## Form OP-216 - Instructions

## **General Instructions**

**Form OP-216** must be filed for each calendar month by the twenty-fifth day of the following month. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. A return must be filed even if no tax is due.

## Filing and Paying Electronically

Form OP-216 can be filed and paid electronically using myconneCT. DRS myconneCT allows taxpayers to electronically myconneCT

file, pay, and manage state tax responsibilities.

## Filing and Paying by Mail

If you file by mail, complete the return in blue or black ink only. Do not use staples.

Mail this return and schedules with a check to:

Department of Revenue Services State of Connecticut PO Box 5031 Hartford CT 06102-5031

If you pay by mail, make check payable to **Commissioner** of **Revenue Services**. To ensure payment is applied to your account, write "Form OP-216" and your Connecticut Tax Registration Number, optional, on the front of your check. Be sure to sign your check and paper clip it to the front of your return. Do not use staples. Do not send cash. DRS may submit your check to your bank electronically.

**Rounding gallons:** On your return, you must round off fractions of a gallon to the nearest whole gallon. Round down to the next lowest whole gallon all fractions of a gallon less than a half gallon. Round up to the next highest whole gallon all fractions of a half gallon or more.

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

# Special Instructions for Sellers of Certain Alternative Fuel

Effective for sales made on or after July 1, 2008, sales of compressed natural gas, liquefied petroleum gas, and liquefied natural gas (alternative fuels) are subject to motor vehicle fuels tax at 26¢ per gallon. When selling such fuels in a gaseous form, see **Announcement 2024(1)**, Conversion Factors for Motor Vehicle Fuels Occurring in Gaseous Form Beginning July 1, 2024.
