## 2016 MACpack Initiative

Through the generosity of "Feed the Children" the Department of Education (DOE) was in receipt of over 200 backpacks. The DOE provided the backpacks to MAC who with the help of our managers filled the backpacks with school supplies to create "MACpacks" to be donated to organizations state-wide that serve homeless children.

All of the MACpacks were filled and delivered to the following organizations:

- ★ Rescue Mission Shelter for Homeless Mothers, Bridgeport CT
- ★ Hillside Family Shelter, New Haven CT
- ★ Home of Hope, Waterbury CT
- ★ My Sister's Place, Hartford CT
- ★ Thames River Community Service, Norwich CT
