Form CT-941 HHE Instructions

General Instructions

Form CT-941 HHE is used to reconcile annual Connecticut income tax withholding from household employee wages only.

Do not use this form to amend a previously filed Form CT-941 HHE. See *Amended Returns*, on this page.

Form CT-941 HHE must be filed and paid electronically unless certain conditions are met.

File this return and make payment electronically using **myconneCT** at portal.ct.gov/DRS-myconneCT.

Only taxpayers that receive a waiver from the electronic filing requirement from DRS may file paper withholding forms. See *Electronic Filing Waiver*, below.

Electronic Filing Waiver

Generally, a payment made electronically is a payment made by electronic funds transfer (EFT). See **Informational Publication 2020(6)**, *Filing and Paying Connecticut Taxes Electronically*.

Only taxpayers that receive a waiver from electronic filing from DRS may file a paper version of this form. To request a waiver from the electronic filing requirement visit portal.ct.gov/DRS and complete **Form DRS-EWVR**, *Electronic Filing and Payment Waiver Request*.

If you received a waiver from electronic filing and payment from DRS, make check payable to **Commissioner of Revenue Services**. Write your Connecticut Tax Registration Number on your check.

Please note that each form is year specific. To prevent any delay in processing your return, the correct year's form **must** be submitted to DRS.

Mail the completed return and payment (if applicable) to the address on the return.

Complete this return in blue or black ink only. Do not use staples.

When to File

Form CT-941 HHE is due April 15, 2020. If the due date falls on a Saturday, Sunday, or legal holiday, the return will be considered timely if filed by the next business day.

Household employers registered to withhold Connecticut income tax from their household employee wages **must** file one Form CT-941 HHE for the entire calendar year even if no tax is due. See **Informational Publication 2019(1)**, *Connecticut Employer's Tax Guide, Circular CT*.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your returns and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off only the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

Amended Returns

Use **myconneCT** to amend Form CT-941 HHE electronically. Visit portal.ct.gov/DRS-myconneCT.

If you have been granted a waiver from electronic filing, you may use **Form CT-941X**, *Amended Connecticut Reconciliation of Withholding*, to amend a previously filed Form CT-941 HHE.

Line Instructions

Line 1

Enter gross wages, for federal income tax withholding purposes, paid to all household employees during calendar year 2019.

Line 2

Enter gross Connecticut wages paid during calendar year 2019.

Connecticut wages are all wages paid to employees who are residents of Connecticut, even if those wages are paid for work performed outside Connecticut by those resident employees, and wages paid to employees who are nonresidents of Connecticut if those wages are paid for work performed in Connecticut by those nonresident employees.

Line 3

Enter total Connecticut income tax withheld on wages during the year. Include any amounts overcollected and not repaid to employee(s) during calendar year 2019.

Line 4

Enter credit from your prior year Form CT-941 HHE, Line 9. However, if any portion of that amount was overwithheld from employee(s) during a prior year and not repaid to those employee(s) prior to the end of that year or prior to filing the return for that year, whichever is earlier, subtract the portion not repaid from Line 9 of your prior year Form CT-941 HHE. Enter the difference.

Line 5

Enter the sum of all payments made for calendar year 2019.

Line 6

Add Line 4 and Line 5. This is your total payments and credits for calendar year 2019.

Line 7

Subtract Line 6 from Line 3 and enter the difference. If Line 3 is more than Line 6, complete Line 8a and Line 8b, if necessary, then go to Line 11. If Line 6 is more than Line 3, complete Line 9 and Line 10.

Line 8

Enter penalty on Line 8a, interest on Line 8b, and the total on Line 8.

Late Payment Penalty: The penalty for paying all or a portion of the tax late is 10% of the tax paid late.

Penalty for Failure to Pay Electronically: The following graduated penalty amounts will apply if you fail to remit payments electronically:

- First offense – 10% penalty on the amount of the required tax payment, but not more than \$2,500;
- Second offense – 10% penalty, but not more than \$10,000; **and**
- Third and subsequent offenses – 10% penalty.

Late Filing Penalty: If no tax is due, DRS may impose a \$50 penalty for the late filing of this return.

Interest: Interest is computed on the tax paid late at the rate of 1% per month or fraction of a month.

Line 9 and Line 10

Enter the amount from Line 7 you want credited to calendar year 2020 on Line 9. Enter the amount from Line 7 you want refunded on Line 10. However, if any portion of the amount on Line 7 was overwithheld from your employee(s) during calendar year 2019 and not repaid to your employee(s) prior to the end of calendar year 2019 or prior to filing the return for that year, whichever is earlier, the amount not repaid must be subtracted from the amount on Line 7. Enter the difference on Line 9 or Line 10.

If you overwithheld Connecticut income tax from your employee(s), the amount overwithheld should be reimbursed to the employee in the same calendar year the overcollection occurred.

Any Connecticut income tax overwithheld and not reimbursed in the same calendar year must be reported and paid to DRS on Form CT-941 HHE. Any overcollection not reimbursed to the employee must also be reported to the employee on federal Form W-2.

Do not reimburse any overwithheld Connecticut income tax that is the result of an incorrect withholding code claimed by an employee on Form CT-W4. The employee must file a Connecticut income tax return to receive a refund of the overwithholding.

Lines 10a through 10c

Get the refund faster by choosing direct deposit. Complete Lines 10a, 10b, and 10c to have the refund directly deposited into a checking or savings account.

Enter the nine-digit bank routing number and the bank account number in Lines 10b and 10c. The bank routing number is normally the first nine-digit number printed on the check or savings withdrawal slip. The bank account number generally follows the bank routing number. Do not include the check number as part of the account number. Bank account numbers can be up to 17 characters.

If any of the bank information supplied for direct deposit does not match, or the applicable bank account is closed prior to the deposit of the refund, the refund will automatically be mailed.

Line 10d

When you request the direct deposit of a refund, federal banking rules require DRS to inquire whether it is a foreign bank account. DRS will not deposit a refund into a foreign bank account. Instead, we will mail the refund to you.

Line 11

If the amount on Line 7 is net tax due, add Line 7 and Line 8. This is the total amount due.
