Form 207 Instructions

General Instructions

Form 207 is due on or before March 1, 2023, for an insurance premiums tax liability for calendar year 2022.

Filing and Paying Electronically

File and pay Form 207 electronically using **myconneCT**. DRS **myconneCT** allows taxpayers to electronically file, pay and manage state tax responsibilities.

Filing and Paying by Mail

Those granted an electronic filing and payment waiver may file by paper and make payment by check. Complete this return in blue or black ink only. Do not use staples. To request a one-year waiver from the electronic filing requirement, visit portal.ct.gov/DRS and complete **Form DRS-EWVR, Electronic Filing and Payment Waiver Request**.

Please note that each form is year specific. To prevent any delay in processing your return, the correct year's form **must** be submitted to DRS.

If you pay by mail, make check payable to **Commissioner of Revenue Services**. Write "**2022 Form 207**" and your Connecticut Tax Registration Number on the front of your check. DRS may submit your check to your bank electronically.

Mail paper return to:

Department of Revenue Services
State of Connecticut
PO Box 2990
Hartford CT 06104-2990

Attachments: Attach the following to this return:

- A copy of Schedule T, as filed with the Connecticut Insurance Department;
- Connecticut state business page from the Annual Statement filed with the Connecticut Insurance Department;
- 2022 Schedule GAA, if applicable;
- 2022 Form 207I, if applicable;
- 2022 Form CT-207K, if applicable; **and**
- Any forms, certificates, and/or supporting documents required to claim credits, if applicable.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29+\$3.21) to compute the total (\$4.50), then round the total to \$5.00 and enter it on a line.

Filing an Amended Return

If you make an error on your return, you must correct the error by filing an amended return using a new Form 207, using **myconneCT**. Check the box to indicate this is an amended return and complete the form using the correct figures and information for the reporting period.

You must file an amended return within three years of the original due date of the return to claim a refund of taxes already paid. An explanation of the claim for refund must accompany the amended return.
