The Connecticut Long Term Care Ombudsman Program

Improving quality of life and care for individuals
receiving long-term services and supports.

1-866-388-1888

What Is the Long Term Care Ombudsman Program?

The Long Term Care Ombudsman Program (LTCOP) is an independent state office that works to improve the quality of life and care of individuals living in nursing homes (both long-term and short-term), residential care homes, managed residential communities (assisted living), and those receiving long-term home care in Connecticut.

Contact us.

If you have a concern about care or conditions in a long-term care facility, call LTCOP at

1-866-388-1888

What Does the LTCOP Do?

The mission of the LTCOP is to protect the health, safety, welfare, and rights of individuals receiving long-term services and supports.

The LTCOP responds to and investigates complaints brought forward by residents, family members, and/or other individuals acting on their behalf. Ombudsman activity is performed on behalf of, and at the direction of residents. All communication with the individual receiving care, their family members, or legal guardians is confidential.

These services are free.

LTCOP:

RECEIVES and looks into complaints, and assists in resolving problems.

EDUCATES about your rights.

EMPOWERS and supports discussions about care concerns.

PROVIDES information regarding long-term care services and supports.

ADVOCATES improvements in state and federal laws and regulations.

REPRESENTS the rights of individuals receiving care and their interests before governmental agencies.

IDENTIFIES and seeks to remedy gaps in facility, government, or community services.

RESPECTS the privacy and confidentiality of individuals receiving care.
