Form CT-941 Instructions

General Instructions

Form CT-941 is used to reconcile quarterly Connecticut income tax withholding from wages only.

Form CT-941 must be filed and paid electronically unless certain conditions are met.

File this return and make payment electronically using myconneCT at portal.ct.gov/DRS-myconneCT.

Only taxpayers that receive a waiver from the electronic filing requirement from DRS may file paper withholding forms. See *Electronic Filing Waiver*, below.

Electronic Filing Waiver

Generally, a payment made electronically is a payment made by electronic funds transfer (EFT).

Only taxpayers that receive a waiver from electronic filing from DRS may file a paper version of this form. To request a waiver from the electronic filing requirement visit **portal.ct.gov/DRS** and complete **Form DRS-EWVR**, *Electronic Filing and Payment Waiver Request*.

If you received a waiver from electronic filing and payment from DRS, make check payable to **Commissioner of Revenue Services**. Write your Connecticut Tax Registration Number and the calendar quarter to which the payment applies on your check.

Please note that each form is year specific. To prevent any delay in processing your return, the correct year's form **must** be submitted to DRS.

Mail the completed return and payment, if applicable, to the following address:

Department of Revenue Services State of Connecticut PO Box 2931 Hartford, CT 06104-2931

Complete this return in blue or black ink only. Do not use staples.

When to File

Due Dates

First quarter, April 30, 2025; second quarter, July 31, 2025; third quarter, October 31, 2025; and fourth quarter, January 31, 2026.

An employer who makes timely withholding payments and owes no additional withholding for the quarter has ten days after the normal due date to file Form CT-941.

If the due date falls on a Saturday, Sunday, or legal holiday, the return will be considered timely if filed by the next business day.

Employers who are registered for Connecticut income tax withholding (other than household employers, agricultural employers granted annual filer status, and seasonal filers) are required to file Form CT-941 for each calendar quarter even if no tax is due or if no tax was required to be withheld.

Household employers who are registered to withhold Connecticut income tax from the wages of their household employees should **not** file Form CT-941 for each calendar quarter, but instead must file one **Form CT-941 HHE**, Connecticut Reconciliation of Withholding for Household Employers, for the entire calendar year.

Seasonal and annual filers, including agricultural employers, may request permission from DRS to file Form CT-941 for only the calendar quarters in which they pay Connecticut wages. Certain agricultural employers may request permission to file one Form CT-941 for the entire calendar year.

Section 1 - Line Instructions

Line 1: Enter gross wages, for federal income tax withholding purposes, paid to all employees during this quarter.

Line 2: Enter gross **Connecticut wages** paid during this quarter. **Connecticut wages** are all wages paid to employees who are residents of Connecticut even if those wages are paid for work performed outside Connecticut by those resident employees and wages paid to employees who are nonresidents of Connecticut if those wages are paid for work performed in Connecticut by those nonresident employees.

Residents of states with a "convenience of the employer" test will be subject to similar rules for work performed for a Connecticut employer.

Line 3: Enter total Connecticut income tax withheld on wages during this quarter. This should equal Section 2, Line 8.

Line 4: Enter credit from your prior quarter Form CT-941, Line 9. However, if any portion of that amount was overwithheld from employees during a prior quarter and not repaid to those employees prior to the end of that quarter or prior to filing the return for that quarter, whichever is earlier, subtract the portion not repaid from Line 9 of your prior quarter Form CT-941. Enter the difference.

Line 5: Enter the sum of all payments made for this quarter.

Line 6: Add Line 4 and Line 5. This is the total of your payments and credits for this quarter.

Line 7: Subtract Line 6 from Line 3 and enter the difference. If Line 3 is more than Line 6, complete Line 8a and Line 8b if necessary, then go to Line 11. If Line 6 is more than Line 3, complete Line 9 and Line 10.

Line 8: Enter penalty on Line 8a, interest on Line 8b, and the total on Line 8.

Late Payment Penalty

The penalty for paying all or a portion of the tax late is 10% of the tax paid late.

Penalty for Failure to Pay Electronically

The following graduated penalty amounts will apply if you fail to remit payments electronically:

- First offense 10% penalty on the amount of the required tax payment, but not more than \$2,500;
- Second offense 10% penalty, but not more than \$10,000; and
- Third and subsequent offenses 10% penalty.

Late Filing Penalty

If no tax is due, DRS may impose a \$50 penalty for the late filing of this return.

Interest

Interest is computed on the tax paid late at the rate of 1% per month or fraction of a month.

Line 9 and Line 10: Enter the amount from Line 7 you want credited to the next quarter on Line 9. Enter the amount from Line 7 you want refunded on Line 10.

However, if any portion of the amount on Line 7 was overwithheld from your employee(s) during calendar year 2025 and not repaid to your employee(s) prior to the end of calendar year 2025 or prior to filing the fourth quarter return, whichever is earlier, the amount not repaid must be subtracted from the amount on Line 7. Enter the difference on Line 9 or Line 10.

If you overwithheld Connecticut income tax from your employee(s), the amount overwithheld should be reimbursed to the employee in the same calendar year the overcollection occurred.

Lines 10a through 10c: Get the refund faster by choosing direct deposit. Complete Lines 10a, 10b, and 10c to have the refund directly deposited into a checking or savings account.

Enter the nine-digit bank routing number and the bank account number in Lines 10b and 10c. The bank routing number is normally the first nine-digit number printed on the check or savings withdrawal slip. The bank account number generally follows the bank routing number. Do not include the check number as part of the account number. Bank account numbers can be up to 17 characters.

If any of the bank information supplied for direct deposit does not match, or the applicable bank account is closed prior to the deposit of the refund, the refund will automatically be mailed. **Line 10d:** When you request the direct deposit of a refund, federal banking rules require DRS to inquire whether it is a foreign bank account. DRS will not deposit a refund into a foreign bank account. Instead, we will mail the refund to you.

Line 11: If the amount on Line 7 is net tax due, add Line 7 and Line 8. This is the total amount due.

Rounding off to whole dollars

You must round off cents to the nearest whole dollar on your returns and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

Section 2 - Summary of Connecticut Tax Liability for the Calendar Quarter

Enter Connecticut income tax withheld for each pay period. Add Lines 1 through 6 for each column and enter column totals on Line 7. Add Line 7, Columns A, B, and C. Enter total liability on Line 8. Line 8 should equal Form CT-941, Section 1, Line 3.

Amended Returns

Use **myconneCT** to amend Form CT-941 electronically. Visit **portal.ct.gov/DRS-myconneCT**. Only taxpayers that have been granted a waiver from electronic filing and payment from DRS may file a paper **Form CT-941X**, *Amended Connecticut Reconciliation of Withholding*, to amend Form CT-941.
