Immunization Program

TO: All CVP Providers
FROM: Mick Bolduc 
Vaccine Coordinator-Connecticut Vaccine Program (CVP)
DATE: August 8, 2022
SUBJECT: Menactra no longer available

The purpose of this communication is to notify you that Menactra vaccine is no longer available to order from the CVP.

Menactra Vaccine

As previously mentioned, several months ago, Sanofi Pasteur has been transitioning its Meningococcal Conjugate Vaccine (MCV4) from Menactra to MenQuadfi in both the public and private sectors. **Doses of Menactra are no longer available to order from the CVP.** Starting today providers will only be able to order either doses of Sanofi's MenQuadfi or GSK's Menveo to immunize their patients for MCV4.

As always if you have any questions, please feel free to contact me at (860) 509-7940.
