

Annual List of Distributors for Motor Vehicle Fuels Tax Purposes

Purpose: This Announcement identifies persons licensed as motor fuels distributors by the Department of Revenue Service (DRS) as of January 1, 2020.

Background: The motor vehicle fuels tax is not payable on motor vehicle fuel sold to any licensed distributor **other than** a tax-paid motor vehicle fuels distributor. On or around January 31 of each year, DRS publishes as an Announcement an annual list of licensed distributors and posts the Announcement on its website at portal.ct.gov/DRS. DRS updates the annual list on a quarterly basis on or around April 30, July 31, and October 31 of each year by publishing as an Announcement a quarterly list identifying the persons

that have become, or are no longer, licensed distributors since the current annual list and any subsequent quarterly list(s) were published. The Announcement is then posted on the DRS website. Because quarterly lists are not cumulative, it is necessary to consult the current annual list, any subsequent quarterly list(s), and the current quarterly list to determine whether a person is a licensed distributor.

Effective Date: This Announcement is effective upon issuance.

Statutory Authority: Conn. Gen. Stat. § 12-458(a)(1).
