If you file by mail, complete the return in blue or black ink only. Do not use staples.

State of Connecticut
PO Box 2990
Hartford CT 06104-2990

If you pay by mail, make check payable to **Commissioner of Revenue Services**. To ensure payment is applied to your account, write the calendar year of the return, "**Form 115 NIN**," and your Connecticut Tax Registration Number on the front of your check. The Department of Revenue Services (DRS) may submit your check to your bank electronically.

Who Must File

Each insured whose home state is Connecticut procuring, continuing, or renewing nonadmitted insurance whose effective date is on or after January 1, 2012 must file Form 115 NIN for the calendar quarter during which the nonadmitted insurance is procured, continued, or renewed, to report the insured's tax liability under Conn. Gen. Stat. § 38a-277. Whether Connecticut is the home state of the insured, and whether insurance is nonadmitted insurance, is determined under of the Nonadmitted and Reinsurance Reform Act of 2010 (codified at 15 U.S.C. §§ 8201 to 8206, inclusive).

Form 115 NIN should not be used to report tax on premiums collected by risk retention groups pursuant to Conn. Gen. Stat. § 38a-254. Risk retention groups are required to file **Form 115 RRG, Insurance Premium Tax Return Risk Retention Groups**.

This tax is not applicable to premiums on wet marine, transportation, individual life, or individual disability insurances.

Filing an Amended Return

If you make an error(s) on your return or need to report a cancellation (see *Gross Premiums*, below), you must correct the error(s) by filing an amended return using a new Form 115 NIN. Check the *Amended return* box on the front of the return. Complete Form 115 NIN using the correct figures and attach supporting documentation.

Do not use Form 115 NIN to amend a return for a calendar quarter beginning before January 1, 2012.

You must file an amended return claiming a refund of taxes paid within three years of the original due date of the return. An explanation of the claim for refund must accompany the amended return.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard Form 115 NIN (Rev. 09/21)

the cents. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50), then round the total to \$5.00 and enter it on a line.

Gross Premiums

In computing the tax, the insured is to report gross premiums, whether or not the risks or exposures are within Connecticut. Gross premiums include all premiums, membership fees, assessments, dues, and any other consideration for insurance. However, where a policy covers risks or property located both in the United States and outside the United States, 100% of the premium attributable to risks or property located in the United States is subject to tax. The percentage of the premium attributable to risks or property located outside the United States is not subject to tax. Risks or property located in a State, as defined in the Nonadmitted and Reinsurance Reform Act of 2010, are considered to be located in the United States. State, as defined in the Nonadmitted and Reinsurance Reform Act of 2010, includes any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, the Virgin Islands, and American Samoa.

This position applies to policies that have an effective date on or after July 1, 2011.

In the event of cancellation and rewriting of any nonadmitted insurance contract, the premium shall be the premium in excess of the unearned premium of the cancelled insurance contract. An amended return for the quarter in which the premiums are reported should be filed to reflect this.

Penalty and Interest

In general, penalty and interest apply to any portion of the tax not paid on or before the original due date of the return. If you do not pay the tax when due, you will owe interest at the rate of 1% per month or fraction of a month until the tax is paid in full.

Late Payment Penalty: The penalty for late payment of tax is 10% of the tax due or \$50, whichever is greater.

Late Filing Penalty: The Commissioner of Revenue Services may impose a \$50 penalty for failure to file any return or report that is required by law to be filed.
