MEMBER OBLIGATION FOR RECEIPT OF STATE MILITARY PROPERTY

Purpose. To maintain accountability for Connecticut Military Property.

Authorization. In accordance with Connecticut General Statutes, 27-20(e), The Adjutant General shall have charge and care of all state military property and shall guard such property against injury and loss to the greatest extent possible. The Adjutant General shall conduct annual inspections of all public property and keep a complete inventory of such property and the places where it is deposited. Personnel shall be required to account for all military property issued to them.

Enforcement. In accordance with Connecticut Statute Section 27-43 (Injury and destruction of military property), any person who willfully or wantonly injures or destroys any uniform, arm, equipment or other military property of the state or the United States and refuses to make good such injury or loss, or who sells or disposes of the same or secretes or retains or removes the same, with intent to sell or dispose of it, shall be fined not more than two hundred dollars or imprisoned not more than six months or both.

General. Members of the Organized Militia, State of Connecticut, are authorized to receive military property for the purpose of conducting military duties. When the State of Connecticut issues military property (the "property") to members of the organized militia, the member becomes obliged to use and care for the property for the purpose for which it was issued and in accordance to governing military regulations, policies and orders.

Standing Order – Members of Connecticut's Organized Militia are financially liable for the loss or damage (not including normal wear and tear) of any and all property issued hereinunder. The financial liability begins upon issuance and remains an obligation until the property is returned to the State of Connecticut. Members are required to produce for inspection or return the property within 30 days of demand or order. Members must pay or lost or damaged (not including normal wear and tear) within 30 days of demand.

Obligation. In consideration for permission to have possession and use of the State of Connecticut personal property herein listed and priced (the "property") for the purpose of membership in the organized militia, State of Connecticut, the receiver of the property acknowledges the obligation to account for and to be financially responsible for any loss or damage to the property (not including reasonable wear and tear). The State of Connecticut (Issuer) assigns property to the member (receiver). Upon demand of the issuer, the receiver must return the property in the same condition (less normal wear and tear) to the issuer. Receiver is liable for loss or damage of the property. The receiver agrees that the State of Connecticut requires physical inventory of the property on demand (e.g., annual, showdown or turn-in inspection). When demanded to produce the property, the receiver is responsible to make timely production (within 30 days) of the property listed herein for inspection by or return to the State of Connecticut. Receiver agrees that in consideration for use and possession of listed property, the receiver is financially responsible to pay the issuer for any loss or damage of the property. The Receiver is strictly liable for any loss or excess damage to the listed property.

Within 30 days of demand for payment for loss or damage of listed property, receiver must pay the listed price (check payable to "Treasurer, State of Connecticut"). Receiver is responsible for any reasonable costs to enforce recovery for lost or damaged property, including attorney fees and postage and handling. Depreciation of the price for the property is not authorized.
