# ***VOLUNTEERS WANTED***

---

The Connecticut Long Term Care Ombudsman Program is seeking dedicated Volunteer Resident Advocates to help support the quality of life of residents in nursing homes.

The Volunteer Resident Advocate plays a vital role in advocating, listening to and working for resident's needs and interests.

The Volunteer Resident Advocate assists in the process of helping residents and families work with nursing home staff for changes to improve nursing home quality of life.

If interested or want to learn more call the CTLTCOP at:
