Name, Address, and Tax Registration Number

Enter the company's name, address, Federal Employer Identification Number (FEIN), and Connecticut Tax Registration Number in the spaces provided.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off only the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50), then round the total to \$5.00 and enter it on a line.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return. If the tax is not paid when due, interest will accrue at the rate of 1% per month or fraction of a month from the original due date of the return until the tax is paid in full.

Late Payment Penalty: If tax is due, the penalty for late payment is 10% of the tax due or \$50, whichever is greater.

Late Filing Penalty: If no tax is due, the Commissioner of Revenue Services may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

Signature

The treasurer of the company, or a principal officer of the company, must sign Form 207 EXT.
