March 12, 2025

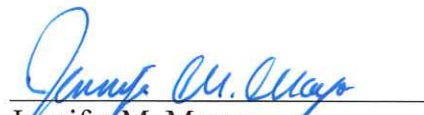

The above-captioned matter was scheduled to be heard as a contested case on September 10, 2024, at 2:30 p.m., at which time neither the complainant nor counsel for the respondents was present. The hearing officer asked the Commission's staff to contact the parties. Counsel for the respondent ultimately appeared after being contacted. The complainant could not be reached; however, the Commission's records reflect that although the notice of hearing was mailed to the parties via certified mail, such notice was not delivered to the complainant. The hearing was continued to November 8, 2024.

Before the continued hearing in this matter was opened, the parties informed the Commission that they had reached a settlement agreement. Subsequently, by email dated November 8, 2024, the complainant filed a withdrawal of the complaint with the Commission. The Commission takes administrative notice of such withdrawal.

The following order is hereby recommended on the basis of the record concerning the above-captioned complaint:

1. Based on the withdrawal of the complaint, the case is hereby dismissed.

Approved by Order of the Freedom of Information Commission at its regular meeting of March 12, 2025.
