To request a waiver from the electronic filing requirement visit **portal.ct.gov/DRS** to complete **Form DRS-EWVR**, *Electronic Filing and Payment Waiver Request*.

If you received a waiver from the electronic filing and payment requirement from DRS, make check payable to **Commissioner of Revenue Services**. Write your Connecticut Tax Registration Number and the calendar quarter to which the payment applies on your check. Attach a copy of all applicable schedules and forms. Mail the completed return, attachments, and payment, if applicable, to the address on the front.

Penalty for Failure to Pay Electronically: The following graduated penalty amounts will apply if you fail to remit payments electronically:

- First offense 10% penalty on the amount of the required tax payment, but not more than \$2,500;

Form CT-941X can only be used to correct a single period. If additional periods require correction, or if you are amending for more than one type of return, a separate Form CT-941X must be completed for each period and for each type of return that you are amending.

Mail the completed return and payment, if applicable, to the following address:

Department of Revenue Services State of Connecticut PO Box 2931 Hartford, CT 06104-2931

Complete this return in blue or black ink only. Do not use staples.

When to File

This form **must** be filed before the end of the current calendar year to correct Connecticut income tax withholding errors made during the same calendar year. This form may not be filed after the end of the calendar year to correct Connecticut income tax withholding errors made during that calendar year unless to correct an administrative error.

To claim a refund for the overpayment of Connecticut withholding tax, Form CT-941X **must** be filed within three years from the due date of the original return. If you filed federal Form 941-X, Adjusted Employer's Quarterly Federal Tax Return or Claim for Refund, or federal Form 945-X, Adjusted Annual Return of Withheld Federal Income Tax or Claim for Refund, you **must** file Form CT-941X no later than 90 days after the final determination by the Internal Revenue Service (IRS).

If the tax reported on your federal Form 941, Employer's Quarterly Federal Tax Return, or federal Form 945, Annual Return of Withheld Federal Income Tax, is changed or corrected by the IRS or other competent authority, and the change increases or decreases your Connecticut withholding tax liability, you **must** file Form CT-941X to report the change or correction no later than 90 days after the final determination of the change or correction.

Supporting Documentation

Retain a copy of your federal Form 941-X, federal Form 945-X, quarterly reconciliations of withholding from other states (original and corrected copies), and all federal Forms W-2c, Corrected Wage and Tax Statement, with your records to support your changes. Furnish to DRS **only** upon request.

Rounding Off To Whole Dollars

You must round off cents to the nearest whole dollar on your returns and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off only the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

Signature

This form **must** be signed by the employer or payer. Anyone paid to prepare the tax return must sign the return. The preparer's FEIN, firm name, firm address, and telephone number must also be entered in the space provided.
