

WHAT IS HUSKY PRIMARY CARE?

HUSKY PRIMARY CARE is Connecticut's **Primary Care Case Management (PCCM) program**, one of four HUSKY A healthcare options now available in your area.

In **HUSKY PRIMARY CARE**, family members enroll directly with Primary Care Providers instead of enrolling in one of the three HUSKY managed care health plans.

Health care benefits are the same in **HUSKY PRIMARY CARE** as in a managed care health plan.

Primary Care Providers in the program provide:

- Care coordination to help you get appointments with specialists, follow up on your medical conditions, and link you with community resources and services you need.
- Same or next day appointments for urgent care.
- Some evening hours, weekend hours, and/or early morning hours on weekdays to visit or contact your provider.

WHY ENROLL IN HUSKY PRIMARY CARE?

- You can enroll directly with your Primary Care Provider, who knows your health care needs best!
- Your Primary Care Provider and his or her staff will work with you to help coordinate your care and help you manage any health problems.

HOW WILL I GET HEALTHCARE IN HUSKY PRIMARY CARE?

As with a HUSKY managed care health plan, you will get primary care, such as regular check-ups and office visits when you are sick, from your Primary Care Provider.

In **HUSKY PRIMARY CARE**, you do not join a HUSKY managed care health plan – you enroll directly with a Primary Care Provider.

The Primary Care Provider offers the same services offered by a managed care health plan, such as health education, reminders about immunizations and well-child visits, and help scheduling appointments.

If you need to see a specialist, your Primary Care Provider will help you find one who participates in Medicaid. Your Primary Care Provider will make the referral to the specialist.

For emergencies, you can use any hospital. All general hospitals in Connecticut are enrolled.

For all HUSKY A members, whether you join **HUSKY PRIMARY CARE** or a HUSKY managed care health plan:

- Behavioral health, dental, and pharmacy services and providers are the same.
- You can get transportation to appointments.

Your gray CONNECT CARD will get you access to all your healthcare needs: medical, dental, pharmacy & behavioral

WHO CAN JOIN HUSKY PRIMARY CARE?

- HUSKY A members who live in these towns can enroll: New Haven, Hamden, North Haven, East Haven, West Haven, Orange and Woodbridge.
- To join, each family member in HUSKY A must choose a Primary Care Provider who participates in **HUSKY PRIMARY CARE**.
