Form 211 CCV

Instructions

Form 211 CCV, *Certified Competitive Video Service Companies Gross Earnings Tax Return*, is due on or before the last day of April, July, October, and January for the preceding calendar quarter even if no tax is due. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your returns and schedules. If you do not round, the Department of Revenue Services (DRS) will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

Line Instructions

Line 1: Enter the total amount of gross earnings during the calendar quarter from transmitting video programming by certified competitive video providers to subscribers both inside and outside Connecticut. Do not deduct commissions, rebates, or other payments (except refunds arising from errors or overcharges).

Line 2: Enter the average number of subscribers in Connecticut during the calendar quarter. The average is determined by adding the number of subscribers in Connecticut on the first day of the calendar quarter and the number of subscribers in Connecticut on the last day of the calendar quarter and dividing the total by two.

Line 3: Enter the average number of subscribers both inside and outside Connecticut during the calendar quarter. The average is determined by adding the number of subscribers both inside and outside Connecticut on the first day of the calendar quarter and the number of subscribers both inside and outside Connecticut on the last day of the calendar quarter and dividing the total by two.

Line 7: Enter the amount of any assessment actually paid during the calendar quarter to the Department of Energy and Environmental Protection (DEEP) under Conn. Gen. Stat. § 16-49.

Line 9: Enter the amount of general business tax credits claimed during the calendar quarter. If your company claims Connecticut business tax credits, you must complete and upload Form **CT-1120K**, *Business Tax Credit Summary*, when filing return electronically.

For information on Connecticut business tax credits that your company may be eligible to claim, see portal.ct.gov/DRS/Publications/Corporation-Credit-Guide/Corporation-Tax-Credit-Guide-Table-of-Contents.

Line 11: Penalty

Late Payment Penalty: The penalty for paying all or a portion of the tax late is 10% of the tax due or \$50 whichever is greater.

Late Filing Penalty: The Commissioner of Revenue Services may impose a \$50 penalty for failure to file any return or report that is required by law to be filed. **Form 211 CCV**, *Certified Competitive Video Service Companies Gross Earnings Tax Return*, must be filed even if no tax is due.

Line 12: Interest: If you do not pay the tax when due, you will owe interest at the rate of 1% per month or fraction of a month until the tax is paid in full. To compute interest due, multiply Line 6 by the number of months or fraction of a month late, then by 1%.
