Re: Dockets # FIC84-94  
FIC84-97  
FIC84-99

Commissioner Pearlman:

This correspondence is to formally withdraw the complaints registered in the above dockets.

The reason for withdrawal is that the Lottery Division, through it's Attorney General has issued to us the long sought information.

A verbal withdrawal was given via telephone to Ms. Marion Sponzo on July 31st at approximately 3:45 P.M. after we received the information at Lottery Headquarters in Newington.

We wish to thank you, and your staff, particularly Ms. Sponzo for being so helpful in this matter.

Sincerely,
