COVID-19 Immunization Materials

Front Cover	Description	Order Amount	Front Cover	Description	Order Amount
	<p>Boost Your Protection – Facts about COVID-19 Booster Shots</p> <p>Following CDC guidelines, this pamphlet teaches people about the importance of getting their COVID-19 booster shot and reassures them that boosters are safe and effective. The photo-illustrated pamphlet reviews COVID-19 symptoms, offers insight for what to expect after getting the shot, provides answers to common questions, and shares additional sources of information.</p>	<p><u>English</u> Out of Stock</p> <hr/> <p><u>Spanish</u> Low Stock</p>		<p>The COVID-19 Vaccine and Your Child</p> <p>Provides parents with valuable information about the COVID-19 vaccine for children. With text in both English and Spanish, this encouraging pamphlet explains how immunization protects children, why vaccines are safe and effective, the benefits of vaccination to individuals, families, and the community, and more.</p> <p>Bi-lingual in English and Spanish</p>	
	<p>COVID-19 Immunization Card Holders</p> <p>These plastic covers are a handy way to keep your CDC COVID-19 vaccine card safe and protected!</p>	(note: no 150 limit)			

Routine Childhood Immunization Materials

Front Cover	Description	Order Amount	Front Cover	Description	Order Amount
	<p>Measles – Protection Through Immunization</p> <p>This pamphlet alerts readers to the renewed threat of measles, explains the seriousness of the disease, and describes how the MMR vaccine offers safe, effective protection. With clear text in both English and Spanish, the pamphlet also explains when children typically receive MMR vaccinations, notes that some adults should get the vaccine, describes how measles is spread, lists its symptoms, and urges readers to talk to their health-care provider. Bi-lingual in English and Spanish.</p>	Low Stock		<p>9 Reasons to Immunize Your Child</p> <p>This booklet underscores that immunizations are both safe and effective. It also provides a list of tips that describe vaccine-preventable diseases, reminds readers that outbreaks can occur due to a lack of vaccination, and explains that immunizations are the safest way to build immunity against many diseases. It reminds parents that it's never too late to get an older child vaccinated.</p>	<p><u>English</u> Out of Stock</p> <hr/> <p><u>Spanish</u></p>
	<p>Shots – For Your Child's Health</p> <p>Stresses the vital role immunizations play in protecting their child's health, lists the serious health problems associated with the illnesses that shots can prevent, and provides an immunization schedule. Also discusses possible side effects and gives information for those who need help paying for shots.</p>	<p><u>English</u> Out of Stock</p> <hr/> <p><u>Spanish</u></p>

Routine Pre-teen and Teen Immunization Materials

Front Cover	Description	Order Amount	Front Cover	Description	Order Amount
	<p>Protect Your Preteen or Teen with Shots—They're Not just for Babies!</p> <p>This informative, motivational booklet teaches parents that shots are just as important for preteens as they are for infants and toddlers. It provides a handy chart of "catch-up" and older child immunization. Also included: brief explanations of diseases of special concern that shots can protect against, special issues and those considered at high risk.</p>	<u>English</u> <u>Spanish</u>		<p>Preventing Meningitis</p> <p>This booklet raises awareness of meningitis, how it is spread, symptoms to look for, and how to avoid infection. Urges readers to get vaccinated, avoid sharing personal items, wash hands often, and adopt other healthy habits. Includes a list of warning signs and recommends seeking medical care immediately if symptoms are observed.</p> <p>English only.</p>
