

FREEDOM OF INFORMATION COMMISSION
OF THE STATE OF CONNECTICUT

In the Matter of a Complaint by
Albert Calandro, Jr.,

FINAL DECISION

Complainant

Docket #FIC83-143

against

February 8, 1984

Wilbur Cross High School,

Respondent

The above captioned matter was heard as a contested case on October 17, 1983 at which time the complainant appeared and presented testimony, exhibits and argument on the complaint. The respondent did not appear.

After consideration of the entire record the following facts are found:

1. The respondent is a public agency within the meaning of §1-18a(a), G.S.
2. By letter of complaint filed with the Commission on June 29, 1983 the complainant alleged that he had been denied access to a legible copy of his high school transcript.
3. It is found that by letter dated June 7, 1983 the complainant made a request of the respondent for a copy of his transcript.
4. On June 21, 1983 the complainant received a copy of his transcript, upon which had been inscribed "unofficial copy of transcript" in such a way as to obscure a portion of the document.
5. Prior to hearing, on or about October 6, 1983, the respondent provided the complainant with a completely legible copy of his transcript.
6. It is found, however, that the respondent failed to provide a copy of the transcript promptly upon request, in violation of §§1-15 and 1-19(a), G.S.

The following order by the Commission is hereby recommended on the basis of the record concerning the above captioned complaint:

1. Henceforth the respondent shall act in strict compliance with the requirements of §§1-15 and 1-19(a), G.S.

Approved by order of the Freedom of Information Commission at its regular meeting of February 8, 1984.

Mary Jo Jolicœur
Clerk of the Commission
