

DRCT is pleased to announce  
our new...

## FREE Education Rights Clinic

- Open only to students and families of students with disabilities, including students with special education needs or students who have or may need 504 plans.
- Talk with advocates, law students, and attorneys in a 1-hour virtual meeting.
- DRCT staff will answer your questions, inform you of your options, review IEP's, provide self-advocacy tips, and explain your rights under special education laws.

Starting  
September 6th

By appointment only  
Request yours  
today!

Free and  
confidential
