

FREEDOM OF INFORMATION COMMISSION  
OF THE STATE OF CONNECTICUT

In the Matter of a Complaint by  
Paul Lipka,

FINAL DECISION

Complainant

Docket #FIC83-127

against

November 16, 1983

Trumbull Emergency Medical  
Service Commission,

Respondent

The above captioned matter was heard as a contested case on August 31, 1983, at which time the complainant and the respondent appeared and presented testimony, exhibits and argument on the complaint.

After consideration of the entire record the following facts are found:

1. The respondent is a public agency within the meaning of §1-18a(a), G.S.

2. By letter of complaint filed with the Commission on June 4, 1983, the complainant alleged that the respondent had met and discussed him without notice to him that such discussion would take place, and that no minutes of such meeting had been filed.

3. It is found that the meeting referred to in the complainant's complaint was held on February 22, 1983, more than 30 days prior to the filing of the complaint.

4. It is found that the complainant failed to allege that minutes of the February 22, 1983 meeting remained unfiled or that any other violations of the Freedom of Information Act by the respondent occurred within 30 days prior to the filing of his complaint.

5. It is therefore concluded that pursuant to §1-21i(b), G.S., the Commission lacks jurisdiction over the allegations of the complainant's complaint.

The following order by the Commission is hereby recommended on the basis of the record concerning the above captioned complaint.

1. The complaint is hereby dismissed.

Approved by order of the Freedom of Information Commission at its regular meeting of November 9, 1983.
