

FREEDOM OF INFORMATION COMMISSION
OF THE STATE OF CONNECTICUT

In the Matter of a Complaint by
Thomas Supina, Jr.,

Report of Hearing Officer

Complainant

Docket #FIC80-73

against

November 12, 1980

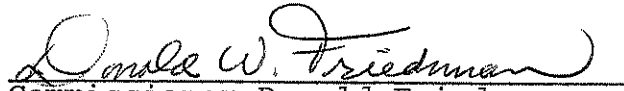

Town of Ashford; and Board of
Selectmen of the Town of Ashford

Respondents

The above captioned matter was heard as a contested case on September 4, 1980, at which time the complainant and the respondents appeared. At said hearing it was determined that the letter by which the complainant sought to invoke the jurisdiction of this Commission is unintelligible, in that said letter is not written in a manner clear enough to provide the respondents with adequate notice of the nature of the complaint or with a fair opportunity to defend against same.

Because the complaint in the above captioned matter lacks the requisite specificity to invoke the jurisdiction of the Commission, the following order is hereby recommended.

1. The complaint is hereby dismissed.

Commissioner Donald Friedman
