 9.
8. Subtract the amount of any interest income from notes, bonds, or other obligations of the State of Connecticut included in federal adjusted gross income. This modification includes any Build America Bond tax credit amount if the Build America Bond, as described in Section 1531 of the American Recovery and Reinvestment Act of 2009, was issued by the State of Connecticut or a Connecticut subdivision and only to the extent the credit amount is treated as interest includible in gross income for federal income tax purposes.
9. Subtract the amount of military pay received by a nonresident or part-year resident during the part-year resident's nonresidency portion of the taxable year to the extent includable in federal adjusted gross income.
10. Subtract the amount of any interest, dividends, or capital gains earned on contributions to accounts established for a designated beneficiary under the Connecticut Homecare Option Program for the Elderly to the extent the interest, dividends, or capital gains is properly included in the gross income of the designated beneficiary for federal income tax purposes.
11. Subtract contributions made to an MRA established pursuant to Conn. Gen. Stat. § 32-9zz. See **Special Notice 2012(6)**, *2012 Legislative Changes Affecting the Income Tax*.

12. Subtract 25% of the § 179 federal deduction that you added back on your Connecticut income tax return in the two preceding taxable years.
13. Subtract the amount, to the extent included in federal adjusted gross income, of any financial assistance received from the Crumbling Foundations Assistance Fund; paid to or on behalf of the taxpayer under the Collapsing Foundations Credit Enhancements Program; or financial assistance received from a municipality by the taxpayer to repair concrete foundations that have deteriorated due to the presence of pyrrhotite.
14. Subtract certain costs incurred by the taxpayer in connection with the donation to another person of human bone marrow, or all or part of a human liver, pancreas, kidney, intestine or lung, for the purpose of organ transplantation. The costs include lost wages, medical expenses, travel expenses, and housing expenses. The subtraction can not exceed \$10,000.
15. Subtract the Bioscience Venture Capital amount as calculated on **Schedule CT-BIO**, *Bioscience Worksheet*.

Do **not** use Line 51 to subtract income subject to tax in a qualifying jurisdiction (see *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions* below) or income of a nonresident spouse. See *Special Rules for Married Individuals*, on Page 15.

Line 52: Total Subtractions

Add Lines 41 through 51. Enter the total on Form CT-1040NR/PY, *Schedule 1*, Line 52.

Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions (Part-Year Residents Only)

Am I Eligible for the Credit for Income Taxes Paid to Qualifying Jurisdictions

If you are a **part-year resident** of Connecticut and if any part of your income earned during the residency portion of your taxable year was taxed by a **qualifying jurisdiction**, you **may** be able to claim a credit against your Connecticut income tax liability for qualifying income tax payments you have made.

Nonresidents may not claim a credit for income taxes paid to other jurisdictions.

Taxpayers seeking a credit for alternative minimum taxes paid to another jurisdiction must complete **Form CT-6251**, *Connecticut Alternative Minimum Tax Return - Individuals*, to calculate their alternative minimum tax credit.

Qualifying Jurisdiction

A qualifying jurisdiction includes another state of the United States, a local government within another state, or the District of Columbia. A qualifying jurisdiction does not include the State of Connecticut, the United States, or a foreign country or its provinces (for example, Canada and Canadian provinces).

Qualifying Income Tax Payments

Qualifying income tax payments are income taxes you actually paid on income:

- Derived from or connected with sources within a qualifying jurisdiction; **and**
- Subject to tax in the qualifying jurisdiction.

Qualifying income tax payments include direct and indirect pro rata share of taxes paid to a qualifying jurisdiction by a pass-through entity if such pass-through entity is subject to a pass-through entity tax substantially similar to the PE Tax imposed in Connecticut. DRS will issue guidance if it identifies a qualifying jurisdiction that imposes an entity level tax that is substantially similar to the Connecticut PE Tax.

Certain qualifying jurisdictions impose on electing employers a tax on wages. The tax is calculated based on your (the employee) wages. The qualifying jurisdiction allows you to take a credit for the tax paid by your employer. Although the tax is paid on your behalf, it is not income tax withholding. This type of tax is generally referred to as an employer compensation expense tax.

For Connecticut income tax purposes, qualifying income tax payments include the amount of the employer compensation expense tax credit allowed by the qualifying jurisdiction.

Income Derived From or Connected With Sources Within a Qualifying Jurisdiction

- Compensation received for personal services performed in a qualifying jurisdiction;
- Compensation received as an employee for personal services performed from a home office in Connecticut for an employer in a qualifying jurisdiction that applies a convenience of the employer test in determining whether nonresident compensation is derived from or connected with sources within the qualifying jurisdiction;
- Income from a business, trade, or profession carried on in a qualifying jurisdiction;
- Gambling winnings from a state-conducted lottery. See **Informational Publication 2015(23)**, *Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut*; **or**
- Income from real or tangible personal property situated in a qualifying jurisdiction.

Income from intangibles, such as stocks and bonds, is not derived from or connected with sources within a qualifying jurisdiction **unless** the income is from property employed in a business, trade, or profession carried on in that jurisdiction.

What Payments Do Not Qualify

- Income tax payments made to a qualifying jurisdiction on income not derived from or connected with sources within the qualifying jurisdiction (such as wages not derived from or connected with sources within the qualifying jurisdiction);
- Income tax payments made to a qualifying jurisdiction on income not included in your Connecticut adjusted gross income or Connecticut-sourced income;
- Income tax paid to a jurisdiction that is not a qualifying jurisdiction, including a foreign country or its provinces (for example, Canada and Canadian provinces);
- Alternative minimum tax paid to a qualifying jurisdiction;
- Income tax paid to a qualifying jurisdiction if you claimed credit on that jurisdiction's income tax return for income tax paid to Connecticut; **or**
- Penalties or interest on income taxes you paid to a qualifying jurisdiction.

Limitations to the Credit

The total credit is limited to whichever amount is least:

- The amount of income tax paid to the qualifying jurisdiction;
- The amount of Connecticut income tax due on the portion of Connecticut adjusted gross income sourced in the qualifying jurisdiction and earned during the residency portion of your taxable year; **or**
- The amount entered on Form CT-1040NR/PY, Line 10.

How to Calculate the Credit

You **must** first complete your income tax return(s) in the qualifying jurisdiction(s). Then, complete the *Schedule 2 - Worksheet* to determine the amount to enter on *Schedule 2*, Line 55.

The allowed credit must be separately computed for each qualifying jurisdiction. Use separate columns for each qualifying jurisdiction for which you are claiming a credit.

Attach a copy of all income tax returns filed with qualifying jurisdictions to your Connecticut income tax return or the credit will be disallowed.

Part-year residents filing Form CT-1040NR/PY electronically should retain copies of all income tax returns filed with qualifying jurisdictions for three years from the date of filing. The forms must be provided to DRS upon request.

Schedule 2 provides two columns, A and B, to compute the credit for two jurisdictions. If you need more than two columns, create a worksheet identical to *Schedule 2* and attach it to the back of your Form CT-1040NR/PY.

If you are claiming credit for income taxes paid to another state and to one of its political subdivisions, follow these rules to determine your credit:

- A. If the **same amount** of income is taxed by both the city and state (see the Line 61 example on Page 27):
 - 1. Use only **one** column on Form CT-1040NR/PY, *Schedule 2*, to calculate your credit;
 - 2. Enter the same income taxed by both city and state in that column on *Schedule 2*; **and**
 - 3. Combine the amounts of tax paid to the city and the state and enter the total on Line 59 of that column.
- B. If the **amounts** of income taxed by both the city and state are **not the same**:
 - 1. Use **two** columns on Form CT-1040NR/PY, *Schedule 2*;
 - 2. Include only the same income taxed by both jurisdictions in the first column; **and**
 - 3. Include the excess income taxed by only one of the jurisdictions in the next column.

Schedule 2 - Worksheet Instructions

Complete the *Schedule 2 - Worksheet* to determine the portion of your Connecticut adjusted gross income during the residency portion of your taxable year derived from a qualifying jurisdiction. Enter in Column I the items of income you earned during the residency portion of your taxable year and entered on Schedule CT-1040AW, Column B. For each line in Column II, enter the items of income from Column I that meet **all** of the following conditions:

- The income was earned during the residency portion of your taxable year;
- The income is derived from or connected with sources within a qualifying jurisdiction;
- The income is reported on an income tax return filed with that qualifying jurisdiction and subject to income tax in the jurisdiction; **and**
- You have paid income tax on the income to that qualifying jurisdiction.

Example 1: Laura, a single taxpayer, was employed in the State of New York during the entire taxable year and moved into Connecticut on July 1. Her Connecticut adjusted gross income is \$105,000. On Form CT-1040NR/PY, Schedule CT-1040AW, Column A, Laura reported the following: \$76,000 in wages, \$4,000 in interest, and \$25,000 from dividends received November 2. Laura enters on *Schedule 2 - Worksheet*, Column I, the amounts she entered on Form CT-1040NR/PY, Schedule CT-1040AW, Column B: Line 1, \$38,000; Line 2, \$2,000; and Line 3, \$25,000. In Column II, she enters: Line 1, \$38,000. Credit is allowed for the New York tax paid on her \$38,000 of wage income because it is derived from or connected to New York during the Connecticut residency portion of her taxable year.

Example 2: Ann and Joe are part-year residents who file a joint federal Form 1040 and Form CT-1040NR/PY. Joe’s wages as an employee working in Rhode Island while a resident of

Connecticut are \$20,000 and Ann’s wages as an employee working in Connecticut while a resident of Connecticut are \$25,000. Their combined wages while nonresidents of Connecticut are \$25,000. On their federal Form 1040, Line 1, (and on Line 1, Column A, of their Schedule CT-1040AW), Ann and Joe entered \$70,000. Ann and Joe enter on the *Schedule 2 - Worksheet*, \$45,000 in Column I, Line 1, and \$20,000 in Column II, Line 1. Ann and Joe also enter \$20,000 on Form CT-1040NR/PY, *Schedule 2*, Line 55.

Example 3: Linda, a part-year resident, is a sole proprietor of a business conducted at two locations, one in Connecticut and one in Massachusetts. All of Linda’s income was earned while she was a Connecticut resident. On Linda’s federal Form 1040, Schedule 1, Line 3, she entered \$100,000. Of the \$150,000 of gross income reported on federal Form 1040, Schedule C, \$90,000 is derived from the Massachusetts location. Of the \$50,000 of expenses reported on her Schedule C, \$35,000 is derived from the Massachusetts location. When completing *Schedule 2 - Worksheet*, Linda enters \$100,000 in Column I, Line 5, and \$55,000 (\$90,000 - \$35,000), in Column II, Line 5. Linda also enters \$55,000 on Form CT-1040NR/PY, *Schedule 2*, Line 55.

Schedule 2 - Line Instructions

Line 53: Connecticut Adjusted Gross Income During the Residency Portion of the Taxable Year

The amount from **Schedule CT-1040AW, Part-Year Resident Income Allocation**, Line 30, Column B, is entered on Line 53 with the following exceptions:

- 1. Add to the amount on Line 30, Column B, any **net** loss during the residency portion of your taxable year derived from or connected with sources in a qualifying jurisdiction(s) where you were subject to income taxation (whether or not income tax was actually paid to the jurisdiction(s)).
- 2. For the residency portion of your taxable year, add back any item of loss or deduction and subtract any item of income or gain included in Schedule CT-1040AW, Column B, as an item of special accrual.

Example: Sam’s Connecticut adjusted gross income for the residency portion of his taxable year is \$60,000 which includes income of \$15,000 from business activities conducted in Massachusetts and a net loss of \$20,000 from a business conducted in Rhode Island. He must add the \$20,000 net loss to the \$60,000 and enter \$80,000 on Line 53.

Line 54: Taxing Jurisdiction(s)

If you claim credit for income taxes paid to a qualifying jurisdiction, enter the name and the two-letter code of each qualifying jurisdiction for which you are claiming credit. If you are claiming credit for income taxes paid to a political subdivision of another state, enter the name and the two-letter code of the state.

Line 55: Non-Connecticut Income

Complete *Schedule 2 - Worksheet* to determine the total of non-Connecticut income included in your Connecticut adjusted gross income for the residency portion of your taxable year and reported on a qualifying jurisdiction's income tax return.

To the amount on *Schedule 2 - Worksheet*, Line 30, Column II, add back any item of loss or deduction and subtract any item of income or gain included in Column II as an item of special accrual. Enter the result on Line 55.

Line 56

Divide the amount on Line 55 by the amount on Line 53. The result cannot exceed 1.0000. Round to four decimal places.

Line 57: Apportioned Income Tax

To determine the portion of your 2020 Connecticut income tax attributable to income earned during the residency portion of your taxable year:

1. Divide the amount on *Schedule 2 - Worksheet*, Line 30, Column I, by the amount on Form CT-1040NR/PY, Line 6. Round to four decimal places. The result may not exceed 1.0000.
2. Multiply the result by the amount on Form CT-1040NR/PY, Line 10, and enter on Line 57.

Line 58

Multiply the percentage arrived at on Line 56 by the amount reported on Line 57.

Line 59: Income Tax Paid to a Qualifying Jurisdiction While a Resident

Enter the total amount of income tax paid to a qualifying jurisdiction on income derived from or connected with sources in that jurisdiction during the residency portion of your taxable year.

If the tax you paid to that jurisdiction was also based on income earned during the nonresidency portion of your taxable year, you must prorate the amount of tax for which you are claiming credit. The proration is based upon the relationship that the income earned in that jurisdiction during your Connecticut residency (from *Schedule 2 - Worksheet*, Line 30, Column II) bears to the total amount of income you earned in that jurisdiction in the taxable year.

Example: George, a part-year resident, worked in Rhode Island all year and paid \$1,200 in Rhode Island tax. His total Rhode Island wages were \$20,000 of which \$15,000 was earned while he was a Connecticut resident. The income tax paid to Rhode Island during the residency portion of his taxable year is:

$$\frac{\$15,000}{\$20,000} \times \$1,200 = \$900$$

He should enter \$900 on Line 59.

Income tax paid means the lesser of your income tax liability to the qualifying jurisdiction or the income tax paid to that jurisdiction as reported on a return filed with that jurisdiction, but not any penalty or interest. **Income tax paid** includes the amount of employer compensation expense tax credit reported, if applicable, on a qualifying jurisdiction's return. Do **not** report the amount of tax withheld for that jurisdiction directly from your Form W-2 or 1099. You **must** first complete a return for the qualifying jurisdiction to determine the amount of income tax paid.

Line 60

Enter the lesser of the amounts reported on Line 58 or Line 59.

Do not enter negative amounts. If zero or less, enter "0".

Line 61: Total Credit for Income Taxes Paid to Qualifying Jurisdictions

Add the amounts from Line 60A, Line 60B, and Line 60 of any additional worksheets. The amount on Line 61 cannot exceed the amount on Line 58. Enter the total on Line 61.

Attach a copy of the income tax return filed with each qualifying jurisdiction to your Connecticut income tax return or the credit will be disallowed.

Part-year residents filing Form CT-1040NR/PY electronically should retain copies of all income tax returns filed with qualifying jurisdictions for three years from the date of filing. The forms must be provided to DRS upon request.

Example: Lynne, a part-year resident whose filing status is single, changed her permanent legal residence during the taxable year by moving from Connecticut to City Y in State X. She worked in City Y during the entire taxable year. Both State X and City Y impose an income tax. Lynne's Connecticut adjusted gross income is \$75,000 (Form CT-1040NR/PY, Line 5). Lynne's income from Connecticut sources (Form CT-1040NR/PY, Line 6) and her Connecticut adjusted gross income during her Connecticut residency period (Schedule CT-1040AW, Column B, Line 30) is \$50,000. Lynne completes Schedule CT-1040AW as follows: Line 1: Column A, \$73,000; Column B, \$49,000; Column C, \$24,000; and Column D, \$0. Line 2: Column A, \$2,000; Column B, \$1,000; Column C, \$1,000; and Column D, \$0. Lynne uses the amounts in Column B when completing *Schedule 2 - Worksheet*, Column I. Lynne's Connecticut income tax before the credit for income taxes paid to other jurisdictions is \$2,367 (Form CT-1040NR/PY, Line 10). Since the amount of income taxed by both State X and City Y is equal, Lynne

uses only one column on Form CT-1040NR/PY, *Schedule 2*. Lynne enters \$49,000 (the common amount of income taxed in both State X and City Y during her residency period) on Line 55, Column A.

Lynne pays an income tax of \$6,100 to State X; however, only \$4,039 ($(\$49,000/\$74,000) \times \$6,100$) of that amount is attributable to her income sourced to State X during her Connecticut residency period. Lynne pays an income tax of \$510 to City Y; however, only \$338 ($(\$49,000/\$74,000) \times \510) is attributable to her income sourced to City Y during her Connecticut residency period. Therefore, the total tax paid to State X and City Y on the common amount of income is \$4,377 (\$4,039 + \$338). When completing Form CT-1040NR/PY, *Schedule 2*, Lynne enters \$50,000 on Line 53 and completes *Schedule 2* as follows:

	Column A		Column B	
Line 54	State X, City Y			
Line 55	49,000	00		00
Line 56		.9800		
Line 57	2,367	00		00
Line 58	2,320	00		00
Line 59	4,377	00		00
Line 60	2,320	00		00
Line 61	Total Credit		2,320	00

Schedule CT-SI Instructions

General Information

If you are a nonresident or part-year resident, you must use **Schedule CT-SI, Nonresident or Part-Year Resident Schedule of Income From Connecticut Sources**, to report items of income, gain, loss, or deduction that make up your federal adjusted gross income derived from or connected with sources within Connecticut.

Nonresidents

Report in Schedule CT-SI, Part 1, all items of income you received from Connecticut sources with modifications as described below. Report in Schedule CT-SI, Part 2, adjustments directly related to the income items in Part 1.

Certain gains and losses from the sale or disposition of an interest in an **entity** that owns real property in Connecticut must be reported. For purposes of nonresident sourcing of income, "real property in Connecticut" includes real property owned directly or indirectly by an entity. The term **entity** means a partnership, limited liability company, or S corporation. See *Sale or Disposition of an Interest in an Entity that Owns Property in Connecticut* in **Special Notice 2014(5), 2014 Legislative Changes Affecting the Income Tax**.

Part-Year Residents

You **must** first complete Schedule CT-1040AW to determine your income from Connecticut sources. See instructions, on Page 32. Add the amounts in Columns B and D for each line and transfer the total to the corresponding line of Schedule CT-SI.

Report in Schedule CT-SI, Part 1, the income you received from all sources earned while you were a Connecticut resident and your Connecticut-sourced income for the part of the year you were a nonresident of Connecticut. Report in Schedule CT-SI, Part 2, adjustments that are a result of transactions that occurred while you were a Connecticut resident or are directly related to Connecticut-sourced income for the part of the year you were a nonresident.

Modifications

All amounts reported in Part 1 should include any modifications to federal adjusted gross income as provided on Form CT-1040NR/PY, *Schedule 1*. See *Line 14: Other Income*, on Page 31.

Example: Dave, a part-year Connecticut resident received \$1,000 in taxable interest income reported on federal Form 1040 and \$1,000 in interest from New York bonds while a Connecticut resident. Dave would report \$2,000 on Schedule CT-SI, Part 1, Line 2.

Special Accrual

For part-year residents, the amounts included on Schedule CT-1040AW and on Schedule CT-SI, Parts 1 and 2, should include items of income, gain, loss, and deduction that would accrue for federal income tax purposes prior to the change of residence. See *Items Subject to Special Accrual*, on Page 9.

Part-year residents who file a surety bond or other security in lieu of special accruals do not include accruals in the amounts in Schedule CT-SI, Parts 1 and 2.

Capital Losses, Passive Activity Losses, and Net Operating Losses

Capital losses, passive activity losses, and net operating losses generated from activities within Connecticut can reduce Connecticut adjusted gross income derived from or connected with Connecticut sources of a nonresident to the extent they are properly computed for federal income tax purposes and are offset against income derived from or connected with Connecticut sources. A nonresident must recompute capital losses, passive activity losses, and net operating losses as if the nonresident's federal adjusted gross income consisted only of items derived from Connecticut sources.

Example: Lori Ann, a nonresident of Connecticut, reported a capital gain from sources outside of Connecticut (from the sale of securities) of \$20,000 on her federal income tax return. Lori Ann also reported on her federal income tax return a capital loss of \$8,000 from sources exclusively within Connecticut (from the sale of real property not used in Lori Ann's trade or business).

For federal income tax purposes, Lori Ann has a gain from the sale or exchange of property of \$12,000 (\$20,000 minus \$8,000). Lori Ann has a capital loss of \$8,000 derived from or connected with sources within Connecticut, but may claim as a deduction only \$3,000 on her Form CT-1040NR/PY (in accordance with the federal limitation of \$3,000 of capital loss to offset ordinary income). She must carry forward the balance of the capital loss to the succeeding taxable year(s) even though, for federal income tax purposes, she will show no capital loss carryforward.

Election to Forego Carryback

Where a nonresident incurs a net operating loss for Connecticut income tax purposes but does not incur a net operating loss for federal income tax purposes, the nonresident is required first to carry back the net operating loss to each of the three taxable years preceding the taxable year in which the net operating loss was incurred (except as limited by the information highlighted below) and then to carry any remaining net operating loss forward to each of the fifteen taxable years following the taxable year in which the loss was incurred. An election to forego the three-year carryback period and to carry the loss forward may be made by filing a timely Form CT-1040NR/PY for the year the loss was incurred and attaching a statement indicating that the election to forego the carryback is being made. This election may not be revoked.

Part 1 - Connecticut Income - Line Instructions

The federal income tax return line references are to the federal Form 1040, or federal Form 1040-SR. If no corresponding line is on the federal Form 1040, or federal Form 1040-SR, do not enter an amount on Schedule CT-SI.

Line 1: Wages, Salaries, Tips, Etc.

(federal Form 1040, Line 1, or federal Form 1040-SR, Line 1)

• Part-Year Resident

Enter the total of the amounts from Schedule CT-1040AW, Line 1, Column B and Column D.

• Nonresident

Enter all wages, salaries, tips, and other compensation you earned for services performed in Connecticut while you were a nonresident of Connecticut.

This includes compensation from non-qualified deferred compensation plans attributable to services performed within Connecticut, including, but not limited to, compensation required to be included in federal gross income under IRC § 457A.

If your wages, salaries, tips, and other compensation were earned for services performed both in and outside of Connecticut while you were a nonresident and the amount of Connecticut-sourced income is not known, complete the *Employee Apportionment Worksheet*. See the instructions, on Page 31.

Income from employment activities in Connecticut that are considered casual, isolated, or inconsequential (under the Ancillary Activity Test) is **not** part of the Connecticut-sourced income of a nonresident. See *Activities Considered Casual, Isolated, or Inconsequential*, item 2, *Ancillary Activity Test* on Page 9.

Line 2: Taxable Interest

(federal Form 1040, Line 2b, or federal Form 1040-SR, Line 2b)

• Part-Year Resident

Enter the total of Schedule CT-1040AW, Line 2, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule I*) that represents interest income earned as a nonresident that is part of the receipts of a business, trade, profession, or occupation carried on in Connecticut or from the ownership of an interest in a pass-through entity doing business in Connecticut and not otherwise exempt from Connecticut income tax. If the business is conducted both in and outside of Connecticut, see *Line 5: Business Income or (Loss)*.

Line 3: Ordinary Dividends

(federal Form 1040, Line 3b, or federal Form 1040-SR, Line 3b)

• Part-Year Resident

Enter the total of **Schedule CT-1040AW**, Line 3, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on **Form CT-1040NR/PY**, *Schedule I*) that represents dividend income earned as a nonresident that is part of the receipts of a business, trade, profession, or occupation carried on in Connecticut or from the ownership of an interest in a pass-through entity doing business in Connecticut and not otherwise exempt from Connecticut income tax. If the business is conducted both in and outside of Connecticut, see *Line 5: Business Income or (Loss)*, below.

Line 4: Alimony Received

(federal Form 1040, Schedule 1, Line 2a, or federal Form 1040-SR, Schedule 1, Line 2a)

• Part-Year Resident

Enter the amount from **Schedule CT-1040AW**, Line 4, Column B.

• Nonresident

This line does not apply to a nonresident.

Line 5: Business Income or (Loss)

(federal Form 1040, Schedule 1, Line 3, or federal Form 1040-SR, Schedule 1, Line 3)

• Part-Year Resident

Enter the total of **Schedule CT-1040AW**, Line 5, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on **Form CT-1040NR/PY, Schedule 1**) that represents business income (loss) you received from a business, trade, profession, or occupation carried on in Connecticut.

Income from business activities in Connecticut that are considered casual, isolated, or inconsequential is not part of the Connecticut-sourced income of a nonresident. See *Activities Considered Casual, Isolated, or Inconsequential*, on Page 9.

Where a business, trade, profession, or occupation is carried on: Generally, you are considered to be carrying on a business, trade, profession, or occupation (not including personal services as an employee) at the location:

1. Where you maintain, operate, or occupy desk space, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your affairs are regularly carried on (this summary is not all inclusive); **or**
2. Where your business is transacted with a fair measure of permanency and continuity.

You are considered to be carrying on business outside Connecticut if you maintain, operate, or occupy outside Connecticut, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your business matters are systematically and regularly carried on.

You are not considered to be carrying on business outside Connecticut and may not allocate or apportion business income if you have an occasional or isolated business transaction outside Connecticut or if you have no regular place of business outside of Connecticut.

You are not considered to be carrying on business outside Connecticut if your business activities in Connecticut are considered casual, isolated, or inconsequential. See *Activities Considered Casual, Isolated, or Inconsequential*, on Page 9.

Example 1: A plumber, who is a resident of Rhode Island, carries on his business from an office in Danielson, Connecticut. He has maintenance contracts with housing authorities in the Worcester, Massachusetts area which require him to regularly perform his services at various locations in and around Worcester. This taxpayer is considered to be carrying on business in Connecticut (by reason of his office in this state) and in Massachusetts (because his business is conducted there with a fair measure of permanency and continuity).

Example 2: Assume the same facts as in Example 1, except that the taxpayer carries on his business from an office in Auburn, Massachusetts and has maintenance contracts with housing authorities in northeast Connecticut. This taxpayer is considered to be carrying on business in Massachusetts (by reason of his office there) and in Connecticut (because his business is conducted in this state with a fair measure of permanency and continuity).

If income is determined from separate books and records of the business (allocation of income): If you are carrying on a business, trade, profession, or occupation both in and outside of Connecticut and you maintain books and records that satisfactorily disclose the portion of income derived from or connected with sources within Connecticut, enter the net profit (loss) from business carried on in Connecticut on Line 5. Complete **Schedule CT-1040BA, Nonresident Business Apportionment**, Schedule A. If you report income using this method, your income reported to other states in which you carry on your business, where the states permit allocation on the basis of separate books and records, must result in a consistent allocation of income. Where another state does not permit allocation on the basis of separate books and records, a consistent allocation of income may not be possible.

Example 3: In Example 1, assume the plumber allocated, on the basis of separate books and records, the income derived from his plumbing business on his Connecticut nonresident return as follows: The income from his plumbing business is \$134,000, with \$91,500 from Connecticut business and \$42,500 from Massachusetts business. Therefore, on his Massachusetts return, this taxpayer must also allocate \$91,500 of this income to Connecticut and \$42,500 to Massachusetts since Massachusetts permits allocation on the basis of separate books and records.

Apportionment Fraction: If your books and records do not satisfactorily disclose the portion of income derived from or connected with sources within Connecticut, income from business carried on both in and outside of Connecticut must be apportioned by using a prescribed apportionment fraction or an approved alternative method. **Schedule CT-1040BA**, containing the apportionment fraction and other instructions pertaining to the apportionment of business income, must be completed for this purpose and attached to Schedule CT-SI. If you submit an alternative method of apportionment, you must also complete **Schedule CT-1040BA** and submit all information about your alternative method of apportionment.

Line 6: Capital Gain or (Loss)

(federal Form 1040, Line 7, or federal Form 1040-SR, Line 7)

• Part-Year Resident

Enter the total of **Schedule CT-1040AW**, Line 6, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on **Form CT-1040NR/PY, Schedule 1**) that represents capital gains (losses) from Connecticut sources in accordance with federal provisions for determining capital gains (losses). This includes a deduction for any capital loss carryover from Connecticut sources as limited by the following highlighted information. Use a copy of federal Form 1040, Schedule D, or federal Form 1040-SR, Schedule D, as a worksheet in determining your Connecticut capital gain (loss). Include in your computations only transactions from Connecticut sources in 2020. If these computations result in a net capital loss for Connecticut purposes, the loss is limited to \$3,000 (\$1,500 if you are married filing separately) on the Connecticut return. Any balance of a 2020 net capital loss (in excess of the amount claimed on the 2020 return) will be treated as a carryover loss to be claimed on returns for subsequent years.

Capital Transactions From Connecticut Sources: Include transactions resulting in capital gains (losses) derived from real or tangible personal property located within Connecticut, whether or not connected with a trade or business, and capital gains (losses) from stocks, bonds, and other intangible personal property used in or connected with a business, trade, profession, or occupation carried on in Connecticut. Include your share of any capital gain (loss) derived from Connecticut sources of a partnership of which

you are a partner, an estate or trust of which you are a beneficiary, or an S corporation of which you are a shareholder. If any capital gains (losses) are from business property (other than real property) of a business carried on both in and outside of Connecticut, apply the business apportionment method (**Schedule CT-1040BA**) in determining the Connecticut capital gain (loss). Gains and losses from the sale or disposition of real property are not subject to apportionment. In all cases, use the federal basis of property in computing capital gains (losses).

Line 7: Other Gains or (Losses)

(federal Form 1040, Schedule 1, Line 4, or federal Form 1040-SR, Schedule 1, Line 4)

• Part-Year Resident

Enter the total of **Schedule CT-1040AW**, Line 7, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on **Form CT-1040NR/PY, Schedule 1**) that represents the gain (loss) from the sale or exchange of non-capital assets from Connecticut sources. Apply the federal provisions for determining gains (losses) from the sale or exchange of other than capital assets to your Connecticut transactions.

Non-capital Transactions From Connecticut Sources: Include non-capital transactions pertaining to property used in connection with a business, trade, profession, or occupation carried on in Connecticut. Also include your share of any non-capital gain (loss) from a partnership of which you are a partner, an estate or trust of which you are a beneficiary, or an S corporation of which you are a shareholder. If any capital gains (losses) are from business property (other than real property) of a business carried on both in and outside of Connecticut, apply the business apportionment method (**Schedule CT-1040BA**) to determine the Connecticut capital gain (loss). Gains and losses from the sale or disposition of real property are not subject to apportionment. In all cases, use the federal basis of property to compute capital gains (losses).

Line 8: Taxable Amount of IRA Distributions

(federal Form 1040, Line 4b, or federal Form 1040-SR, Line 4b)

• Part-Year Resident

• Part-Year Resident

Enter the total of **Schedule CT-1040AW**, Line 10, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on **Form CT-1040NR/PY, Schedule 1**) that represents income or losses from rents, royalties, partnerships, S corporations, trusts, and estates derived from or connected with Connecticut sources.

Rental and royalty income: As a nonresident, enter rents and royalties from:

1. Real property located in Connecticut, whether or not used in connection with a business;
2. Tangible personal property not used in a business if the property is located in Connecticut; **and**
3. Tangible and intangible personal property used in or connected with a business, trade, profession, or occupation carried on in Connecticut.

If the income is earned by a business carried on both in and outside of Connecticut, apply the business apportionment fraction (**Schedule CT-1040BA**) or alternative method **only** to items of tangible and intangible personal property used in or connected with the business to determine the income from Connecticut sources. Do **not** apportion income from real property located in Connecticut (whether or not used in a business). That income must be entirely included in Connecticut-sourced income if the real property is located in Connecticut and entirely excluded from Connecticut-sourced income if the real property is located outside Connecticut. Do **not** apportion income from tangible personal property not used in a business. Report on this line your share of any rental or royalty income from a partnership, trust, estate, or S corporation.

Partnerships: As a nonresident, enter your distributive share of partnership income, gain, loss, and deduction derived from or connected with Connecticut sources. The partnership should furnish this information to you on **Schedule CT K-1, Member's Share of Certain Connecticut Items**. If your distributive share includes any other items of partnership income taxable to a nonresident, those items must be entered on the appropriate lines of **Schedule CT-SI**.

Example: Your share of a partnership's capital gain that is Connecticut sourced would be included in determining the amount on Line 6.

S corporations: As a nonresident, enter your pro rata share of the S corporation's nonseparately stated items of income or loss (to the extent includable in your Connecticut adjusted gross income) derived from or connected with Connecticut sources. Also, enter your pro rata share of the S corporation's separately stated items of income or loss (such as interest and dividends) derived from or connected with Connecticut sources on the appropriate lines of **Schedule CT-SI**. The S corporation should furnish this information to you on **Schedule CT K-1**.

Trusts and estates: As a nonresident beneficiary, enter your share of trust or estate income derived from or connected with Connecticut sources. This information should be provided to you by the fiduciary. If your share includes any items of taxable trust or estate income from Connecticut sources not reported on Line 10, those items should be included on the appropriate lines of **Schedule CT-SI**.

Passive activity loss limitations: Any deduction for passive activity losses for a nonresident must be recomputed to determine the amounts which would be allowed if the federal adjusted gross income took into account only items of income, gain, loss, or deduction derived from or connected with Connecticut sources.

If you were a **part-year resident**, you must recalculate your passive activity loss limitations as if separate federal returns were filed for your resident and nonresident periods.

- **Nonresident**

Enter that part of federal adjusted gross income that represents unemployment compensation received as a nonresident and derived from or resulting from former employment in Connecticut.

If the unemployment compensation received from Connecticut sources is based on wage or salary income earned partly in and partly outside of Connecticut, figure the amount allocable to Connecticut in the same manner as the wage and salary income on which it is based.

Line 13: Taxable Amount of Social Security Benefits

(federal Form 1040, Line 6b, or federal Form 1040-SR, Line 6b)

- **Part-Year Resident**

- **Nonresident**

Enter that part of the federal amount that represents adjustments connected with income from Connecticut sources while you were a nonresident.

Any other adjustments to income that relate to wage or salary income earned partly in Connecticut or to income from a business carried on both in and out of Connecticut must be allocated to Connecticut on the same basis as the income to which it relates. Some of these adjustments include: IRA deduction, deductible part of self-employment tax, and self-employment SEP, SIMPLE, and qualified plans.

Line 29: Total Adjustments

Employee Apportionment Worksheet Instructions

Sometimes your employment requires you to work both inside and outside Connecticut, but you do not know the actual amount of income you earned from working in Connecticut. In this case, you must apportion your income. Nonresidents and part-year residents who were employed in Connecticut during the nonresidency period must use the Employee Apportionment Worksheet for this purpose. Part-year residents **may not apportion** income earned while they were residents of Connecticut.

If your business activities in Connecticut are considered casual, isolated, or inconsequential, income from those activities is not considered Connecticut-sourced income of a nonresident. See *Activities Considered Casual, Isolated, or Inconsequential*, on Page 9.

Who May Not Apportion Income

If you know the actual amount of your Connecticut-sourced income, you may not apportion. Simply report your income taxable in Connecticut on your Connecticut return. Examples of individuals who are not permitted to apportion include:

1. An employee whose actual Connecticut income is shown on federal Form W-2; **and**
2. An employee whose W-2 does not indicate initially his or her actual Connecticut income but whose employer issued a corrected W-2 or other statement which breaks down this amount. Since your employer is required by law to withhold Connecticut income tax on your Connecticut wages, this breakdown should be easy to obtain.

Nonresident employees who work inside and outside Connecticut should complete **Form CT-W4NA, *Employee's Withholding Certificate - Nonresident Apportionment***. The employer will use the information on Form CT-W4NA along with Form CT-W4 to withhold the correct amount of Connecticut income tax for services performed in this state.

Who Must Use the Employee Apportionment Worksheet

If your employment required you to perform services both inside and outside Connecticut and **you do not know the actual amount of income you earned in Connecticut**, you must use the Employee Apportionment Worksheet if you fit into any of the categories listed below:

1. An employee who is compensated on an hourly, daily, weekly, or monthly basis;
2. An employee whose compensation depends upon sales, at least some of which take place outside of Connecticut; **or**
3. An employee whose compensation is based on miles.

How Do I Complete the Employee Apportionment Worksheet

If you qualify to use the *Employee Apportionment Worksheet*, select the appropriate basis and follow the instructions. If you have more than one job requiring the use of the worksheet, complete a worksheet for each job.

Working Day Basis

Employees who qualify to use the *Employee Apportionment Worksheet* and who are compensated on an hourly, daily, weekly, or monthly basis should use the working day basis to apportion their income. The income of these taxpayers is apportioned to Connecticut in the same proportion that the amount of time spent working in Connecticut bears to the total working time.

Line A: Working Days Outside Connecticut

Enter the number of days you worked outside of Connecticut.

Line B: Working Days Inside Connecticut

Enter the number of days you worked inside of Connecticut.

Working days do not include days on which you were not required to work, such as holidays, sick days, vacations, and paid or unpaid leave. If you spent a working day partly inside and partly outside of Connecticut, treat the day as having been spent one half inside Connecticut.

Line C: Total Working Days

Add Line A and Line B and enter the total on Line C.

Line D: Nonworking Days

Enter your nonworking days. Your nonworking days are those days during the year (or during the period you worked if your job lasted less than a year) that you are not required to work, such as Saturdays, Sundays, holidays, sick days, vacation, and leave with or without pay.

Line E: Connecticut Ratio

Divide Line B by Line C and enter the result on Line E.

Line F: Total Income Being Apportioned

Enter your total income from employment earned both inside and outside of Connecticut.

Line G: Connecticut Income

Multiply Line E by Line F.

- Part-Year Resident

Enter the result here and on Schedule CT-1040AW, Line 1, Column D.

- Nonresident

Enter the result here and on Schedule CT-SI, Line 1.

Example: An auditor living in Massachusetts is employed by an accounting firm in Hartford at an annual salary of \$33,000. She works a total of 240 days in 2020, performing field audits in Rhode Island on 160 days of the year and working 80 days in Hartford. Her Connecticut adjusted gross income derived from or connected with sources within this state is \$11,000 computed as follows:

$$\$33,000 \times \frac{80}{240} = \$11,000$$

Basis If Other Than Working Days

If you are using the sales or mileage basis, substitute sales or mileage for working days and complete all items in the worksheet except Line D. Indicate what basis you are using in the space provided and enter your Connecticut income from Line G on the appropriate line(s) of Schedule CT-SI.

Sales Basis

Where compensation of a salesperson, agent, or other employee is based in whole or in part upon commissions from sales, Connecticut adjusted gross income derived from or connected with sources within Connecticut is determined by multiplying the gross compensation earned from sales everywhere, determined as if the nonresident were a resident, by a fraction. The numerator is the amount of sales made within Connecticut and the denominator is the amount of sales made everywhere. The amount of sales is determined on the same basis as that on which the amount of sales is determined for purposes of figuring the individual's commissions.

The determination of whether sales are made within Connecticut or elsewhere is based upon where the salesperson, agent, or employee performs the activities in obtaining the order, not the location of the formal acceptance of the contract.

Mileage Basis

Where an employee's wages are based on mileage, Connecticut adjusted gross income derived from or connected with sources within this state is determined by multiplying the employee's gross wages, determined as if the nonresident were a resident, wherever earned, from the employment which includes employment carried on in Connecticut, by a fraction. The numerator is the employee's total mileage traveled in Connecticut and the denominator is the employee's total mileage upon which the employer computes total wages.

Schedule CT-1040AW Instructions

General Information

Part-year resident individuals **must** complete **Schedule CT-1040AW, *Part-Year Resident Income Allocation***, to calculate Connecticut-sourced income for the entire taxable year. After completing Schedule CT-1040AW, add the amount in Column B to the amount in Column D and transfer each total to the corresponding line of Schedule CT-SI.

Special Accrual

Report in Column B if you moved out of Connecticut, or Column C if you moved into Connecticut, all items you would be required to report if you were filing a federal return on the accrual basis for the period

before you changed your resident status. Combine these accrual amounts with the corresponding amounts on Lines 1 through 30.

A part-year resident must recognize and report items of income, gain, loss, or deduction on the accrual basis regardless of the method of accounting normally used. In general, an item of income is subject to special accrual if the right to receive it is fixed and the amount to be paid is determinable with reasonable accuracy at the time residency status is changed. See *Items Subject to Special Accrual*, on Page 9.

Wage Apportionment

If your salary or wages while you were a nonresident were earned partially in Connecticut, you have to determine how much should be apportioned to Connecticut and enter that amount in Column D. If you do not know the actual amount of income you earned from working in Connecticut, complete the *Employee Apportionment Worksheet* on Schedule CT-SI.

Partners and S Corporation Shareholders

Part-year residents must:

- Include in Column B their distributive share of partnership income, gain, loss, and deduction or their pro rata share of S corporation income, gain, loss, and deduction, to the extent included in Connecticut adjusted gross income during their taxable year, prorated to their Connecticut resident period based on the number of days they resided in Connecticut.
- Include in Column D, their distributive share of partnership income, gain, loss, and deduction or their pro rata share of S corporation income, gain, loss, and deduction, to the extent included in Connecticut adjusted gross income during their taxable year, prorated to their Connecticut nonresident period based on the number of days they resided outside of Connecticut, but only to the extent the prorated amount of income, gain, loss, and deduction is derived from or connected with Connecticut sources.

Part 1 – Adjusted Gross Income

Column A: Federal Income as Modified

Enter the amounts of income reported on your federal return as modified by amounts on Form CT-1040NR/PY, *Schedule 1*, plus all items you would be required to include if you were filing a federal return on the accrual basis. See *Items Subject to Special Accrual*, on Page 9 and *Schedule 1 – Modifications to Federal Adjusted Gross Income*, on Page 20.

Column B: Connecticut Resident Period

Enter that part of the amount from Column A you earned during the period you were a Connecticut resident.

Column C: Connecticut Nonresident Period

Enter that part of the amount from Column A you earned during the period you were a nonresident of Connecticut.

Column D: Nonresident Period Connecticut-Sourced Income

Enter that part for the amount from Column C you earned while a nonresident that was derived from or connected with Connecticut sources including, but not limited to:

1. Services you performed in Connecticut;
2. Real or tangible personal property located in Connecticut; **and**
3. Businesses, trades, professions, or occupations conducted in Connecticut. See *Connecticut-Sourced Income of a Nonresident*, on Page 8.

Refer to each specific line instruction for Schedule CT-SI, Part 1, on Page 28 to determine the income from Connecticut sources earned during your nonresident period.

Part 2 – Adjustments to Income

New for Tax Year 2020

The CARES Act allows taxpayers using the standard deduction to deduct certain charitable contributions made in tax year 2020. Taxpayers taking this deduction should include the amount from federal Form 1040, Line 10b, or federal Form 1040-SR, Line 10b, on Schedule CT-1040AW, Line 27, Tuition and Fees.

Column A: Federal Income as Modified

Enter the amounts of adjustments reported on your federal return plus all items you would be required to include if you were filing a federal return on the accrual basis. See *Items Subject to Special Accrual*, on Page 9.

Line 30, Column A, must equal the amount on Form CT 1040NR/PY, Line 5.

Column B: Connecticut Resident Period

Enter that part of the adjustments from Column A you earned during the period you were a Connecticut resident.

Column C: Connecticut Nonresident Period

Enter that part of the adjustments from Column A you earned during the period you were a nonresident of Connecticut.

Column D: Nonresident Period Connecticut-Sourced Income

See Schedule CT-SI, Part 2, Lines 16 through 30, on Page 31. Enter that part of the adjustments from Column C you earned while a nonresident that was derived from or connected with Connecticut sources.

Example: Alex moved from California to Connecticut on September 15. On Alex's federal return, he reported \$50,000 in total wages. \$10,000 was earned while Alex was a Connecticut resident. On Line 1, Alex enters \$50,000 in Column A, \$10,000 in Column B, \$40,000 in Column C, and \$0 in Column D. No income was earned in Connecticut prior to the move.

Alex also claimed moving expenses for members of the armed forces of \$3,000 on federal Form 1040, Schedule 1, Line 13. This amount was specified in a contract he entered into with a moving company before he moved out of California. He also had an IRA deduction of \$2,000 on federal Form 1040. He would enter \$3,000 in Column A, \$0 in Column B, \$3,000 in Column C, and \$0 in Column D. The entire moving deduction is included in Column C because the moving expense was fixed and determinable before he moved out of California. For the IRA deduction, he would enter \$2,000 in Column A, \$400 in Column B ($\$10,000/\$50,000 \times \$2,000$), \$1,600 in Column C ($\$40,000/\$50,000 \times \$2,000$), and \$0 in Column D.

Part 3 – Part-Year Resident Information

All part-year residents must complete this section in its entirety. Attach Schedule CT-1040AW to Form CT-1040NR/PY.

Schedule CT-1040BA

Schedule CT-1040BA, Nonresident Business Apportionment, must be completed by nonresidents and part-year residents (for the nonresidency portion of the year) if they are carrying on business both in and outside Connecticut and are required to allocate or apportion business income.

Schedule 3 - Individual Use Tax Line Instructions

In general, goods or services purchased out-of-state that would be subject to the Connecticut sales tax if those goods or services were purchased from a Connecticut seller are subject to the Connecticut use tax if the out-of-state seller did not charge and collect sales tax on the sale. Generally, this includes purchases of goods made by mail order, telephone, or online when the goods are shipped or delivered to Connecticut and when the purchaser brings goods back into Connecticut.

Use tax is due when taxable purchases are made but Connecticut sales tax is not paid. Any individual or business purchasing taxable goods or services for use in Connecticut without paying Connecticut sales tax must pay use tax. The general use tax rate is 6.35%. However, the following items are subject to a 7.75% use tax rate:

- Most motor vehicles exceeding \$50,000;
- Each piece of jewelry exceeding \$5,000;
- Each piece of clothing or pair of footwear exceeding \$1,000; **and**
- A handbag, luggage, umbrella, wallet, or watch exceeding \$1,000.

Computer and data processing services are subject to a 1% use tax rate.

Vessels, motors for vessels, and trailers to transport vessels are subject to a 2.99% use tax rate.

Use the *Connecticut Individual Use Tax Worksheet*, on Page 35, to calculate your use tax liability. Keep the worksheet for your records. You must provide the worksheet to DRS upon request. See **Informational Publication 2020(10), Q & A on the Connecticut Individual Use Tax**.

Enter only those purchases subject to use tax you have not previously reported on **Form OP-186, Connecticut Individual Use Tax Return**.

The table on Page 35 illustrates the use tax due only for various levels of purchases subject to the 6.35% and 7.75% use tax.

Line 62

Complete the *Connecticut Individual Use Tax Worksheet*, on Page 35. Enter the totals from Column 7 of each section on Lines 62a, 62b, 62c and 62d. Add the amounts on Lines 62a, 62b, 62c and 62d and enter the total on Line 62. Also enter on Form CT-1040NR/PY, Line 17.

If no Connecticut use tax is due, you must enter "0" on Form CT-1040NR/PY, Line 17. If you do not make an entry on Line 17, you will not have filed a use tax return.

Failure to file a use tax return and to remit use tax due will subject you to a 10% penalty of the total use tax due plus a 1% interest per month or a fraction of a month.

You also may be subject to a penalty of up to \$5,000, imprisonment for up to 5 years, or both, for willfully submitting a false return.

Amended Returns

Purpose: Use a 2020 Form CT-1040X to amend a previously-filed 2020 Connecticut income tax return for individuals. Visit the DRS **Taxpayer Service Center (TSC)** at portal.ct.gov/TSC to file Form CT-1040X online.

If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date. See *Interest and Penalties* on Page 12.

You must file Form CT-1040X in the following circumstances:

<p>1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after final determination. If you file Form CT-1040X no later than 90 days after the date of the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after final determination. If you file Form CT-1040X no later than 90 days after the date of the final determination, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after final determination. If you file Form CT-1040X no later than 90 days after the date of the final determination and you claimed credit for income tax paid to a qualifying jurisdiction on your original income tax return, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after final determination. If you file Form CT-1040X no later than 90 days after the date of the final determination on a timely-amended return with a qualifying jurisdiction and you claimed credit for income tax paid to a qualifying jurisdiction on your original income tax return, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.</p>

Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year’s estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File **Form CT-1040 CRC, Claim of Right Credit**, with your Connecticut income tax return for the later taxable year.

Financial Disability

If you are financially disabled, as defined in IRC § 6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(14), Claims for Refund Made by Financially Disabled Individuals.**
