

Primary Care Providers (PCPs) participating in HUSKY PCCM in Windham and Mansfield

Here is a list of the Primary Care Providers (PCPs) that you can choose from if you want to join HUSKY PCCM. The program will be starting in the Waterbury and Mansfield/Windham areas. To join PCCM, you will need to pick a Primary Care Provider from the list below for each member of your household enrolled in HUSKY A. Some Primary Care Providers will only take a limited number of PCCM members or have other limits on who they will see in PCCM, such as members of certain ages.

You can call the HUSKY Enrollment Center at 1-800-511-6874 to find out if you can enroll with a Primary Care Provider or to see if more PCPs have joined.
