	Measles – Protection Through Immunization This pamphlet alerts readers to the renewed threat of measles, explains the seriousness of the disease, and describes how the MMR vaccine offers safe, effective protection. With clear text in both English and Spanish, the pamphlet also explains when children typically receive MMR vaccinations, notes that some adults should get the vaccine, describes how measles is spread, lists its symptoms, and urges readers to talk to their health-care provider. **Bi-lingual in English and Spanish.**			**9 Reasons to Immunize Your Child** This booklet underscores that immunizations are both safe and effective. It also provides a list of tips that describe vaccine-preventable diseases, reminds readers that outbreaks can occur due to a lack of vaccination, and explains that immunizations are the safest way to build immunity against many diseases. It reminds parents that it's never too late to get an older child vaccinated.	English Spanish **Out of Stock**
	Shots – For Your Child's Health Stresses the vital role immunizations play in protecting their child's health, lists the serious health problems associated with the illnesses that shots can prevent, and provides an immunization schedule. Also discusses possible side effects and gives information for those who need help paying for shots.	English Spanish		**Immunize Your Child!** **Vaccine Information for Parents** This easy-to-follow pamphlet emphasizes that all children need immunizations to protect them against serious illness. This pamphlet highlights the strong safety record of vaccines, the importance of keeping up with scheduled doses, and the low cost of immunization. **Bi-lingual English/Spanish**	
	**Shots for Tots –** **The Importance of Immunizations for Your Child** Clearly explains why immunization is important for every child. Covers the leading childhood illnesses and gives information on how to obtain a copy of your child's immunization history. Contains current childhood immunization schedule and references the Connecticut school and day care requirements. 16 pages, 5 ½" X 8". Classic illustrated booklet.	English Spanish		**Hugs & Health – Childhood Immunizations** Immunizations are key to keeping children healthy and preventing many serious diseases now and in the future. This engaging magazine underscores that immunizations are effective, affordable, and overwhelmingly safe. Articles describe how diseases are spread and symptoms to watch for. Magazine details emerging threats, refutes vaccine myths, and discusses additional healthy habits. Parents will love the advice-filled articles; eye-catching graphics; and easy-reading, conversational tone! **English only**.

Routine Pre-teen and Teen Immunization Materials

Front Cover	Description	Order Amount	Front Cover	Description	Order Amount
	**Girls, Boys and the HPV Vaccine – Information for Parents!** This pamphlet emphasizes the importance of fully immunizing boys and girls against HPV before they become sexually active. It describes HPV and its health risks, emphasizes vaccination safety and effectiveness, encourages healthy behaviors, features a chart listing all recommended childhood immunizations, and more.	English Spanish		**The HPV Vaccine – Important Protection for your Son or Daughter** This pamphlet educates parents about the important benefits of the HPV vaccine, describes how it protects people from cervical and other cancers, and refutes common misconceptions. The pamphlet explains that both girls and boys should be vaccinated, describes the process, underscores the safety and effectiveness of the vaccine, and provides additional sources of information. **Bi-lingual in English and Spanish**.	
	Protect Your Preteen or Teen with Shots—They're Not just for Babies! This informative, motivational booklet teaches parents that shots are just as important for preteens as they are for infants and toddlers. It provides a handy chart of "catch-up" and older child immunization. Also included: brief explanations of diseases of special concern that shots can protect against, special issues and those considered at high risk.	English Spanish		**Preventing Meningitis** This booklet raises awareness of meningitis, how it is spread, symptoms to look for, and how to avoid infection. Urges readers to get vaccinated, avoid sharing personal items, wash hands often, and adopt other healthy habits. Includes a list of warning signs and recommends seeking medical care immediately if symptoms are observed. **English only.**
