

**Primary Care Providers in HUSKY Primary Care,
Connecticut's Primary Care Case Management Program
(Putnam Area, as of June 2, 2011)**

To enroll in HUSKY Primary Care, you will need to pick a participating Primary Care Provider (PCP) for **each** member of your household enrolled in HUSKY A. For example, you may want to enroll your child with a pediatrician and an internal medicine doctor for yourself or a family practice doctor or APRN for the whole family.

More PCPs are joining the program. For more information or to enroll, call HUSKY at 1-800-656-6684.
You can also ask your PCP if he or she is interested in participating.
