Information for CERT-122, Refund of Tax Paid on Purchases of Meals or Lodging by Exempt Entities

General Purpose: Exempt organizations, qualifying governmental agencies, nonprofit charitable hospitals, nonprofit nursing homes, nonprofit rest homes, and nonprofit residential care homes must use this certificate to request a refund of tax paid on a qualifying exempt purchase of meals or lodging. (Any reference to **tax** in this document includes sales and use taxes and room occupancy tax, as applicable.) These organizations, governmental agencies, hospitals, and homes will be referred to as exempt entities throughout this certificate. Use this certificate **only** if all four of these conditions are met:

1. The retailer directly invoices and charges the exempt entity for the meals or lodging;
2. The exempt entity directly pays the retailer with a check drawn on its own account or with a credit card issued in its own name;
3. The exempt entity is not reimbursed, in whole or in part, by donation or otherwise, for its payment for the meals or lodging by those consuming the meals or lodging; **and**
4. This certificate is filed with the Department of Revenue Services (DRS) within three years from the last day of the month after the period for which the sales tax was paid.

Statutory Authority: Conn. Gen. Stat. § 12-412(1)(A), (5), (8), and (94); § 12-425.

Credit Card Purchases: If a credit card is used to pay the retailer of meals or lodging, the card must be issued in the name of the exempt entity. The credit card must be used exclusively to make purchases for the use of the exempt entity (not for the convenience of its officers, employees, or members). The credit card charges must be paid by a check drawn on the exempt entity's own checking account.

Nonqualifying Purchases: This certificate may not be used (and tax will not be refunded) on the purchase of meals or lodging not meeting all four conditions above. Nonqualifying purchases include fundraisers where those who attend are charged or are required to make any payment and seminars or conferences where meals or lodging are included in the conference or seminar registration fee except as described below.

An exempt entity may purchase meals tax exempt using **CERT-113, Purchases of Tangible Personal Property and Services by Certain Hospitals, Nonprofit Nursing Homes, Nonprofit Rest Homes, or Nonprofit Residential Care Homes; CERT-119, Purchases of Tangible Personal Property and Services by Qualifying Exempt Organizations; or CERT-134, Exempt Purchases by Qualifying Governmental Agencies;** when it will resell the meals at one of five fundraising or social events per year that is exempt from tax under Conn. Gen. Stat. § 12-412(94) including meals resold at conferences and seminars. If a qualifying exempt entity pays tax on meals and later resells them at these events, the organization may request a refund from DRS without using CERT-122. See **Special Notice 98(11), Exemption From Sales and Use Taxes of Sales by Nonprofit Organizations at Fundraising or Social Events, Informational Publication 2002(11), Nonprofit Hospitals, Nonprofit Nursing Homes, Nonprofit Rest Homes, and Nonprofit Residential Care Homes, and Policy Statement 98(5), Sales and Use Tax Refund Policy.**

Government Purchases Not Requiring Preapproval: The federal government has implemented the "GSA SmartPay" program, which uses five categories of credit cards: Fleet, Purchase, Travel, Tax Advantage Travel, and Integrated cards. Federal employees may purchase meals and lodging tax exempt by using **certain** GSA SmartPay credit cards when the purchases are billed to and paid by the federal government. U.S. government agencies making tax-exempt purchases of meals and lodging using GSA SmartPay cards are not required to get preapproval for these purchases from DRS and are not required to provide the retailer with **CERT-112, Exempt Purchases of Meals or Lodging by Exempt Entities.** See **Policy Statement 2019(1), Retailer's Acceptance of U.S. Government "GSA SmartPay 3" Charge Cards for Exempt Purchases.**

Who Should File This Certificate: If the exempt entity did not receive prior approval of exemption from DRS, either because it was reimbursed in whole or in part, for certain meals or lodging (although not reimbursed

in whole or in part for other meals or lodging) or because it did not submit a properly completed CERT-112 at least three weeks before the event, the exempt entity must pay the tax to the retailer at the time of the purchase of the meals or lodging. It may then request a refund of tax paid on the particular meals or lodging for which it was not reimbursed, in whole or in part, by submitting this certificate to DRS.

Events That Qualify for Refund Only: If the exempt entity will be paying (and will not be reimbursed, in whole or in part) for the meals or lodging of some of the attendees, but will be reimbursed in whole or in part for the meals or lodging of others, a preapproved exemption will **not** be issued. The exempt entity must pay tax on **all** the meals or lodging at the time of purchase. However, if the exempt entity files CERT-122, and DRS approves the certificate, DRS will refund the tax on those meals or lodging paid by the exempt entity and not reimbursed in whole or in part. The exempt entity is not eligible for a refund of the tax paid on meals or lodging for which it received full or partial reimbursement other than for meals sold under the five one-day fundraising events per calendar year exemption. See **Policy Statement 2006(3), Purchases of Meals or Lodging by Exempt Entities,** for more information.

Example 1: B, an exempt organization, sponsors a dinner to honor one of its members. The restaurant charges B \$50 per meal and B sells tickets for \$50 per person. The honoree and members of the immediate family attend as guests of the organization. B must pay sales tax on all meals purchased. It may, however, complete and file CERT-122 to claim a refund of the taxes paid only on meals consumed by the honoree and members of the immediate family.

Example 2: C, an exempt organization, sponsors a retirement dinner to honor one of its employees. The restaurant charges C \$60 per meal. C sells tickets for \$50 per person and pays the \$10 difference to the restaurant from its own funds. C must pay sales tax on the full price of all meals purchased. Because the organization received partial reimbursement for all of the meals, C is not eligible for a refund of any of the tax paid.

Instructions for the Purchaser: An officer of an exempt entity must complete and sign this certificate to request a refund of taxes paid on the qualifying exempt purchase of meals or lodging. If the purchaser is an exempt organization, it must attach **either** a copy of its IRC § 501(c)(3) or (13) determination letter issued by the U.S. Treasury Department **or**, if it was issued an exemption permit by DRS, enter its exemption permit number on CERT-122. If the purchaser is a qualifying governmental agency, no attachment is required. If the purchaser is a nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home, it must attach a copy of a valid and active license issued by the Department of Public Health under Chapter 368v of the Connecticut General Statutes and either a copy of its IRC § 501(c)(3) or (4) determination letter issued by the U.S. Treasury Department **or**, if it was issued an exemption permit by DRS, enter its exemption permit number on CERT-122. If DRS concludes a qualifying exempt purchase was made, the tax paid will be refunded to the purchaser. Keep a copy of this certificate and records that substantiate the information entered on this certificate for at least six years from the date it was issued. The following items must be included with CERT-122:

1. A copy of an itemized bill directly invoicing and charging the exempt entity for the meals or lodging. The bill must separately state the amount of sales tax charged on meals and lodging; **and either**
2. A copy of the cancelled check(s) (front and back), including the initial deposit, drawn on the exempt entity's checking account, directly paying for the meals or lodging; **or**
3. If payment is made by credit card, a copy of the exempt entity's credit card statement showing the purchase of the meals and lodging and a copy of the cancelled check(s) (front and back) drawn on the exempt entity's checking account that paid the credit card bill.
