Form 472 - Instructions

General Instructions

File Electronically

This return **must** be filed electronically through the Department of Revenue Services (DRS) **Taxpayer Service Center (TSC)**. The **TSC** allows taxpayers to electronically file, pay, and manage state tax responsibilities. To make electronic transactions or administer your tax account online, visit portal.ct.gov/TSC.

Payment Options

Pay Electronically

Use the **TSC** to make a direct tax payment. After logging into the **TSC**, select the *Make Payment Only* option and choose a tax type from the drop down box. Using this option authorizes DRS to electronically withdraw a payment from your bank account (checking or savings) on a date you select up to the due date. As a reminder, even if you pay electronically you must still file your return by the due date. Tax not paid on or before the due date will be subject to penalty and interest.

Pay by Credit Card or Debit Card

You may elect to pay your Attorney Occupational Tax liability using your American Express® card, Discover® card, MasterCard® card, VISA® card, or comparable debit card. A convenience fee based on the total tax payment will be charged to your account by the credit card service provider. You will be informed of the amount of the fee and you may elect to cancel the transaction.

At the end of the transaction you will be given a confirmation number for your records. There are two ways to pay by credit card:

- Login to your account in the **TSC** and select *Make Payment by Credit Card*; **or**
- Visit www.officialpayments.com and select *State Payments*.

Your payment will be effective on the date you make the charge.

Who Must File This Return

Any attorney listed on the roll of attorneys maintained by the Superior Court at any time during the calendar year for which this return is filed, must file a return for the calendar year even if the attorney is claiming an exemption from tax.

Who is Liable for the Tax

Any person who:

- Is admitted as an attorney by the judges of the Superior Court, Appellate Court, or Supreme Court;
- Engaged in the practice of law in Connecticut during the calendar year for which this return is filed; **and**
- Is not exempt from this tax.

Who is Exempt From the Tax

See *Section I* of this return for a complete list of exemptions.

Where Can I Find my Juris Number

If you are unsure of your Juris Number, refer to a copy of your Attorney Registration form completed in compliance with Practice Book § 2-27. You may also visit the Connecticut Judicial Branch website at www.jud.ct.gov to locate your Juris Number.

Employers Paying on Behalf of Employees

Employers paying the tax on behalf of employees may use the Bulk filing option to file their Attorney Occupational Tax returns. The bulk filing option allows for multiple returns to either be “keyed in” or uploaded using the Dynamic Web Import; a file upload process that allows you to define your file type and layout.

For more information on this process please visit:

portal.ct.gov/TSC and click on **Tax Preparer (Bulk Filers)**.

When do I File

File Form 472 on or before January 15, following the close of the calendar year. If the due date falls on a Saturday, Sunday, or legal holiday, the return will be considered timely if filed by the next business day.

Penalty and Interest for Late Filing or Payment

If you are subject to the tax and pay late, the late payment penalty is \$50.

To be considered timely, an electronic funds transfer (EFT) payment **must** be initiated on or before the due date of such payment.

If you fail to remit payment electronically, DRS will impose a non-compliance penalty of 10% of the amount you were required to pay electronically.

Interest is computed at 1% per month or fraction of a month on the underpayment of tax from the original due date of the return through the date of payment.

If you are exempt from the tax but file Form 472 late, a late filing penalty of \$50 may be imposed.

If you receive a waiver from electronic filing, your paper return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify. See **Policy Statement 2016(4)**, *Designated Private Delivery Services and Designated Types of Service*.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off only the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50), then round the total to \$5.00 and enter it on a line.
